Quiet Diplomacy In Action The Osce High Commibioner On National Minorities:

Quiet Diplomacy in Action: The OSCE High Commissioner on National Minorities Walter A. Kemp, 2021-08-04
Quiet Diplomacy in Action is the first comprehensive account of the work of Max van der Stoep as High Commissioner on National Minorities for the Organization for Security and Co operation in Europe OSCE Because Van der Stoep worked discreetly until now very little has been written about his activities This book takes the reader behind the scenes to explain why the post of High Commissioner was created what his mandate is how he worked in practice and what recurrent themes and issues he encountered Quiet Diplomacy in Action also gives a detailed summary of the High Commissioner s activities in the more than fifteen countries that he was involved with between 1993 and 2001 Major documents relating to national minorities in the OSCE context are included in an annex As Michael Ignatieff writes in the Foreword Everyone talks about conflict prevention One of the few senior figures that actually does it is the OSCE High Commissioner on National Minorities This book written in co operation with Mr Van der Stoep gives a unique insight into conflict prevention minority rights and the challenge of resolving inter ethnic tensions It should be considered a primary resource for all those interested in these subjects *Quiet Diplomacy in Action: The OSCE High Commissioner on National Minorities* OSCE High Commissioner on National Minorities, 2001-07-03

The role of NGOs *Human Rights Diplomacy: Contemporary Perspectives* Michael O'Flaherty, Zdzisław Kędzia, Amrei Müller, George Ulrich, 2011-10-28 This collection of essays explores the notion tools and challenges of human rights diplomacy which is understood as the utilisation of diplomatic negotiation and persuasion for the specific purpose of promoting and protecting human rights Theoretical reflections are combined with first hand accounts from a range of policy makers involved in human rights diplomacy at the bilateral regional and multilateral UN level Contributors include inter governmentally appointed office holders human rights ambassadors members of UN human rights treaty bodies and representatives of inter governmental organisations national human rights organisations and non governmental organisations Their analysis shows that skilful and principled diplomacy can become a crucial part of a holistic approach to human rights protection complementing other means such as legal remedies public advocacy political pressure and technical assistance This book builds on discussions at a high level workshop on the topic organised by the University of Nottingham Human Rights Law Centre the European Inter University Centre for Human Rights and Democratisation and the Adam Mickiewicz University of Pozna

The European Minority Rights Regime David J. Galbreath, Joanne McEvoy, 2011-12-06 Evaluates the nature of the international governance of minority rights in the context of the enlargement of the European Union This book examines the origin and development of the European Minority Rights Regime paying particular attention to the institutions policies and actions of European organisations

Minority Rights in Europe Patrick Thornberry, María Amor Martín Estébanez, Council of Europe, 2004-01-01 This publication discusses the main standards and mechanisms created by the Council of Europe and other international organisations to protect the rights of

minorities in Europe including key legal instruments such as the European Convention on Human Rights the Framework Convention for the Protection of National Minorities and the European Charter for Regional and Minority Languages It reviews the monitoring activities in various Council of Europe member and non member states both prior to their accession and in their post accession phase The publication also includes a detailed examination of the case of the Roma Gypsies a specific minority without a kin state

Facing Ethnic Conflicts Andreas Wimmer, Richard J. Goldstone, Donald L. Horowitz, Ulrike Joras, Conrad

Schetter,2004-08-20 Ethnic conflict is the major form of mass political violence in the world today and it has been since World War II Dramatic acts of terrorism and calculated responses to them may distract the attention of policymakers and the public but ethnic and nationalist conflict continues to pose the greatest challenge to peace and security across the globe Causes of such conflict and ideas about how to address it are hotly debated in the literature that has emerged over the past fifteen years This volume offers a unique overview of research and policy approaches to ethnic conflicts It is the first book to bring together experienced policymakers and key scholars from all disciplines They debate how to best understand the rise and escalation of ethnic conflict assess different strategies for peacemaking mediation and reconciliation and evaluate the prospects for conflict management through institutional design In contrast with a more enthusiastic assessment of the willingness and capacity to successfully intervene in ethnic conflict this volume documents the new realism that has emerged over the past decade It recognizes the complex and protracted nature of such conflicts and demands a multifaceted case by case approach sustained by long term political engagement Published in co operation with the Center for Development Research University of Bonn European Integration and the Nationalities Question John McGarry,Michael

Keating,2006-09-27 A highly topical examination of the effect of European integration on relations between states and minority nations This new collection brings together the leading specialists in the field and covers a wide range of cases from Northern Ireland in the West to Estonia and Latvia in the East and Cyprus in the South East The contributors assess how European integration has affected the preparedness of states to accommodate minorities across a range of fundamental criteria including enhanced rights protection autonomy the provision of a voice for minorities in the European and international arena and the promotion of cross border cooperation among communities dissected by state frontiers The comprehensive chapters stress the importance of the nationality question and the fact that contrary to the hopes and beliefs of many on the left and right it is not going to go away Beginning with an introductory essay that summarizes the impact of European integration on the nationalities question this accessible book will be of strong interest to scholars and researchers of politics nationalism ethnic conflict and European studies **Language Policy and Language Situation in Ukraine**

Juliane Besters-Dilger,2009 At head of title INTAS Project Language policy in Ukraine Anthropological Linguistic and Further Perspectives *Language Policy and Conflict Prevention* Iryna Ulasiuk,Laurențiu Hadîrcă,William Romans,2018-04-10

Language policy can promote stability For many individuals and groups language is a key component of identity and threats to it can raise tensions Respect for linguistic rights whilst also considering a state s need to maintain cohesion reduces conflict potential The OSCE High Commissioner on National Minorities promotes functional solutions to such contentious issues and the Oslo Recommendations regarding the Linguistic Rights of National Minorities address these challenges This book analyses the components of a balanced legal and policy framework on language use with a view to preventing conflict In addition to reviewing the work of the OSCE HCNM in this area it also draws upon the expertise of other international

organisations and leading academics working in this field See inside the book *Strategic Frames* Jennie L. Schulze, 2018-03-07 Joseph Rothschild Book Prize Honorable Mention *Strategic Frames* analyzes minority policies in Estonia and Latvia following their independence from the Soviet Union It weighs the powerful influence of both Europe and Russia on their policy choices and how this intersected with the costs and benefits of policy changes for the politicians in each state Prior to EU accession policymakers were slow to adopt minority friendly policies for ethnic Russians despite mandates from the European Union These initiatives faced majority opposition and politicians sought to maintain the status quo and their positions As Jennie L. Schulze reveals despite the credit given to the democratizing influence of European institutions they have rarely produced significant policy changes alone and then only when domestic constraints were low Whenever domestic opposition was high Russian frames were crucial for the passage of reforms In these cases Russia's activism on behalf of Russian speakers reinforced European frames providing powerful justifications for reform Schulze's attention to both the strategic framing and counter framing of external actors explains the controversies delays and suboptimal outcomes surrounding the passage of conditional amendments in both cases as well as the local political climate postaccession *Strategic Frames* offers a significant reference on recent developments in two former Soviet states and the rapidly evolving spheres of political influence in the postindependence era that will serve students scholars and policymakers alike

Mirrors of Justice Kamari Maxine Clarke, Mark Goodale, 2010 *Mirrors of Justice* is a groundbreaking study of the meanings of and possibilities for justice in the contemporary world The book brings together a group of both prominent and emerging scholars to reconsider the relationships between justice international law culture power and history through case studies of a wide range of justice processes The book's eighteen authors examine the ambiguities of justice in Europe Africa Latin America Asia the Middle East and Melanesia through critical empirical and historical chapters The introduction makes an important contribution to our understanding of the multiplicity of justice in the twenty first century by providing an interdisciplinary theoretical framework that synthesizes the book's chapters with leading edge literature on human rights legal pluralism and international law *Human Rights and Minority Rights in the European Union* Kirsten

Shoraka, 2010-06-17 Examines the development and the role of human rights in the European Union arguing that human rights have become an important component of the foreign policy of the European Union This book analyses the EU's policy on minorities as a particular example of human rights *Religion, Secular Beliefs and Human Rights* Natan

Lerner, 2006-06-01 This second edition of the book updates the information on relevant developments that took place in the time elapsed and incorporates several new chapters on important issues related to religious freedoms Such are the chapters on freedom from religion religion and freedom of association religion and freedom of expression including the controversy with respect of defamation of religions and group rights and legal pluralism The order of the chapters has been rearranged

Transitional Justice and the 'Disappeared' of Northern Ireland Lauren Dempster, 2019-06-11 This book employs a

transitional justice lens to address the disappearances that occurred during the Northern Ireland conflict or Troubles and the post conflict response to these disappearances Despite an extensive literature around dealing with the past in Northern Ireland as well as a substantial body of scholarship on disappearances in other national contexts there has been little scholarly scrutiny of disappearances in post conflict Northern Ireland Although the Good Friday Agreement brought relative peace to Northern Ireland no provision was made for the establishment of some form of overarching truth and reconciliation commission aimed at comprehensively addressing the legacy of violence Nevertheless a mechanism to recover the remains of the disappeared the Independent Commission for the Location of Victims Remains ICLVR was established and has in fact proven to be quite effective As a result the reactions of key constituencies to the disappearances can be used as a prism through which to comprehensively explore issues of relevance to transitional justice scholars and practitioners Pursuing an interdisciplinary approach and based on extensive empirical research this book provides a multifaceted exploration of the responses of these constituencies to the practice of disappearing It engages with transitional justice themes including silence memory truth acknowledgement and apology Key issues examined include the mobilisation efforts of families of the disappeared efforts by a former non state armed group to address its legacy of violence the utility of a limited immunity mechanism to incentivise information provision and the interplay between silence and memory in the shaping of a collective societal understanding of the disappeared
