danger They were not cowering behind a desk they were wading into fights and tossing people on their ears into the street 3 Jewish gangsters and their Italian cousins ruled the underworld and many young Jewish boys found a brotherhood in the gangs As the fascist menace grew in New York Meyer Lansky became the nation s top Jewish gangster 4 Fascist ideology is based on the belief that a dictator is better than an elected one because many voters are enemies of the people and need to be oppressed It requires a strong leader and a weaker scapegoat In Germany Hitler became the dictator and Jews the scapegoat

Nazis and Good Neighbors Max Paul Friedman,2003-08-04 This international history uncovers an American security program in which Washington reached into fifteen Latin American countries to seize more than 4 000 German expatriates and intern them in the Texas desert The crowd of Nazi Party members antifascist exiles and even Jewish refugees were lumped together in camps riven by strife The book first published in 2003 examines the evolution of governmental policy its impact on individuals and emigrant communities and the ideological assumptions that blinded officials in both Washington and Berlin to Latin American realities Franklin Roosevelt s vaunted Good Neighbor policy was a victim of this effort to force reluctant Latin American governments to hand over their German residents while the operation ruined an opportunity to rescue victims of the Holocaust This study makes a very contemporary argument that security measures based on group affiliation rather than individual actions are as unjust and ineffective in foreign policy as they are in law enforcement
