Preaching In Demonstration:

Irenaeus's Demonstration of the Apostolic Preaching Iain M. MacKenzie, 2017-11-22 This title was first published in 2002 The theology of Irenaeus and the Demonstration of the Apostolic Preaching in particular is pivotal in showing the way in which the fathers of the church interpreted scripture and distilled doctrine The Demonstration is an important hinge showing how the doctrine of the fourth century with its definitive councils and definitions of faith opens out from the new testament apostolic and evangelical witness Presenting the full translation of the Demonstration of Irenaeus by Dean Armitage Robinson this book offers a detailed theological commentary by Canon Iain MacKenzie on this foundational doctrinal text MacKenzie sets out the main theological themes throughout Irenaeus work and explores his method of systematic theology Athanasius's dependence on Irenaeus and Irenaeus influence on doctrine in the fourth century particularly the works of Athanasius Basil of Caesarea Gregory of Nazianzus and Gregory of Nyssa Highlighting the importance of this second century theologian for theology today this commentary and theological interpretation offers an incentive to study Irenaeus in the wider development of Christian doctrine as a cardinal figure in the appreciation of systematic theology

Preaching in Demonstration of the Spirit and Power John Mason Stapleton, 1988 *A Manual for Preaching* Abraham Kuruvilla, 2019-10-15 Abraham Kuruvilla's A Vision for Preaching offered an integrated biblical and theological vision for preaching A Manual for Preaching addresses the practical and perennial issue of how to move from the biblical text to an effective sermon The author a well respected teacher of preachers shows how to discern the text's theological meaning and let that meaning shape the development of the sermon Clearly written and illustrated with Old Testament and New Testament examples the book helps preachers negotiate larger swaths of Scripture and includes two annotated sermon manuscripts from Kuruvilla

Preaching Like the Prophets Robert A. Carlson, 2017-02-08 The Old Testament prophets are a neglected treasury of biblical examples for pastoral preaching Too often the prophets are misunderstood as focusing on future or social justice issues This book shows that the prophets are essentially preachers very good ones whom we must learn from By comparing recent rhetorical analysis of the prophets to some of the best of current preaching literature this book shows that the prophets preached the way that we ought to preach It will help you to hear the prophets the same way that a pastor benefits from listening to a seasoned and exceptionally gifted preacher We can benefit not only from what the prophets say but how they say it By seeing how the prophets grab and keep their listeners how they enhance clarity and relevancy how they make truth come alive and how they persevere in their ministry you too can learn to preach like the prophets

The Power of Preaching Gary Wilkerson, Joshu West, Voddie T. Baucham, Jr., Carter Conlon, Tim Dilella, R. T. Kendall, Claude Houde, John Bailey, 2025-02-04 In our churches today we have allowed ourselves to hold to a low view of God instead of seeing Him as Who He really is And in today's world of seeking the most likes and followers many Christian pastors and leaders are finding themselves preaching what people want to hear instead of what God wants to say In *The Power of Preaching* eight experienced men of God who have stayed true to the preaching of God's Word offer guidance on how to avoid appealing to the masses and instead encourage the reader to let God's Word speak for itself Be encouraged and revitalized to be ministers of truth in a world caught up in lies
