Prayer, Humility, and Compassion Samuel H. Dresner,1969 **Prayer, Humility, and Compassion** Samuel H. Dresner,Ilya Schor,1957 Prayer in Nursing Mary Elizabeth O'Brien,2003 *Prayer in Nursing The Spirituality of Compassionate Caregiving* examines the role of prayer in the life of a nurse from a variety of perspectives including the history of prayer in nursing the importance of prayer in contemporary caregiving caring nurse patient relationships and the connection between prayer and a healing ministry To encourage the practice of prayer each chapter begins with a meditation and ends with a prayer reflective of a nurse s spirituality Power of Prayer Forest Mindscape,AI,2025-02-14 *Power of Prayer* explores the multifaceted nature of prayer across religions its psychological effects and personal spiritual significance The book examines prayer s diverse expressions in Christianity Islam Judaism Hinduism and Buddhism highlighting commonalities and unique aspects It also delves into the psychological impact of prayer assessing its potential benefits for mental well being stress reduction and emotional regulation while distinguishing correlation from causation The book posits that prayer regardless of religious affiliation can be a tool for personal reflection and connection It unfolds by first establishing a foundational understanding of prayer then delving into religious psychological and spiritual dimensions with evidence based research and case studies It uniquely addresses the psychological effects of prayer using research from psychology and neuroscience and acknowledges the complexities of intercessory prayer offering practical insights for integrating prayer into one s life Civil Religion in Political Thought Ronald L. Weed,John von Heyking,2010-03 The essays in this volume blend historical and philosophical reflection with concern for contemporary political problems They show that the causes and motivations of civil religion are a permanent fixture of the human condition though some of its manifestations and proximate causes have shifted in an age of multiculturalism religious toleration and secularization **Judaism and Global Survival** Richard H. Schwartz,2002 This book discusses the challenges facing humanity and the Jewish teaching related to these challenges in order to Galvanize Jews to help repair the world as required by Jewish law *Six Stages on the Spiritual Path* Ruth Whitney,2021-05-21 In *Six Stages on the Spiritual Path* we learn about spirituality and its stages as well as how spirituality helps to reduce our suffering and create more love Writings from ancient to contemporary mystics across the world provide us with practical and spiritual wisdom that will make our lives happier and more loving In the first stage on the mystic way children experience awe and wonder but they do not realize that this is a spiritual experience While all indigenous people recognize awe as a mystical experience only some adults and most artists do When parents and religious leaders teach children about God they cause their spiritual growth to flourish or to become stunted at an elementary school level Awakening is an experience of the Divine that helps us realize that the Sacred Spirit is within us and loves us Awakening produces love for our neighbors and ourselves Then love nurtures more awakenings Illumination and union are deeper mystical experiences that the Holy One is not only within all of us and all of creation but also that we are

within the ONE Illumination creates more love for all people and all the universe Praying for Teen Girls Stacey Thacker, 2025-04-22 The teen years are an emotional roller coaster in your daughter's life rife with new difficulties insecurities temptations and attitudes She still needs you but sometimes you honestly don't know what to do Navigating these complicated teen years with her own four daughters Stacey Thacker offers wisdom and practical help from the trenches along with over 90 Scripture inspired prayers to help you fight for your daughter not against her unlock the full power of partnering with God through prayer navigate your changing relationship with peace and confidence release your daughter to God and take joy in your role as her mom pray for seven key areas in your young woman's life find the wisdom you need each day feel purposeful not powerless in your parenting There will always be limits to what you can do for your teen girl But there are never any limits to what you can pray and what God can do *Judaism and Global Survival* Richard Schwartz, 2023-08-15 Judaism and Global Survival discusses the challenges facing humanity and the Jewish teachings related to these challenges in order to galvanize Jews to help repair the world tikkun olam as required by Jewish law It argues that we don't need to discover new values and approaches to address current global threats What is needed is a rediscovery and application of basic Jewish teachings and mandates such as to pursue peace and justice to love our neighbors as ourselves and to act as co-workers with God in protecting and preserving the world Judaism and Global Survival is meant to be a wake up call the strongest that one can make on the urgency of addressing climate threats and other environmental threats and the importance of Jews applying Jewish values in addressing these threats Among the issues discussed in the book are the following Jews are to guardians of the earth partners and co-workers with God in working toward tikkun olam the healing repair and proper transforming of the world climate change is an existential threat to the world and the only hope to avert a climate catastrophe is through a major shift to plant based diets as that would enable reforestation of the vast areas now used for animal agriculture reducing atmospheric CO2 to a much safer level vegetarianism and even more so veganism is the diet most consistent with Jewish teachings on preserving our health treating animals with compassion protecting the environment conserving natural resources and helping hungry people Pastoral Care to and Ministry with LGBTQ Youth and Young Adults Arthur David Canales, 2022-06-14 Pastoral Care to and Ministry with LGBTQ Youth and Young Adults weaves sound theology and solid practice to offer insight and introspection about helping and ministering to some of our most vulnerable in our congregations and or parishes LGBTQ youth and young adults Moreover the book provides pragmatic pastoral strategies that can be successfully implemented into Christian youth ministries and young adult ministries The book examines traditional understandings of homosexuality and transgender in Scripture from a marginalized perspective The book analyzes current theological and pastoral practice and moves the needle to offer new insights and fresh ideas regarding pastoral care to and ministry with LGBTQ young people This book is perfect for youth young adult ministers lay leaders pastors parents and academics who are interested in LGBTQ issues topics and ministry The book invites students scholars
