## **Quiet Fire Memoirs Of Older Gay Men:**

**Quiet Fire** Keith Vacha, 1985      *Gay Midlife and Maturity* John Alan Lee, 1991 Aging is stressful for anyone in youth oriented Western societies Elderly people encounter difficulties and discrimination sometimes because of reduced income transportation and housing problems and failing health but often due to the persistent negative stereotypes that color others attitudes and behavior toward old people Gay men and lesbians experience these stresses as well as the numerous additional problems associated with their sexual orientation *Gay Midlife and Maturity* is a dynamic and positive volume that challenges the long held stereotype of the sad and lonely old homosexual A growing body of international literature much of which is featured in this book rejects this myth and illustrates that older gay men and lesbians cope well with the aging process and are comparable to younger homosexuals in social and psychological adjustment A much needed and major contribution *Gay Midlife and Maturity* contains an enormous amount of information for readers interested in gerontology and homosexuality Experts for the first time examine the relationship between the adjustment of gay people to later life and the age and sequence of the resolution of these typically early developmental processes raising many questions about traditional theories of gay development The existing contradictions and debates about gay men and accelerated aging are addressed Other valuable chapters focus on a theory of successful aging a comparison of the traditional gay community pre Stonewall versus the organized gay community the vital role of communication in gay relationships the sexual attitudes and behaviors of older gay men and much more Additional interesting and worthwhile chapters of this thought provoking new book include an in depth interview with Don Bachardy about his 33 year relationship Christopher Isherwood a renowned English writer who was 30 years his senior and a review of the growing literature on gay aging      **Coming Out Under Fire** Allan Bérubé, 2010-09-07 During World War II as the United States called on its citizens to serve in unprecedented numbers the presence of gay Americans in the armed forces increasingly conflicted with the expanding antihomosexual policies and procedures of the military In *Coming Out Under Fire* Allan Bérubé examines in depth and detail these social and political confrontation not as a story of how the military victimized homosexuals but as a story of how a dynamic power relationship developed between gay citizens and their government transforming them both Drawing on GIs wartime letters extensive interviews with gay veterans and declassified military documents Bérubé thoughtfully constructs a startling history of the two wars gay military men and women fought one for America and another as homosexuals within the military Bérubé's book the inspiration for the 1995 Peabody Award winning documentary film of the same name has become a classic since it was published in 1990 just three years prior to the controversial don't ask don't tell policy which has continued to serve as an uneasy compromise between gays and the military With a new foreword by historians John D Emilio and Estelle B Freedman this book remains a valuable contribution to the history of World War II as well as to the ongoing debate regarding the role of gays in the U S military      *The Changing of the Guard* Dana Rosenfeld, 2003 One of the first books to link identity age and

gender The Changing of the Guard offers a significant meditation on the politics of older lesbians and gays Combining interviews and sustained critical thought Rosenfeld links the development of lesbian and gay elders identity with the key moments in the 20th century reinvention of homosexuality In doing so she bridges the gap between history and interaction that has characterized and constrained previous studies of identity Rosenfeld first summarizes the meaning of homosexuality that prevailed when her subjects came of age and the radical changes it underwent during their middle years She uses these changes to trace the paths they took toward one of two homosexual identities a discreditable one adopted before the advent of gay liberation or an accredited one adopted during and through those momentous years She theorizes that there is the existence of two distinct identity cohorts shaped by a willingness or resistance to accept the historical forces at work on lesbian and gay identity Such decisions on identities Rosenfeld argues strongly shaped her subjects in later life specifically their understanding of th

*Midlife and Older LGBT Adults* Ski Hunter,2013-10-11 Gain insight into the various practice issues that arise when working with midlife and older LGBT persons Take a unique look at the lives of midlife and older LGBT persons in *Midlife and Older LGBT Adults* This book reviews various life arenas in which midlife and older LGBT persons exist and the problems with which they cope It addresses the lives of this group from their sexual identities to their family and work situations The book includes research based knowledge on issues such as coming out disclosure education work family general positives and negatives and more Not only does this book discuss the lifestyles of individuals in this group but it also includes how social services professionals can respond to their needs in an affirmative way The book provides an overview of practice issues with midlife and older LGBT persons to help social workers and other human services workers treat individuals in this group more effectively It also identifies changes in diagnostics treatments and human services The book presents numerous studies involving midlife and older LGBT persons and an extensive reference list for further information In *Midlife and Older LGBT Adults* you ll learn how to help individuals in this group deal with coming out the positives and the negatives disclosure to different audiences benefits of community involvement and participation family lives including friends and significant others transitions and downturns HIV AIDS victimization loneliness loss and much more This book will appeal to any social services professional interested in or working with individuals in this population It serves as a useful resource for human services workers and administrators by outlining practice issues It is also suitable as a textbook for students in courses on adult development and aging Midlife and older LGBT persons will find this book to be an engaging look at the lives of their peers Make this one of a kind book part of your collection

**As Long as We Both Shall Love**  
Karen M. Dunak,2016-04-05 In *As Long as We Both Shall Love* Karen M Dunak provides a nuanced history of the American wedding and its celebrants Blending an analysis of film fiction advertising and prescriptive literature with personal views from letters diaries essays and oral histories Dunak demonstrates the ways in which the modern wedding epitomizes a diverse and consumerist culture and aims to reveal an ongoing debate about the power of peer culture media and the

marketplace in America      **Lesbian and Gay Studies** Theo Sandfort, 2000-07-28 This timely book seeks to demonstrate the coherence of lesbian and gay studies It introduces the reader to the principal inter disciplinary approaches in the field and critically assesses their strengths and weaknesses whilst asking What is lesbian and gay studies When did it emerge And what are its achievements and research agenda The gay and lesbian movement has emerged as a major political and cultural force It poses a series of far reaching questions about the organization of identity the operation of power and the limits of tolerance Lesbian and Gay Studies has emerged as a vital and enriching field It offers challenges to more traditional disciplines and requires new forms of thought about the connections between acad      **Now that You're Out of the Closet** Linda Handel, 2000 A witty helpful book that offers solid advice for gay men and women on a full range of life concerns including lingering childhood issues dating sex and love spirituality dealing with intolerance and addressing addictions in a way that is always direct open and honest lambdarising com      **A Queer World** City University of New York. Center for Lesbian and Gay Studies, 1997-04 This compendious cutting edge volume offers a broad array of the most provocative gay lesbian bisexual and transgender scholarship produced by the Center for Lesbian and Gay Studies CLAGS over the first decade 1986 1996 of its existence at the CUNY Graduate School      Documents of Life 2 Ken Plummer, Kenneth Plummer, 2001-03-20 This study champions the use of life stories and other personal documents in social research It considers recent developments in the humanist approach to social research looking at writing and narrative memory and the auto biographical society      **Gay Men's Sexual Stories** Robert Reynolds, Gerard Sullivan, 2003 Investigation of the role of sex in everyday lives of gay men With emphasis on psychosocial and emotional context the contributors explicitly describe their sex lives and sexual attitudes in a variety of situations The editors share their expertise and insights into these narratives and into the academic literature on gay men at midlife      *Psychology and Sexual Orientation* Janis S. Bohan, 1996-09-24 Psychology and Sexual Orientation strives to come to terms with lesbian gay and bisexual life and with the controversial scientific and sociocultural theories and arguments on the origin and meaning of homosexuality and queer life in the US Janis M Bohan disrupts conventional psychological perspectives on queer life and identity and animates the ongoing debate between essentialism and constructionism Bohan discusses the meaning of sexual orientation lesbian gay and bisexual identity development and stigma management diversity in experiences partners and parenting and lesbian gay and bisexual communities      Telling Sexual Stories Ken Plummer, 2002-11-01 This book explores the rites of a sexual story telling culture and examines the nature of these newly emerging narratives and the socio historical conditions that have given rise to them      *Queer Representations* Martin Duberman, 1997-05 Collection of essays on gender and sexual nonconformity with emphasis on its expression in art and literature      **The Lavender Scare** David K. Johnson, 2023-03-22 A new edition of a classic work of history revealing the anti homosexual purges of midcentury Washington In The Lavender Scare David K Johnson tells the frightening story of how during the Cold War homosexuals were considered as dangerous a

threat to national security as Communists Charges that the Roosevelt and Truman administrations were havens for homosexuals proved a potent political weapon sparking a Lavender Scare more vehement and long lasting than Joseph McCarthy's Red Scare Drawing on declassified documents years of research in the records of the National Archives and the FBI and interviews with former civil servants Johnson recreates the vibrant gay subculture that flourished in midcentury Washington and takes us inside the security interrogation rooms where anti homosexual purges ruined the lives and careers of thousands of Americans This enlarged edition of Johnson's classic work of history the winner of numerous awards and the basis for an acclaimed documentary broadcast on PBS features a new epilogue bringing the still relevant story into the twenty first century

Families We Choose Kath Weston,1997 This study brings together two areas of investigation relationships of gay and lesbian individuals with their biological families and lesbian and gay relationships in the context of research on alternative forms of family

Culturally Diverse Mental Health Jeffery Scott Mio,Gayle Y. Iwamasa,2013-12-02 First published in 2003 The most comprehensive book on the topic of multicultural mental health Culturally Diverse Mental Health addresses the challenge of counseling diverse populations including multiracial homosexual geriatric and disabled individuals Because many clients of diverse backgrounds have entered therapy in the last two decades old models of treatment based on the mainstream majority no longer apply This book compiles the latest research on a widely diverse number of populations and addresses the issue of resistance to the need to modify old practices to apply to these populations

**Speaking for Vice** Jonathan Weinberg,1993-01-01 Grapples with the problems of identifying homosexual content in a work of art showing how artists often used sexual codes to communicate to their subculture The major part of the book is a discussion of Demuth's and Hartley's lives and works

**Gay and Gray** Raymond Mark Berger,1996 In the absence of accurate information American culture has upheld a distorted view of what it means to be an older gay man Gay and Gray is the first and only scholarly full length treatment of older gay men in America today It breaks the stereotype that older gay men are strange lonely creatures and reveals that most older gay men are well adjusted to their homosexuality and the aging process This second edition contains four new chapters that present additional perspectives on the reality of gay aging Dr Minnigerode's study shows that older gay men do not perceive themselves as growing old faster than their heterosexual counterparts and that forty is the age at which most gay men believe that the label young no longer applies this finding led Berger and other researchers to define older gay men as those over forty Pope and Schulz confirm Berger's finding that for most older gay men a continuation of sexual activity and sexual enjoyment is the norm John Grube's paper on the interaction of older gay men with younger gay liberationists explores the cultural divide between today's older gay man and his younger counterpart filling a gap left in the first edition And a concluding chapter by Richard Friend on a theory of successful gay aging summarizes much of the current thinking about this topic The true situation of the older homosexual male presented in Gay and Gray challenges preconceptions about what it means to be old and gay It asserts that in most ways older gay men

are indistinguishable from other older people. Because the book portrays older gay men in a realistic and sympathetic light, it is therapeutic for the many gay men who have been burdened with society's negative and distorted views about them. These men may compare their own lives to those of the respondents described in the book. *Gay and Gray* offers younger gay men a rare glimpse into their futures and enlightens and comforts those who count older gay men among their family and friends. The conclusions drawn in the book will change people's perspectives and offer new ways of thinking for and about older gay men. *Gay and Gray* is filled with rich case histories and treats its subject with dignity and compassion. Topics of focus include love relationships, social and psychological adjustment, gay community, self-acceptance, being in the closet, and coming out as a gay person, intergenerational attitudes, popular stereotypes. As the first intensive interview and questionnaire study of gay men aged 40 and older in America, *Gay and Gray* examines the lives of these men in light of cultural stereotypes. Author Berger asks about the social lives of these men, their involvement in both the heterosexual and homosexual communities, their coming out experiences, their attitudes about younger gays, their experiences in growing older, and their strategies for adapting to life's challenges. In the study, Berger reveals that contrary to stereotypic views, most older gay men are well integrated into social networks and lead active and generally satisfying lives. He found that few live alone; most scored as well as younger gays on measures of psychological adjustment, such as self-acceptance; many are open about their homosexuality with family, friends, and colleagues; and the most well-adjusted older gay men were integrated into a homosexual community associated with younger gay men and were unwilling to change their sexual orientation.

**An Introduction to GLBT Family Studies** J. Jerry Bigner, 2013-05-13. Gain a better understanding of the special therapeutic issues and needs of GLBT families. In terms of research, GLBT families constitute a neglected segment of society. Gender and sexual orientation can make the issues in family studies even more difficult to work through. *An Introduction to GLBT Family Studies* tackles a challenging research topic by presenting noted experts examining the latest information on the newest type of family studies: GLBT families. This groundbreaking text explores a wide range of unique problems faced by nontraditional families as well as issues common to traditional families that need to be approached with a GLBT perspective. Though homophobia and heterosexism constantly influence GLBT families, these factors do not necessarily overwhelm the dynamic of their basic family unit. Issues present in many traditional families are found when researching GLBT families. *An Introduction to GLBT Family Studies* spotlights the issues, research, and future trends that provide a foundation for the study of GLBT families. This breakthrough volume focuses not only on the obvious unique factors within GLBT families but also on the elements encountered within families that are present regardless of sexual orientation and gender, such as physical and emotional abuse. Expert contributors present research findings on family pattern issues relating to parent-child relationships, child development, sibling relationships, family structure, intimate relationships, stepfamilies, alternative family structures, and extended family relationships. Each chapter is extensively referenced and offers possibilities for further research. *An*

Introduction to GLBT Family Studies discusses family studies topics such as the impact of the family of origin life course perspective transgender identity issues and the family when a spouse comes out as gay lesbian or bisexual a study of lesbian couples adapting genogram techniques in therapy research comparing siblings of different sexual orientations studies of patterns of responses to parental reactions to learning their offspring are gay lesbian or bisexual the polyamory structure to some gay men's familial relationships same sex marriages and legalized relationships gay male couples roles in today's society the impact of heterosexism on working with same sex relationships research on long term lesbian couples An Introduction to GLBT Family Studies is a valuable reference for academic researchers in family studies marriage and family therapy social work and counseling educators upper division undergraduate and graduate students and anyone interested in better understanding GLBT family studies
