Rabad Of Posquieres A Twelfth Centur Talmudist Semitic Series No 18:

Reader's Guide to Judaism Michael Terry, 2013-12-02 The Reader's Guide to Judaism is a survey of English language translations of the most important primary texts in the Jewish tradition The field is assessed in some 470 essays discussing individuals Martin Buber Gluckel of Hameln literature Genesis Ladino Literature thought and beliefs Holiness Bioethics practice Dietary Laws Passover history Venice Baghdadi Jews of India and arts and material culture Synagogue Architecture Costume The emphasis is on Judaism rather than on Jewish studies more broadly Rabbinic Authority Michael S. Berger, 1998-10-15 The Rabbis of the first five centuries of the Common Era loom large in the Jewish tradition Until the modern period Jews viewed the Rabbinic traditions as the authoritative contents of their covenant with God and scholars debated the meanings of these ancient Sages words Even after the eighteenth century when varied denominations emerged within Judaism each with its own approach to the tradition the literary legacy of the talmudic Sages continued to be consulted In this book Michael S Berger analyzes the notion of Rabbinic authority from a philosophical standpoint He sets out a typology of theories that can be used to understand the authority of these Sages showing the coherence of each its strengths and weaknesses and what aspects of the Rabbinic enterprise it covers His careful and thorough analysis reveals that owing to the multifaceted character of the Rabbinic enterprise no single theory is adequate to fully ground Rabbinic authority as traditionally understood The final section of the book argues that the notion of Rabbinic authority may indeed have been transformed over time even as it retained the original name Drawing on the debates about legal hermeneutics between Ronald Dworkin and Stanley Fish Berger introduces the idea that Rabbinic authority is not a strict consequence of a preexisting theory but rather is embedded in a form of life that includes text interpretation and practices Rabbinic authority is shown to be a nuanced concept unique to Judaism in that it is taken to justify those sorts of activities which in turn actually deepen the authority itself Students of Judaism and philosophers of religion in general will be intrigued by this philosophical examination of a central issue of Judaism conducted with unprecedented rigor and refreshing creative insight Rabad of **Posquieres** Isadore Twersky, 2020-02-25 Preliminary Material Life Works Works II Criticism of the Mishneh Torah Sources Disciples and Followers Relation to Philosophy and Kabbalah List of Abbreviations Note on References Bibliography Index Religious Books and Serials in Print ,1982 Catalog of Copyright Entries. Sherwin, 1990-10-01 Novel agenda and methodology for contemporary Jewish scholarship and applies them to a variety of theological Ethcal and legal issues including medical ethics provides an integration of biblical rabbinic and mystical thinking Subject Guide to Books in Print Library of Congress Catalogs Library of Congress, 1964 **Subject Guide to Children's Books in Print 1997** Whitaker's Cumulative Book List ,1958 Bowker Editorial Staff, R R Bowker Publishing, 1996-09 Dictionary Catalog of the Klau Library, Cincinnati Hebrew Union College-Jewish Institute of Religion. Library, 1964 Maimonides and the **Merchants** Mark R. Cohen, 2017-05-12 The advent of Islam in the seventh century brought profound economic changes to the Jews living in the Middle East and Talmudic law compiled in and for an agrarian society was ill equipped to address an increasingly mercantile world In response and over the course of the seventh through eleventh centuries the heads of the Jewish yeshivot of Iraq sought precedence in custom to adapt Jewish law to the new economic and social reality In Maimonides and the Merchants Mark R Cohen reveals the extent of even further pragmatic revisions to the halakha or body of Jewish law introduced by Moses Maimonides in his Mishneh Torah the comprehensive legal code he compiled in the late twelfth century While Maimonides insisted that he was merely restating already established legal practice Cohen uncovers the extensive reformulations that further inscribed commerce into Jewish law Maimonides revised Talmudic partnership regulations created a judicial method to enable Jewish courts to enforce forms of commercial agency unknown in the Talmud and even modified the halakha to accommodate the new use of paper for writing business contracts Over and again Cohen demonstrates the language of Talmudic rulings was altered to provide Jewish merchants arranging commercial collaborations or litigating disputes with alternatives to Islamic law and the Islamic judicial system Thanks to the business letters legal documents and accounts found in the manuscript stockpile known as the Cairo Geniza we are able to reconstruct in fine detail Jewish involvement in the marketplace practices that contemporaries called the custom of the merchants In Maimonides and the Merchants Cohen has written a stunning reappraisal of how these same customs inflected Jewish law as it had been passed down through the centuries **Library of Congress Catalog** Library of Congress, 1960 A cumulative list of works represented by Library of Congress printed cards Dictionary Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library.
