Meditations on Prayer Paul Sharp, 2012-11-14 This study is not about how to pray as much as it is about the God to whom we pray But how can it be otherwise If we ignore or undervalue God s nature and spend our time trying to improve our words sharpen our methods or pump up our own prayer drive we reduce Him to a genie in a bottle and elevate ourselves to being the master of that bottle Do you think the almighty all wise and good Creator the Father of our Lord Jesus will submit to being treated like that Join Sharp in this 22 session study of Jeremiah s prayers and God s responses and prepare to be confronted again and again by the holy sovereign nature of the One to Whom we pray Pray Not for These People Damian

E. Wilson, 2015-07-09 This book is God inspired to benefit the body of Christ in this end time to not only hear what God is saying but to become doers of what it is that he has said Too many of us claim to be so personally in touch with God to the extent that we have his ear but we still refuse to do what he has called us to do As we look into the dynamics of prayer this book will give an insightful glimpse to the plight of Jeremiah in dealing with Gods people Israel What God told Jeremiah was both shocking and unexpected Take a journey with me to see this great prophet of God wrestle and struggle with God about Israel *Learning to Pray the Jeremiah Way* James E. twenty six recorded prayers in the Book of Jeremiah **Praying Through Jeremiah & Lamentations** Troy Schmidt, 2019-03-30 How is your country doing Prosperous Are the people happy cooperative united Do they love God and obey his commands Are all the enemies kept away Or is it chaotic constantly in turmoil with disobedience and selfishness running rampant everyone doing whatever they want worshiping whoever they want And are the enemies knocking on the front gates or worse knocking down the walls These days the latter is more likely true which makes Jeremiah and Lamentations reflections of today s culture as much as Jeremiah the prophet s time in Jerusalem from 627 to 589 BC Jeremiah was the prophet who God chose to speak to the nation of Judah and the city of Jerusalem during its darkest time its collapse at the hands of Babylon and King Nebuchadnezzar Jeremiah s strength is to be admired as well as his compassion The people specifically the religious leaders drove Jeremiah insane with their disobedience to God and abuse to Jeremiah And yet Jeremiah wept for them and the destruction of God s city As you pray through Jeremiah you ll be praying for your nation too and most likely weeping for its current state hoping that God will restore your county to the way it once was or a better version of what it can be **PRAYING THROUGH THE BIBLE SERIES** What is God s word Simply put it is the word of God spoken to people long ago who transcribed that information into writing That writing was meticulously passed down for thousands of years to speak to us today How did God speak to people in Bible times Audibly God spoke directly to people who heard Him with their ears or in their heart Through situations God spoke through the actions and events of this world Through people God spoke through leaders kings and prophets who proclaimed God s purpose Through prophecy God spoke about future events then those events happened Scripture God spoke through His written word when people read those

Short Practical Notes. By James Julius Wood, 1874 *God's own testimony to prayer: the prayers of the Holy Scriptures and the answers thereto, with notes, by J.J. Wood* James Julius Wood, 1874 *The Lure of Transcendence and the Audacity of Prayer* Samuel E. Balentine, 2022-06-24 The discourse of prayer responds to the abiding lure of transcendence From Gilgamesh to the primordial human beings in Eden to Odysseus the quest for ultimate truths has summoned forth all manner of human effort courageous desperate pious impious successful failed invited forbidden and like all such lures one can never be certain whether the glimmer of transcendence is that of a bright and shining star that illuminates the shadows or only a shiny object that seduces one into an inescapable darkness a fishing lure for example In this study Samuel E Balentine

demonstrates how prayer's invocation of God transgresses the limits of human beings. The author shows how inviting let alone commanding God to speak may be the acme of bardic pretention but in the ancient world such transgression characterizes the audacity of prayer.

Prayer in the Hebrew Bible Samuel E. Balentine, 1993-05-01 Balentine invites the reader to consider several aspects of prayer in the Hebrew Bible: prayer and the depiction of character; prayer and the characterization of God; prayers for divine justice; the lament tradition; sensible praise; prayer in Old Testament theology and the motif of the church as a house of prayer.

Functions of Psalms and Prayers in the Late Second Temple Period Mika S. Pajunen, Jeremy Penner, 2017-07-24 When thinking about psalms and prayers in the Second Temple period, the Masoretic Psalter and its reception is often given priority because of modern academic or theological interests. This emphasis tends to skew our understanding of the corpus we call psalms and prayers and often dampens or mutes the lived context within which these texts were composed and used. This volume is comprised of a collection of articles that explore the diverse settings in which psalms and prayers were used and circulated in the late Second Temple period. The book includes essays by experts in the Hebrew Bible, the Dead Sea Scrolls, Apocrypha and Pseudepigrapha, and the New Testament, in which a wide variety of topics, approaches, and methods, both old and new, are utilized to explore the many functions of psalms and prayers in the late Second Temple period. Included in this volume are essays examining how psalms were read as prophecy, as history, as liturgy, and as literature. A variety of methodologies are employed and include the use of cognitive sciences and poetics, linguistic theory, psychology, redaction criticism, and literary theory.
