**The Happy Friday Email** Linda Lapointe, 2014-08-18 So how many emails would you say you receive in a week that you ACTUALLY look forward to reading? If you don't include personal emails, then probably not many. Well, within this book, you will find 52 emails to enjoy. One for every Friday in the year. Let's make one thing clear: this book is like no other book that you've read. It's not a typical cookie-cutter type book. Through engaging email conversations with the readers, the author inspires them to think outside the box, to love fiercely, and to above all, enjoy every day. The emails are a breath of fresh air that allow the readers to find a quick and entertaining way to take their minds off of the daily grind and their woes. Sometimes the ideas are fun and upbeat, or sometimes the ideas will transform the way the reader may view his or her own life. Then there will be times when the reader will just enjoy a laugh-out-loud moment that is described through the author's wild and wacky sense of humor and how she views life. This book does good for the soul. The author writes with a tell-it-like-it-is approach to life through her own life experiences. She connects to the reader through her willingness to be open and vulnerable and to fully appreciate the wonders of everyday life.
