Martini An Illustrated History:

The Martini Barnaby Conrad,1995-04 The martini was and still is more than just a cocktail This first of its kind book serves up a fabulous cocktail of martini inspired art cartoons collectibles advertisements and film stills that reveal how deeply this classic has permeated every aspect of American culture 150 illustrations many in color **An Illustrated History of Nobles County, Minnesota** Arthur P. Rose,1908 **Firearms: An Illustrated History** DK,2014-03-17 This fascinating visual account of firearms shows everything from the earliest cannons to modern weapons of war It also highlights how gun technology and military tactics developed in tandem over time Centuries ago the Chinese discovered that if they put gunpowder and a projectile into a metal tube and ignited it they could fire the projectile with enormous force The first guns were born Firearms An Illustrated History showcases over 300 firearms including pistols revolvers rifles shotguns machine guns and artillery each with annotated close up photographs and details of their origins barrel and caliber It details the use of the firearms not just in the military but for sport hunting and law enforcement This comprehensive volume traces the history of firearms highlighting turning points such as the rifle with its parallel spiraled grooves that could impart a spin to bullets making them fly straighter It also showcases iconic firearms such as the Walther PPK self loading pistol popularised in James Bond films With information on the great gunsmiths including Beretta and Kalashnikov and a detailed guide to how guns work Firearms An Illustrated History is an essential purchase for everyone interested in guns and military history **A Brief Illustrated History of Warfare** Steve Parker,2017-01-01 A Brief Illustrated History of Warfare charts the history of warfare all the way through from the early charioteers and spear throwers through Roman legions knights and siege machines through to musketeers and the military arms used in the two world wars then all the way through to the use of smart weapons today With stunning full color images and illustrations this beautiful book is sure to fascinate the young reader **Martini, Straight Up** Lowell Edmunds,2020-03-24 Originally published in 1998 From its contested origins in nineteenth century California through its popularity among the smart set of the 1930s world leaders of the 1940s and the men in the gray flannel suits of the 1950s to its resurgence among today s retro hipsters Lowell Edmunds traces the history and cultural significance of the cocktail H L Mencken called the only American invention as perfect as a sonnet **The Oxford Illustrated History of the Renaissance** Gordon Campbell,2019-02-14 The Renaissance is one of the most celebrated periods in European history But when did it begin When did it end And what did it include Traditionally regarded as a revival of classical art and learning centred upon fifteenth century Italy views of the Renaissance have changed considerably in recent decades The glories of Florence and the art of Raphael and Michelangelo remain an important element of the Renaissance story but they are now only a part of a much wider story which looks beyond an exclusive focus on high culture beyond the Italian peninsula and beyond the fifteenth century The Oxford Illustrated History of the Renaissance tells the cultural history of this broader and longer Renaissance from seminal figures such as Dante and Giotto in thirteenth

century Italy to the waning of Spain's golden age in the 1630s and the closure of the English theatres in 1642 the date generally taken to mark the end of the English literary Renaissance Geographically the story ranges from Spanish America to Renaissance Europe's encounter with the Ottomans and far beyond to the more distant cultures of China and Japan And thematically under Gordon Campbell's expert editorial guidance the volume covers the whole gamut of Renaissance civilization with chapters on humanism and the classical tradition war and the state religion art and architecture the performing arts literature craft and technology science and medicine and travel and cultural exchange MGB - The Illustrated History 4th Edition Jonathan Wood, Lionel Burrell, 2018 Recalling the remarkable history of this remarkable car this book was written with full co operation and contributions from key members of the original design team It looks behind the scenes at the world famous MG factory in Abingdon which closed in 1980 This 4th edition also includes brand new illustrations and an original road test report

The Oxford Illustrated History of Italy George Holmes, 2001 From the Roman Empire to the present day this is the story of Italy Until just over a century ago Italy did not exist as a political unit yet it was both the heart of the Christian Church and the seedbed for the extraordinary cultural flowering that was the Renaissance In the middle ages the merchants of Florence Genoa and Venice bridged Asia and Europe with their trading and financial activities yet Italy remained a region of fiercely independent city states In the nineteenth century an upsurge of nationalist fervour was channelled by Garibaldi into a victorious war against Italy's Habsburg overlords A political vision was finally realized and the nation of Italy was created This extensively illustrated survey by twelve leading historians offers a fascinating introduction to the history and culture of Italy

Martini David Taylor, 2003-09 A sensational and glamorous book with great visual appeal Martini explains the origins and history of the supreme American gift to world culture Bernard De Veto and is packed with legends and anecdotes of the rich and famous and their taste in this most popular cocktail Divided into four sections Beginnings Martini Mixology Martinis in the Movies and In the Lounge it includes 30 recipes and revives the debate over shaken vs stirred Traditional favorites like the Dry Martini the Vodka Martini and the Gibson mingle with contemporary variations like fruit martinis the Espresso tini and the Chocotini

Cassell's Illustrated History of the Russo-Turkish War Edmund Ollier, 1896

The Cambridge Illustrated History of Warfare Geoffrey Parker, 2021-08-05 The new edition of The Cambridge Illustrated History of Warfare offers an updated comprehensive account of Western warfare from its origins in Classical Greece and Rome through the Middle Ages and the early modern period down to the wars of the twenty first century in Afghanistan Iraq and Syria

Cassell's Illustrated History of India James Grant, 1889

The Illustrated History of Natural Disasters Jan Kozák, Vladimír Cermák, 2010-03-14 This book tells the story of the Earth itself explaining the interplay of its gradual geologi levolution presented as a generally slow and safe process with the sudden manifestations of natural hazards which involve disasters that affect the environment and lead to huge material damage and human losses The natural forces at play whether they are violent explosions of volcanic eruptions or almost imperceptible

deformations of subsurface rock strata finally resulting in devastating earthquakes all control the existence and destiny of a certain part of the global population The development of man's existence down through history has depended upon his understanding of the world in which he lives and upon his ability to turn to his own best use the materials that were there for the taking However he has had not only to furnish himself with food water building materials and energy to protect himself against occasional natural adversities Protecting himself from them meant comprehending their causes and the essential core of his understanding was in recording and depicting them This book is written for anyone interested in the Earth in general and in natural disasters in particular presenting a unique collection of historical illustrations of volcanic eruptions and earthquake events and their repercussions The book represents a golden mean between scientific and popular works
