Hollywood Bohemians Brett L. Abrams,2014-11-21 Between 1917 and 1941 Hollywood studios gossip columnists and novelists featured an unprecedented number of homosexuals cross dressers and adulterers in their depictions of the glamorous Hollywood lifestyle Actress Greta Garbo defined herself as the ultimate serial bachelorette Screenwriter Mercedes De Acosta engaged in numerous lesbian relationships with the Hollywood elite And countless homosexual designers brazenly picked up men in the hottest Hollywood nightclubs Hollywood s image grew as a place of sexual abandon This book demonstrates how studios and the media used images of these sexually adventurous characters to promote the industry and appeal to the prurient interests of their audiences

Writing Desire Bertram Cohler,2007-05-15 Exploring nearly sixty years of memoir and autobiography *Writing Desire* examines the changing identity of gay men writing within a historical context Distinguished scholar and psychoanalyst Bertram J Cohler has carefully selected a diverse group of ten men including historians activists journalists poets performance artists and bloggers whose life writing evokes the evolution of gay life in

twentieth century America By contrasting the personal experience of these disparate writers Cohler illustrates the social transformations that these men helped shape Among Cohler's diverse subjects is Alan Helms whose journey from Indiana to New York's gay society represents the passage of men who came of age in the 1950s and 1960s when homosexuality was considered a hidden disease The liberating effects of Stonewall's aftermath are chronicled in the life of Arnie Kantrowitz the prototypical activist for gay rights in the 1970s and the founder the Gay and Lesbian Alliance against Defamation The artistic works of Tim Miller and Mark Doty evoke loss and shock during of the early stages of the AIDS epidemic in the 1980s Cohler rounds out this collective group portrait by looking at the newest generation of writers in the Internet age via the blog of BrYaN who did the previously unthinkable he outed himself to millions of people A compelling mix of social history and personal biography Writing Desire distills the experience of three generations of gay America Finalist LGBT Studies Lambda Literary Foundation

 Army, 1997 *The Wedding Heard 'Round the World* Michael McConnell, Jack Baker, Gail Langer Karwoski, 2021-06 Fifty
 years after their marriage Jack and Michael's story is one of the milestone events in the fight for equal rights and this memoir
 the unmissable account a remarkable couple On September 3 1971 at the dawn of the modern gay movement Michael
 McConnell and Jack Baker exchanged vows in the first legal same sex wedding in the United States But the battle to get
 there legal and emotional was only the start of their incredible lives together Jack enrolled in law school keeping his promise
 to Michael that he would figure out a way to marry He did but the repercussions would echo not only through their lives but
 through those of every gay person in the US who ever wanted what this one pioneering couple did a happy family life This is
 the story of how they met how they married and what came after And one wedding heard round the world A beautiful well
 written love story that is heartrending and ultimately heartwarming Robert Alexander New York Times bestselling author of
The Kitchen Boy A fascinating story of love and struggle that reads like a novel Washington Book Review Double Life
 Alan Shayne, Norman Sunshine, 2011 Gay marriage is at the forefront of America's political battles The human story at the
 center of this debate is told in *Double Life A Love Story* a dual memoir by a gay male couple in a 50 plus year relationship
 With high profiles in the entertainment advertising and art communities the authors offer a virtual timeline of how gay
 relationships have gained acceptance in the last half century At the same time they share inside stories from film television
 and media featuring the likes of Marlon Brando Katharine Hepburn Rock Hudson Barbra Streisand Laurence Olivier Truman
 Capote Bette Davis Robert Redford Lee Radziwill and Frances Lear We both grew up at a time when homosexuality was not
 even spoken about the couple writes There were certainly no books that could help a young person understand that two
 people of the same sex could build a happy productive and loving life together When we entered our 50th year another same
 sex couple told us we were an inspiration so we began to feel we had the responsibility to make what we've experienced
 available to others We also wanted to show people who were not gay that our life was not unlike theirs We are all pretty
 much the same so we deserve equal protection under the Constitution Alan Shayne retired as President of Warner Brothers
 Television in 1986 following a career that included Broadway playing opposite Lena Horne and spanned forty years As a
 leading casting director he worked on such films as *Catch 22* *All the President's Men* and many others At Warner Brothers he
 shepherded such long running television series as *Alice* *Night Court* and *The Dukes of Hazard* Norman Sunshine was a
 successful magazine illustrator in New York who went on to be a painter and sculptor whose works are in museums and in
 important collections In the early years of his career he was vice president creative director of an advertising agency and
 coined the phrase *What Becomes a Legend* Most as well as *Danskins* are not just for Dancing He interrupted his painting
 career when Frances Lear asked him to spearhead *Lear's Magazine* in the 1980s Upon the two men meeting in New York in

1958 We didn't want to live together says Shayne We didn't have any examples of what a good love relationship between two men could be And there was always the problem of hiding so no one would know we were gay There was no question that if I were known to be gay living with another man it would make it more difficult for me to get work as an actor As an artist Sunshine was able to maintain a moderately out lifestyle But when the first exhibition of his paintings in New York brought on a profile in The New York Times in 1968 he was photographed in the apartment that he admitted sharing with Shayne At both his advertising agency and Shayne's television production company the article was met with absolute silence Even in the 1970s when Sunshine won an Emmy for the graphics and title design he had created for one of Shayne's television productions Alan and I agreed it was not a good idea for us to be seen together at an industry event he remembers Alan after all was one of the very few homosexuals who had such a powerful high profile job and who lived openly with a man Homophobia had its adherents and some ruthless climber up the executive ladder would certainly love an opportunity to use it Better to be seen with a woman we were advised by a very trusted friend Makes everyone more comfortable Happily in 2008 the State of Massachusetts allowed the opportunity for the couple to be married on a beach in Nantucket We were like a long empty closed up house where the windows have just been opened writes Shayne The fresh air thrilled through us and after years of only being who we were in the privacy of our homes or with a few friends we were out in the world under the sky no longer pretending We were at last free Double Life is a trip through the entertainment world and a gay partnership in the latter half of the 20th century As more and more same sex couples find it possible to say I do the book serves as an important document of how far we've come **States of Desire** Edmund White,1980-01-01
