

Quran And Woman

Asma Barlas

Quran And Woman:

Qur'an and Woman Amina Wadud, 1999-06-10 Fourteen centuries of Islamic thought have produced a legacy of interpretive readings of the Qur'an written almost entirely by men. Now with *Qur'an and Woman* Amina Wadud provides a first interpretive reading by a woman, a reading which validates the female voice in the Qur'an and brings it out of the shadows. Muslim progressives have long argued that it is not the religion but patriarchal interpretation and implementation of the Qur'an that have kept women oppressed. For many, the way to reform is the reexamination and reinterpretation of religious texts. *Qur'an and Woman* contributes a gender inclusive reading to one of the most fundamental disciplines in Islamic thought. Qur'anic exegesis Wadud breaks down specific texts and key words which have been used to limit women's public and private role even to justify violence toward Muslim women, revealing that their original meaning and context defy such interpretations. What her analysis clarifies is the lack of gender bias, precedence or prejudice in the essential language of the Qur'an. Despite much Qur'anic evidence about the significance of women, gender reform in Muslim society has been stubbornly resisted. Wadud's reading of the Qur'an confirms women's equality and constitutes legitimate grounds for contesting the unequal treatment that women have experienced historically and continue to experience legally in Muslim communities. The Qur'an does not prescribe one timeless and unchanging social structure for men and women. Wadud argues lucidly, affirming that the Qur'an holds greater possibilities for guiding human society to a more fulfilling and productive mutual collaboration between men and women than as yet attained by Muslims or non-Muslims. *Qur'an and Woman* Amina Wadud, 1999

Believing Women in Islam Asma Barlas, 2019-01-16 Does Islam call for the oppression of women? Non-Muslims point to the subjugation of women that occurs in many Muslim countries, especially those that claim to be Islamic, while many Muslims read the Qur'an in ways that seem to justify sexual oppression, inequality and patriarchy. Taking a wholly different view, Asma Barlas develops a believer's reading of the Qur'an that demonstrates the radically egalitarian and antipatriarchal nature of its teachings. Beginning with a historical analysis of religious authority and knowledge, Barlas shows how Muslims came to read inequality and patriarchy into the Qur'an to justify existing religious and social structures and demonstrates that the patriarchal meanings ascribed to the Qur'an are a function of who has read it, how and in what contexts. She goes on to reread the Qur'an's position on a variety of issues in order to argue that its teachings do not support patriarchy. To the contrary, Barlas convincingly asserts that the Qur'an affirms the complete equality of the sexes, thereby offering an opportunity to theorize radical sexual equality from within the framework of its teachings. This new view takes readers into the heart of Islamic teachings on women, gender and patriarchy, allowing them to understand Islam through its most sacred scripture rather than through Muslim cultural practices or Western media stereotypes. For this revised edition of *Believing Women in Islam*, Asma Barlas has written two new chapters: Abraham's Sacrifice in the Qur'an and Secular Feminism and the Qur'an, as well as a new preface, an extended discussion of the Qur'an's wife-beating verse and of men's

presumed role as women's guardians and other updates throughout the book

Women in the Qur'an, Traditions, and Interpretation Barbara Freyer Stowasser, 1994 Islamic ideas about women and their role in society spark considerable debate both in the Western world and in the Islamic world itself. Despite the popular attention surrounding Middle Eastern attitudes toward women, there has been little systematic study of the statements regarding women in the Qur'an. Barbara Stowasser fills this void with this study on the women of Islamic sacred history. *Women in the Qur'an: Traditions and Interpretation* presents the Qur'anic revelations on female figures associated with God's prophets from Adam to Muhammad. Revealed narratives and legislation are then pursued through their medieval, modern, and contemporary interpretations. The theological exegetic sources here chosen all Sunni include the major classical works as well as for the modern period examples of modernist, traditionalist, and fundamentalist exegesis. For Hadith materials beyond the theological tafsir, Stowasser analyzes both popular narratives of the tales of the prophets, genre, and representative samples of the classical historical and legal Hadith. A close reading of modern sources including those by lay writers shows the waning influence of these traditional materials in present-day Islamic thought. By telling the stories of the women of sacred history in Qur'an and interpretation, this book presents an introduction to past and present Islamic paradigms of doctrine and their socio-economic and political applications. Stowasser establishes the link between the female figures as cultural symbols and Islamic self-perceptions from the beginning to the present time.

Book Jacket *The Rights of Women in Islam* Asghar Ali Engineer, 1992 This book is a long overdue reassessment of women's rights in Islam which have long been widely misunderstood and misinterpreted. The fundamentalists, unmindful of the social context in which Qur'anic verses on the subject were written, have tried to portray men as superior human beings to women. The author, a renowned scholar, has sought to set the record straight by reinterpreting the women's rights in the true Qur'anic spirit. He argues quite convincingly that the Holy Book gives equal rights to both the sexes and that it does not discriminate between them in respect of personal, democratic, and human rights. An activist in women's struggle for equality, he has provided Muslim feminists with a powerful weapon in their fight for equality with men. He examines in depth the question whether in secular society Muslim Personal Law needs any change and if so in which direction reforms should be undertaken.

Woman's Identity and the Qur'an Nimat Hafez Barazangi, 2006 An original study of the Qur'anic foundations of women's identity and agency, this book is a bold call to Muslim women and men to reread and reinterpret the Qur'an and to discover within its revelations an inherent affirmation of gender equality. Barazangi asserts that Muslim women have been generally excluded from full participation in Islamic society and thus from full and equal Islamic identity primarily because of patriarchal readings of the Qur'an and the entire range of early Qur'anic literature. Based on her study of the sacred text, she argues that Islamic higher learning is a basic human right that women have equal authority to participate in the interpretation of Islamic primary sources and that women will realize their just role in society and their potential as human beings only when they are involved in the interpretation of the Qur'an. Barazangi

offers a curricular framework for self teaching that could prepare Muslim women for an active role in citizenship and policymaking in a pluralistic society by affirming the self identity of the Muslim woman as an autonomous spiritual and intellectual human being

Feminist Edges of the Qur'an Aysha A. Hidayatullah, 2014 Aysha A Hidayatullah offers the first comprehensive examination of contemporary feminist Qur'anic interpretation exploring its dynamic challenges to Islamic tradition and contemporary Muslim views of the Qur'an

Woman in Islamic Shari'ah Vahiduddin Khan, 2000 The book tries to clear the notion that to interpret the Islamic concept of woman as degradation of woman is to distort the actual issue Islam has never asserted that woman is inferior to man it has only made the point that woman is differently constituted The prophet used a parable to explain the delicacy of women's nature pointing out that they should be treated in accordance with their nature Their delicate emotional constitution should always be borne in mind

Women in Islam and the Middle East Ruth Roded, 1999-01-15 Much of the lively and often heated debate on the role of women in Islam and Middle Eastern society is grounded in different readings of the primary sources and historical precedents But despite the increasing importance of this debate these key texts have remained inaccessible to English speaking readers This book fills the gap by collecting extracts from a range of sources dating from the early Islamic period until today The readings cover various aspects of women's experience legal domestic political religious and cultural They are accompanied by introductions that explain the background of each source and discuss some of the questions it raises while bibliographies direct readers to additional material

Inside the Gender Jihad Amina Wadud, 2006-06 In this insightful study Amina Wadud introduces the feminist movement in Islam and delves into its challenges textual foundations in the Qur'an and its achievements

Women and Men in the Qur'an Asma Lamrabet, 2018-05-02 This book distinguishes Islam as a spiritual message from the sociopolitical context of its revelation While the sacred text of the Quran reveals a clear empowerment of women and equality of believers such spirit is barely reflected in the interpretations Trapped between Western rhetoric that portrays them as submissive figures in desperate need of liberation and centuries old parochial interpretations that have almost become part of the sacred Muslim women are pressured and profoundly misunderstood Asma Lamrabet laments this state of affairs and the inclination of both Muslims and non Muslims to readily embrace flawed human interpretations that devalue women rather than remaining faithful to the meaning of the Sacred Text Full of insight this study carefully reads the Qur'an to arrive at its deeper spiritual teachings

My Soul is a Woman Annemarie Schimmel, 1997 An internationally acclaimed scholar who has dedicated more than fifty years of her life to understanding the Islamic world Annemarie Schimmel examines a much misunderstood feature of Islam the role of women Schimmel is critical of those especially Western feminists who take Islam to task without taking the time to comprehend the culture's language and traditions of the many societies in which Islam is the majority religion Shattering stereotypes Schimmel reconstructs an important but little known chapter of Islamic spirituality With copious examples she shows the clear equality of women and men in the conception of the Prophet

Muhammad the Quran the feminine language of the mystical tradition and the role of holy mothers and unmarried women as manifestations of God This work is studded with luminous texts from Arabic Turkish Persian and particularly Indo Muslim cultures which reveal how physical love can give expression to the highest forms of mysticism *Women in Islam* Abdur Raheem Kidwai,2020-08-01 Women in Islam is an attractive book of simple compilation of quotations from the Qur'an and Hadith collections that refer to or address women specifically It engages the reader in a moment of reflection on the Islamic view of womanhood her existence as a creation of Allah her role as a positive stakeholder in building a God conscious society and her capacity for attaining proximity with Allah *The Oxford Handbook of Islam and Women* Asma Afsaruddin,2023 The Oxford Handbook of Islam and Women offers authoritative contributions from well known scholars whose sophisticated and cutting edge research explores the diversity of Muslim women's lives and their accomplishments challenging common stereotypes that are particularly prevalent in the West **The Qur'an, Women, and Modern Society** Asgharali Engineer,2005 Reinterprets divine injunctions from the Quran and traditional practices in Islam in light of the fundamental Islamic values of justice and equality on women's status This work presents sociopolitical values and medieval social ethos as the origins of repressive practices discussing controversial issues such as polygamy and family planning *Women and Gender in Islam* Leila Ahmed,2021 A classic pioneering account of the lives of women in Islamic history republished for a new generation This pioneering study of the social and political lives of Muslim women has shaped a whole generation of scholarship In it Leila Ahmed explores the historical roots of contemporary debates ambitiously surveying Islamic discourse on women from Arabia during the period in which Islam was founded to Iraq during the classical age to Egypt during the modern era The book is now reissued as a Veritas paperback with a new foreword by Kecia Ali situating the text in its scholarly context and explaining its enduring influence Ahmed's book is a serious and independent minded analysis of its subject the best informed most sympathetic and reliable one that exists today Edward W Said Destined to become a classic It gives Muslim women back our rightful place at the center of our histories Rana Kabbani The Guardian **Modern Muslim Intellectuals and the Qur'an** Suha Taji-Farouki,Institute of Ismaili Studies,2006-01-26 This volume examines the writings of ten Muslim intellectuals working in the Muslim world and the West who employ contemporary critical methods to understand the Qur'an Their work points to a new trend in Muslim interpretation characterised by a direct engagement with the Word of God while embracing intellectual modernity in a global context The volume situates and evaluates their work and responses to it among Muslim and non Muslim audiences **Women, Islam & Equality - The Rights of Women in Islam** Asgharali Engineer,2008 Women's issues continue to dominate the Islamic world in particular as there has been a very gradual change in the status of women in the Islamic world as a whole This book covers various aspects relating to the status of women in the pre Islamic period customs and traditions forms of marriage divorce and forms of divorce dower traditions regarding slave girls and so on It then goes on to deal with the status of women in the post Islamic period the Qur'anic

concept of women's rights in marriage divorce inheritance custody of children polygamy maintenance property right to earn etc It quotes extensively from the Qur'an and Sunnah It also deals with the Arab *adaat* that is pre Islamic customs and traditions regarding women Altogether it attempts to arm Muslim women with Islamic arguments for their empowerment The author a renowned scholar has sought to set the record straight by reinterpreting women's rights in the true Qur'anic spirit He argues quite convincingly that the Holy Book gives equal rights to both the sexes and it does not discriminate between them as regards personal democratic and human rights The question whether in a secular society Muslim personal law needs any change and if so in which direction the reform should be undertaken is dealt with in detail This third edition contains a chapter On a Muslim Woman Leading the Congregational Prayer This chapter deals with the important aspect of Muslim women's problems and also hopes to further enhance their understanding of the Shari'ah issues

50 Things to Know about Women in Islam 50 Things to Know, Farah Khan, 2019-03-29 Do you want to know the status of women in Islam Do you think Islam discriminate among men and women Do you want to know the rights of the women that Islam gives them If you answered yes to any of these questions then this book is for you 50 things to know about women in Islam by Farah Khan offers a approach to look into the Islamic perspective of women Most books on topic gives a picture regarding status of woman but do not tell you all the details regarding women rights and responsibilities in Islamic perspective This book discusses the topic with evidences from Quran and Hadith at one place In these pages you ll discover the true islamic values This book will help you to understand the status of women that should be given to her in this world By the time you finish this book you will know all about the women in Islamic world So grab YOUR copy today You ll be glad you did

Quran And Woman Introduction

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Quran And Woman free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Quran And Woman free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Quran And Woman free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source

before downloading Quran And Woman. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Quran And Woman any PDF files. With these platforms, the world of PDF downloads is just a click away.

FAQs About Quran And Woman Books

1. Where can I buy Quran And Woman books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
