Rabbi Talks With Jesus:

Rabbi Talks with Jesus Jacob Neusner, 2000 Imagine yourself transported two thousand years back in time to Galilee at the moment of Jesus Sermon on the Mount After hearing it would you abandon your religious beliefs and ideology to follow him or would you hold on to your own beliefs and walk away In *A Rabbi Talks with Jesus* Jacob Neusner considers just such a spiritual journey

A Rabbi Talks with Jesus Jacob Neusner, 1993 Straightforward terms concerning why while Christians believe in Jesus Christ and the Kingdom of Heaven Jews believe in the Torah of Moses and a kingdom of priests and holy people on earth

Children of the Flesh, Children of the Promise Jacob Neusner, 2005-02-02 In this provocative follow up to his enormously influential *A Rabbi Talks with Jesus* Jacob Neusner challenges the apostle Paul to debate the true meaning and significance of Judaism Drawing new boundaries for Jewish Christian dialogue Neusner contends that Paul's misinterpretation of Judaism a misinterpretation perpetuated today by many Christians and Jews has resulted in the widespread perception of Judaism as ethnic and particular and Christianity as universal Yet as Neusner clearly demonstrates just as Christianity presents an option to all of God's faithful so too does Judaism's mediation of the voice of God at Sinai echo across the entire world

Rabbi Talks with Jesus Jacob Neusner, 2000-02-16 Placing himself within the context of the Gospel of Matthew Neusner imagines himself in a dialogue with Jesus of Nazareth and pays him the supreme Judaic gesture of respect making a connection with him through an honest debate about the nature of God's One Truth Neusner explains why the Sermon on the Mount would not have convinced him to follow Jesus and why by the criterion of the Torah of Moses he would have continued to follow the teachings of Moses He explores the reasons Christians believe in Jesus Christ and the Kingdom of Heaven while Jews continue to believe in the Torah of Moses and a kingdom of priests and holy people on earth This revised and expanded edition with a foreword by Donald Akenson creates a thoughtful and accessible context for discussion of the most fundamental question of why Christians and Jews believe what they believe

A Rabbi Talks with Jesus Doubleday Publishing,

Jesus, Interpreted Matthew J. Ramage, 2017 In this sequel volume to his *Dark Passages of the Bible* CUA Press 2013 author Matthew Ramage turns his attention from the Old to the New Testament now tackling truth claims bearing directly on the heart of the Christian faith cast into doubt by contemporary New Testament scholarship Did God become man in Jesus or did the first Christians make Jesus into God Was Jesus resurrection a historical event or rather a myth fabricated by the early Church Will Jesus indeed return to earth on the last day or was this merely the naive expectation of ancient believers that reasonable people today ought to abandon

[Encountering World Religions](#) Irving Hexham, 2019-05-21 The diversity of the world's religions has come to the West but believers are often ill equipped for any kind of serious engagement with non Christians In *Encountering World Religions* professor and author Irving Hexham introduces all the world's major religious traditions in a brief and understandable way Hexham outlines key beliefs and practices in each religion while also providing guidance on how to think critically about them from the standpoint of

Phan,2016-01-26 Without question inter religious relations are crucial in the contemporary age While most dialogue works on past and contemporary matters this volume takes on the relations among the Abrahamic religions and looks forward toward the possibility of real and lasting dialogue The book centers upon inter faith issues It identifies problems that stand in the way of fostering healthy dialogues both within particular religious traditions and between faiths The volume s contributors strive for a realization of already existing common ground between religions They engagingly explore how inter religious dialogue can be re energized for a new century **Pope Benedict XVI** Thomas P. Rausch,2009 A study of the theological vision of Pope Benedict XVI with special attention to his view of Scripture as well as his Christology ecclesiology and liturgical theology [A Land Like Your Own](#) Jason M. Silverman, Amy Daughton,2010-09-01 A Land Like Your Own explores the ways the Bible has reused previous traditions and has subsequently been reused by both Jews and Christians The ten essays included cover a broad range of topics in the Hebrew Bible the New Testament and subsequent traditions but they all highlight the many ways in which the traditions associated with Israel have impacted communities A Land Like Your Own will interest anyone involved in biblical studies students and scholars alike through its wide ranging array of topics highlighting how interconnected the many biblical studies subdisciplines truly are **Building Bridges Among Abraham s Children** Edward McGlynn Gaffney, Marcia Sachs Littell, Michael Bazzyler,2025-06-10 Building Bridges Among Abraham s Children honors the extraordinary career of Professor Michael Berenbaum a luminary in Holocaust studies museum design filmmaking and interfaith dialogue With contributions from renowned scholars and close friends the short and highly readable essays in this collection delve into the core themes that have defined Professor Berenbaum s work biblical and postbiblical narratives rabbinic thought and action Jewish commitment to education interreligious relations and Holocaust remembrance From his role in building the US Holocaust Memorial Museum to his pioneering work in preserving survivor testimonies through film Professor Berenbaum s influence is profound and multifaceted and the compelling essays in

this volume serve as a tribute to a scholar whose enduring legacy continues to make a global impact C.S. Lewis—The Work of Christ Revealed P. H. Brazier,2012-08-14 C S Lewis The Work of Christ Revealed focuses on three doctrines or aspects of Lewis s theology and philosophy his doctrine of Scripture his famous mad bad or God argument and his doctrine of christological prefigurement In each area we see Lewis innovating within the tradition He accorded a high revelatory status to Scripture but acknowledged its inconsistencies and shrank away from a theology of inerrancy He took a two thousand year old theological tradition of aut Deus aut malus homo either God or a bad man and developed it in his own way Most innovative of all was his doctrine of christological prefigurement intimations of the Christ event in pagan mythology and ritual This book forms the second in a series of three studies on the theology of C S Lewis titled C S Lewis Revelation and the Christ www.cslewisandthechrist.net The books are written for academics and students but also crucially for those people ordinary Christians without a theology degree who enjoy and gain sustenance from reading Lewis s work *Matthew* Douglas Sean O'Donnell,2013-11-30 Jesus is King Standing as a central theme of the Gospel of Matthew Jesus s kingly authority has profound implications for how we live in the world and interact with those around us In this reader friendly commentary seasoned pastor Doug O Donnell leads us through the first book of the New Testament highlighting key themes and offering helpful illustrations for preaching Drawing on years of pastoral experience O Donnell shows how Matthew s various emphases including Jesus s messianic titles fulfillment of Old Testament prophecy teaching on the kingdom of heaven and present and future role as judge all relate to Christ s kingship Designed to help pastors faithfully preach God s Word this commentary ultimately highlights Matthew s call to all people to worship and obey Jesus our humble King and gracious Savior Part of the Preaching the Word series God Sent His Son Cardinal Christoph Schšnborn,Christoph von Schšnborn,2010-01-01 In this work of Christology Christoph Cardinal Schonborn a world renowned theologian takes as his starting point the Apostle Paul s statement But when the time had fully come God sent for his Son born of woman born under the law so that we might receive adoption as sons Gal 4 4 5 Based on many years of lecturing on Christology Cardinal Schonborn s work moves from the solid conviction of faith that Jesus of Nazareth is the Messiah of Israel the Son of the Living God through the development of the Church s understanding of this truth to the consideration of contemporary issues and the views of various modern theologians Cardinal Schonborn sees Christology as based on the original Illumination granted by the Father in manifesting his Son which divides as if through a prism into a rainbow of Christological themes Christology he writes in every phase of its development follows its path by this light in thy light do we see light Ps 36 10 Christology is always faith seeking understanding trying to understand that to which the believer already says Yes God Sent His Son has the comprehensiveness and scholarly precision of a textbook but the insights and personal relevance of a work of spirituality It carefully explores ancient and medieval questions but also modern issues of Christology **Understanding Islam and Christianity** Josh McDowell,Jim Walker,2013-10-01 For years international apologist Josh McDowell has been

Teacher's Notes on the Teachings of Jesus Christ the Messiah Concerning the Kingdom of God Episcopal Church. Diocese of New York. Sunday School Commission, 1905 Judaism and Christianity Alan Avery-Peck, Jacob Neusner, 2009-11-30 This volume treats the interrelationship between Judaism and Christianity from the first centuries and into modern times paying particular attention to these faiths social cultural and theological interactions The issues covered range from the formation of Jewish and Christian ideology in the context of Roman paganism to the ways in which Christian culture and theology of the medieval and modern periods form a backdrop to the creation of Jewish identity While the historical periods and issues discussed are diverse the result is to suggest the importance of our recognizing the close development of Judaism and Christianity Written by top scholars in Judaic and Christian studies these essays reflect on how the two faiths related to and were shaped by each other as they evolved in shared historical and cultural contexts even as each maintained its own distinctive ideologies and beliefs The Documentary History of Judaism and Its Recent Interpreters Jacob

Neusner, 2012-07-10 The result for the history of Judaism of a documentary reading of the Rabbinic canonical sources illustrates the working of that hypothesis It is the first major outcome of that hypothesis but there are other implications and a variety of new problems emerge from time to time as the work proceeds In the recent past Neusner has continued to explore special problems of the documentary hypothesis of the Rabbinic canon At the same time Neusner notes others join in the discussion that have produced important and ambitious analyses of the thesis and its implications Here Neuser has collected some of the more ambitious ventures into the hypothesis and its current recapitulations Neusner begins with the article written by Professor William Scott Green for the Encyclopaedia Judaica second edition as Green places the documentary hypothesis into the context of Neusner s entire oeuvre Neuser then reproduces what he regards as the single most successful venture of the documentary hypothesis contrasting between the Mishnah s and the Talmuds programs for

the social order of Israel the doctrines of economics politics and philosophy set forth in those documents respectively Then come the two foci of discourse Halakhah or normative law and Aggadah or normative theology Professors Bernard Jackson of the University of Manchester England and Mayer Gruber of Ben Gurion University of the Negev treat the Halakhic program that Neusner has devised and Kevin Edgecomb of the University of California Berkeley has produced a remarkable summary of the theological system Neusner discerns in the Aggadic documents Neusner concludes with a review of a book by a critic of the documentary hypothesis
