Planning A Wedding:

Wedding Planning For Dummies Marcy Blum, Laura F. Kaiser, 2011-03-08 Congratulations you're planning a wedding. Besides obtaining a fancy tuxedo and a stunning gown, organizing a wedding ceremony takes creativity, planning, diplomacy, and nerve. The whole ordeal can seem overwhelming at first, but with a little guidance, you'll pull off a wedding people will remember for ages. **Wedding Planning For Dummies 2nd Edition** demystifies and simplifies all the details that go into the Big Day, providing inspiration and innovative ideas to personalize your wedding celebration and, of course, make it fun for everyone, especially you. This one-stop guide is all you need to: Design a comprehensive schedule for a snag-free wedding day; Keep track of expenses with a wedding budget; Negotiate contracts and surf online for deals; Get those pesky financial technicalities out of the way; Plan a weekend wedding, a themed wedding, and other celebrations; Select a suitable wedding party; Plan for various customs and rites; Get the decorative effect you want; Throw a great reception with music, food, drink, and cake; Handle gifts, registries, rings, photos, and the honeymoon. Packed with tips for saving money and common kitsch you should avoid, this is the ultimate guide to satisfying everyone on the Big Day. You'll discover the confidence you need to make the wedding of your dreams come true with **Wedding Planning For Dummies 2nd Edition**. **Wedding Planning Made Simple** Marian J. Box, Bryan K., 2008-06-10 At last, a truly All In One Wedding Planner. From the softer side of what goes into planning a wedding from Marian's view to the nuts and bolts of the required planning elements from Bryan's eye comes a true How To and Do program. With **Wedding Planning Made Simple**, not only are you presented with the information you need to plan your wedding, but you will have access to the online planning program that lets you implement the templates and planning tools discussed in the book to create your own personalized wedding. Far superior to the typical hard-copy wedding planners in that once written in, they are really not re-usable. With the online program, you have the flexibility to add, manipulate, change, or modify your planning as often as you like to suit your desires. To make it even better, you will be able to create your own personal wedding webpage as part of this package. Since the program is online and you have your own secure login and password, you are able to share your details with those of whom you may be separated by distance.
