Quiet Voice Of God:

The Still Small Voice of God Constance S. Johnson, 2010-10 That day changed everything That day began a purposeful life filled with abundant blessings That day was the day that changed her life Through her brokenness Constance Johnson accepted the Holy Spirit into her life It was a long time coming but she finally realized the call on her life from the Holy Spirit From that day on even though life still wasn't easy she had a friend confidant and protector She was faced with many trials and tribulations because of the devil and his aim to discourage her believing soul However the devil is no match for the Lord With his gentle guidance she began to trust more readily and the gifts that opened up to her were bountiful She began to directly hear from God and she shared her gift with those that would accept it You too can lead a blessed and encouraged life With meaningful life applications and helpful Scripture this book will encourage the youngest believer to the seasoned Christians Find out what life looks like with the guidance of *A Still Small Voice* *God Is Whispering to You* Christy Pierce, 2013-11-02 What could be more important than hearing God's voice How would things change in your life if you prayed and actually heard God speaking back to you in a way that you knew it was the Spirit of God In this noisy world of iPhones text messages e mails Tweets and all kinds of other voices screaming for your attention it is hard to tune into God's quiet whispering one And yet God is talking to you all the time Using personal inspirational and often comical stories Christy Pierce inspires her readers in a step by step approach to experience God whispering for themselves Practical exercises at the end of each chapter are designed to facilitate hearing God's voice as an individual or in a small group setting You can hear God for yourself You really can May this book be the beginning of a new chapter in your spiritual life a holy adventure where you learn to hear God's voice in ways you never dreamed possible Dare to believe Over the years I have been privileged to intersect with Christy Pierce and have been challenged by her commitment to listen and to respond to God She has reminded me at key moments in my life that I am not just flesh and blood Sara Groves singer songwriter Reading *God Is Whispering to You* is like having your own personal coach for hearing the voice of God It's impossible to read the book and not be more open to what God is saying to you now Jordan Seng author of *Miracle Work* and pastor of Bluewater Mission Christy's style is fun practical and inspirational You'll find all of that in her book If you are serious about knowing and hearing God's voice this is the book to get Dan Chun senior pastor of First Presbyterian Church of Honolulu co founder of Hawaiian Islands Ministries author of *How to Pick A Spouse* This is such an engrossing series of stories so real and entertaining you won't even realize how many points of practical you can do this instruction Christy plants in your heart If you can read *God is Whispering to You* you can hear God and minister in the power of His Spirit It's that simple Daniel A Brown PhD Author of *Embracing Grace and Enjoying Your Journey with God* **Good Morning Conversations with Quiet Voices** Natasha Derrick, 2023-08-18 Learn How to Clarify Your Mind and Transform Your Life Do you feel lost and wonder what your purpose is Do you seek greater clarity of mind Do you want to know why you are here on earth All these truths and more were revealed to the author in the

Quiet Voices Victor H Matthews, 2024-11-05 Silence occurs between words during conversation and between musical notes in a composition and is an indicator of mood and emotion Examining silence in the context of the Bible gives the reader the opportunity to ask significant questions about why silence occurs its value to life and how it relates to our understanding of God

Hearing the Still Voice of God and Being Sensitive to Him Jessica Alexis Rosas, 2019-08-28 Hearing the Still Voice of God and Being Sensitive to Him is a book inspired by the Lord to help you recognize his voice Sometimes we complain that he never speaks or that we never hear him in desperate times but one thing we need to ask ourselves is are we listening Are we recognizing who is speaking to us Can we hear our Father's voice clearly This book will help you learn how to discern God's voice from the enemy's voice because as 2 Corinthians 11:13-15 says even Satan comes as an angel of light to deceive us so it is important we know who is speaking to us and why In these end times it is very critical that we start listening to the instructions God is giving to us The Lord speaks in many beautiful ways which this book will dive into and you will learn how to quickly recognize and hear his still voice This book will help you discern the spirits around you that will help you become more aware of the enemy's tricks This book is also a spiritual guide to help you grow and understand the spiritual world around you Hearing the Still Voice of God and Being Sensitive to Him is for all ages who are seeking the presence of God at a deeper and more intimate level Be ready to learn be corrected grow and receive all that God is speaking to us in these last days Have a humble heart and hear the still voice of God
