Protected Witness Ultimate Agents:

Witsec Pete Earley, 2009-11-18 For decades no law enforcement program has been as cloaked in controversy and mystery as the Federal Witness Protection Program Now for the first time Gerald Shur the man credited with the creation of WITSEC teams with acclaimed investigative journalist Pete Earley to tell the inside story of turncoats crime fighters killers and ordinary human beings caught up in a life and death game of deception in the name of justice WITSEC Inside the Federal Witness Protection Program When the government was losing the war on organized crime in the early 1960s Gerald Shur a young attorney in the Justice Department's Organized Crime and Racketeering Section urged the department to entice mobsters into breaking their code of silence with promises of protection and relocation But as high ranking mob figures came into the program Shur discovered that keeping his witnesses alive in the face of death threats involved more than eradicating old identities and creating new ones It also meant cutting off families from their pasts and giving new identities to wives and children as well as to mob girlfriends and mistresses It meant getting late night phone calls from protected witnesses unable to cope with their new lives It meant arranging funerals providing financial support and in one instance even helping a mobster's wife get breast implants And all too often it meant odds that a protected witness would return to what he knew best crime In this book Shur gives you an account of infamous witnesses from Joseph Valachi to Sammy the Bull Gravano to Fat Vinnie Teresa of the lengths the program goes to to keep its charges safe and of cases that went very wrong and occasionally even protected those who went on to kill again He describes the agony endured by innocent people who found themselves in the wrong place at the wrong time and ended up in a program tailored to criminals And along with Shur's war stories WITSEC draws on the haunting words of one mob wife who vividly describes her life of lies secrecy and loss inside the program A powerful true story of the inner workings of one of the most effective and controversial weapons in the war against organized crime and the inner workings of organized crime itself and more recently against Colombian drug dealers outlaw motorcycle gang members white collar con men and international terrorists this book takes us into a tense dangerous twilight world carefully hidden in plain sight where the family living next door might not be who they say they are

Santa Assignment Delores Fossen, 2010-12-27 AN UNLIKELY UNION She was hiding from a stalker and from Brayden O Malley the man who blamed her for his wife's death But when Brayden asked for the incredible Ashley Palmer couldn't refuse He wanted her to give him a child so his toddler son would live to see another Christmas But forging a frightening intimacy with her ex brother in law meant coming out of hiding and evading the reach of a killer Now the key to Ashley's safety lay in solving the clues of a perilous puzzle that only brought her and Brayden closer But was the combustible desire threatening to consume them the greatest risk of all *Christmas Stalking* Jo Leigh, 2012-02-15 KIDNAPPED BODY AND SOUL The sexy Santa with the ice blue eyes swept senator's daughter Jade Parker off her feet and into captivity And soon Jade feared he'd also captured her heart For although reporter Max Travis's tale of her father's guilt in a dangerous conspiracy couldn't

possibly be true the men gunning for Max and now Jade weren't a figment of his imagination Suddenly Jade's rugged kidnapper was the only man she could trust If you'd asked Max what he wanted for Christmas he wouldn't have said a leggy redhead with an attitude Now safety and justice paled in comparison to his vivacious prisoner He wanted Jade secure in his arms But first they had to live long enough to unwrap the truth
