Ferguson, Winthrop Parkhurst, Louise Saunders, 2023-08-15 The Atlantic Book of Modern Plays stands as a testament to the diverse landscapes of early 20th century drama encapsulating a range of literary styles from the poetic to the naturalistic. This anthology showcases the rich tapestry of cultural and intellectual movements that characterized the era featuring plays that delve into existential questions, societal norms, and the human condition with unparalleled depth and variety. The collection draws together works that while distinct in voice and approach share an underlying exploration of modernity making it a crucial compilation for understanding the period's dramatic evolution. Noteworthy are the contributions that mingle folklore with modernist sensibilities creating a unique dialogue between the past and present. The authors and editors behind this anthology were pivotal figures in their respective literary circles hailing from diverse backgrounds but united by their contributions to modern drama and literature. Figures like Yeats and Synge are synonymous with the Irish Literary Revival while others like O'Neill and Galsworthy bring perspectives from American and English theatre respectively. This blend of cultural and national backgrounds not only highlights the global nature of modernist themes but also reflects the varied ways these themes were explored across different societies and stages. Their collective works here underline the shifts in narrative style, thematic concern, and character depiction that mirror the tumultuous changes of their time. Inviting readers into the world of early 20th century drama, The Atlantic Book of Modern Plays offers a unique opportunity to experience a plethora of artistic visions and narratives within a single collection. For scholars, students, and enthusiasts of modern literature and drama, this anthology not only serves as an educational resource but also as a platform for witnessing the dialogue between disparate yet interconnected voices. Embracing this collection affords a deeper appreciation for the breadth and depth of modernist exploration in drama, making it an indispensable addition to any literary library.

The Deep Down Things Amber C. Haines, Seth Haines, 2023-10-17 There's no escaping it everyone experiences seasons of pain and despair. In 2019 when Amber Haines resigned from her position as church curate and walked out the church doors for the last time she entered her own season of pain and despair. That season taught her and her husband Seth Haines that the journey toward hope starts with recognizing the deep down things. In The Deep Down Things Amber and Seth point to a simple truth even in the darkest times there are tangible signs of hope all around us. The authors demonstrate how tasting, touching, feeling, holding, and participating in these tangible acts of hope picks us up, builds our strength, and moves us into beauty even in times of despair. They invite readers to participate with those signs of hope and thereby experience the divine love of God even in the struggle of their everyday lives. A lifeline for those who desperately need it, this book helps readers overcome despair, find hope, and spread that hope to an aching world.

Howitt, 1845 *Geisha* Liza Dalby, 2008-12-10 Discusses the geisha practitioners of music and dance and unmarried companions to the Japanese male elite **The Complete Works of G. A. Henty** G. A. Henty, 2022-11-13 The Complete Works of G. A. Henty presents a remarkable collection of historical novels that vividly transport readers to pivotal moments in the past. Henty's literary style is characterized by meticulous research and gripping narratives seamlessly blending factual history with thrilling adventure. His ability to infuse action with historical accuracy serves as both entertainment and education, making the experience of reading these works richly immersive. The collection spans various periods from the Middle Ages to colonial times, reflecting Henty's fascination with heroism and moral integrity in the face of adversity. George Alfred Henty, a prolific Victorian author, was deeply influenced by the cultural milieu of his time, notably the British Empire's expansion. Having been a war correspondent and a passionate advocate of imperialism, Henty's personal experiences undoubtedly shaped his literary voice, infusing it with a sense of adventure and patriotic fervor. His novels often feature young protagonists who embark on exhilarating quests, overcoming challenges that echo the ideals of Victorian society. For readers seeking a captivating journey through history, The Complete Works of G. A. Henty offers an enthralling collection that is both educational and entertaining. Unraveling tales of bravery, exploration, and triumph, this compendium is essential for anyone interested in classic literature and historical adventures, providing a window into the values of an intriguing era. **In the Chair** John Brown, 2002 All of the poets interviewed in this collection are from Northern Ireland; all were born after 1920 and each has published at least one volume of poetry. Arranged chronologically by each poet's date of birth, this collection deals with an impressive body of work. The poets include Seamus Heaney, Paul Muldoon, Michael Longley, John Montague, Derek Mahon, Ciaran Carson, as well as less-known voices including Gerald Dawe, Roy McFadden, and Conor O'Callaghan. The interviews explore the poet's work and development, the social/historical context, and the impact of assimilated influences. If they explore a poetry often rooted in the North, they also suggest the individuality and diversity of this poetry, of work whose imaginative range is not circumscribed by either literal borders or critically convenient categories. The other poets included are James Simmons, Tom Paulin, Frank Ormsby, Medbh McGuckian, Robert Greacen, Cathal P. Searcaigh, Colette Bryce, Moyra Donaldson, Jean Bleakney, Martin Mooney, Padraic Fiacc, and Cherry Smyth. **Sandcastle Inn (A Hope Harbor Novel Book #10)** Irene Hannon, 2024-04-02 Family is complicated. But true love doesn't have to be. Vienna Price never intended to return for more than a passing visit to Hope Harbor and all the bad memories she'd left behind. But when your career tanks, home is where you go to nurse your wounds and chart a new course. Only temporarily, of course, because as much as she loves her quirky mom, anything more than a short stay would drive them both crazy. A trip to Oregon isn't in Matt Quinn's plans either until a perfectly timed appeal for help arrives from his sister. What better place to decompress after a shattering loss than a quiet seaside town named Hope Harbor? But R.R. isn't on the agenda when he arrives to find his sister's new enterprise on life support. Vienna may have just the skills needed to resuscitate the foundering B.B. if Matt can convince her to hang
