Private and Domestic Devotion in Early Modern Britain Alec Ryrie,2016-04-15 Scholars increasingly recognise that understanding the history of religion means understanding worship and devotion as well as doctrines and polemics Early modern Christianity consisted of its lived experience This collection and its companion volume *Worship and the Parish Church in Early Modern Britain* ed Natalie Mears and Alec Ryrie bring together an interdisciplinary range of scholars to discuss what that lived experience comprised and what it meant Private and domestic devotion how early modern men and women practised their religion when they were not in church is a vital and largely hidden subject Here historical literary and theological scholars examine piety of conformist non conformist and Catholic early modern Christians in a range of private and domestic settings in both England and Scotland The subjects under analysis include Bible reading the composition of prayers the use of the psalms the use of physical props for prayers the pious interpretation of dreams and the troubling question of what counted as religious solitude The collection as a whole broadens and deepens our understanding of the patterns of early modern devotion and of their meanings for early modern culture as a whole

Imagine You Walked with Jesus Jerry Windley-Daoust,2021-12-14 Contemplative or imaginative prayer is a method of

meditative prayer developed by Saint Ignatius of Loyola in which you imagine yourself as a character in a Bible story experiencing the events described in the passage as if you were actually there In *Imagine You Walked with Jesus* you ll be introduced to contemplative prayer through forty episodes from the Gospels Each entry includes A brief introduction to the Bible text with vivid details to aid your imagination and place the text in a larger interpretative context An introductory prayer The full text of the Bible passage Journaling prompts As you prayerfully immerse yourself in the Bible passages in this book you ll be invited to draw on your imagination to rewrite the story from your own perspective what you saw and heard your feelings and emotions and how you interacted with Jesus and the other people present in the story Saint Ignatius taught that the imagination can be an instrument of prayer By imagining how we would respond to a particular biblical episode we can respond to God s word in a deeper more meaningful way and perhaps hear what God has to say to us too ABOUT THE AUTHOR Jerry Windley Daoust is the author of more than a dozen books on Catholic social teaching family spirituality and Ignatian prayer The cofounder of Gracewatch Media which creates print and digital resources for Catholic families he is especially grateful for the ten years he spent as a stay at home dad for his five children Find him online at windhovering.com
