Quiet In The Land:

Quiet in the Land, by Anne Chislett, [directed by James Roy]. ,1983 *Quiet in the Land* Anne Chislett,1996-11
Jacob Yock Bauman a young member of an Amish community near Kitchener Ontario chafes at the strict and he believes outmoded beliefs of his elders particularly those of his father Christy World War I is raging in Europe and most of Canada s young men have gone off to fight with the British forces but the Amish because of their pacifist convictions have refused to join the war effort By deciding to enlist Yock alienates himself not only from family and community but also from the lovely Katie Brubacher with whom he has fallen in love When Yock returns from the war Katie has wed someone else and ironically the very acts of bravery which have made him a hero to the rest of Canada have made Yock a bloody handed villain to his own people Although the compassionate Katie offers to leave her husband and go off with him Yock accepts his status as an outcast and departs alone but not before admitting that while standing over the body of a slain German soldier the meaning of pacifism was at last powerfully revealed to him In the end Yock s stern father now a bishop is vindicated but at the loss of the one he sought to save his beloved and only son Playdatabase com **Quiet in the Land [text (large Print)]** Chislett, Anne,1995 **Quiet In the Land (tour)** Blyth Festival Theatre Archives,Daniel Irvine,Anne Chislett,Off-Broadway Circle Rep Theatre,1986 An Empire of Ice Edward J. Larson,2011-05-31 A Pulitzer Prize winning author examines South Pole expeditions wrapping the science in plenty of dangerous drama to keep readers engaged Booklist An Empire of Ice presents a fascinating new take on Antarctic exploration placing the famed voyages of Norwegian explorer Roald Amundsen his British rivals Robert Scott and Ernest Shackleton and others in a larger scientific social and geopolitical context Recounting the Antarctic expeditions of the early twentieth century the author reveals the British efforts for what they actually were massive scientific enterprises in which reaching the South Pole was but a spectacular sideshow By focusing on the larger purpose of these legendary adventures Edward J Larson deepens our appreciation of the explorers achievements shares little known stories and shows what the Heroic Age of Antarctic discovery was really about Rather than recounting the story of the race to the pole chronologically Larson concentrates on various scientific disciplines like meteorology glaciology and paleontology and elucidates the advances made by the polar explorers Covers a lot of ground science politics history adventure The New York Times Book Review **Dismembering Lahui** Jonathan Kay Kamakawiwo'ole Osorio,2002-06-30 Jonathan Osorio investigates the effects of Western law on the national identity of Native Hawaiians in this impressive political history of the Kingdom of Hawaii from the onset of constitutional government in 1840 to the Bayonet Constitution of 1887 which effectively placed political power in the kingdom in the hands of white businessmen Making extensive use of legislative texts contemporary newspapers and important works by Hawaiian historians and others Osorio plots the course of events that transformed Hawaii from a traditional subsistence economy to a modern nation taking into account the many individuals nearly forgotten by history who wrestled with each new political and social change A final poignant chapter links past events

with the struggle for Hawaiian sovereignty today Shhhh! The Sound of Sheer Silence Mark G. Boyer, 2019-04-02 The title of this book Shhhh The Sound of Sheer Silence A Biblical Spirituality that Transforms comes from the biblical narrative about the prophet Elijah experiencing God on a mountain in a sound of sheer silence Many people seek a way of life that involves silence because it nourishes the individual spirit connected to Spirit Developing a spirituality of silence enables the individual spirit to connect to the divine Spirit The transformation that occurs through silence here and now is an experience of what awaits after the last transfiguring experience of our lives death The goal of this book is to foster a spirituality of silence as it flows from the Bible Through the sounds of sheer silence the reader develops a biblical spirituality that transforms him or her into a raised awareness of a deeper knowledge of and a closer relationship with the divine **The Quiet in the Land**
