**Central Conference of American  
Rabbis**

## **Rabbis Rovings:**

A Rabbi's Rovings Israel Mowshowitz, 1985      **German Rabbis in British Exile** Astrid Zajdband, 2016-06-20 The rich history of the German rabbinate came to an abrupt halt with the November Pogrom of 1938 The need to leave Germany became clear and many rabbis made use of the visas they had been offered Their resettlement in Britain was hampered by additional obstacles such as internment deportation enlistment in the Pioneer Corps But rabbis still attempted to support their fellow refugees with spiritual and pastoral care The refugee rabbis replanted the seed of the once proud German Judaism into British soil New synagogues were founded and institutions of Jewish learning sprung up like rabbinic training and the continuation of Wissenschaft des Judentums The arrival of Leo Baeck professionalized these efforts and resulted in the foundation of the Leo Baeck College in London Refugee rabbis now settled and obtained pulpits in the many newly founded synagogues Their arrival in Britain was the catalyst for much change in British Judaism an influence that can still be felt today      **The Fighting Rabbis** Albert I Slomovitz, 1998-11-01 Reveals the significant and sometimes heroic roles rabbis have played in our nation's defense Rabbi Elkan Voorsanger received the Purple Heart for his actions during the Battle of Argonne Chaplain Edgar Siskin serving with the Marines on Pelilu Island conducted Yom Kippur services in the midst of a barrage of artillery fire Rabbi Alexander Goode and three fellow chaplains gave their own lifejackets to panicked soldiers aboard a sinking transport torpedoed by a German submarine and then went down with the ship American Jews are not usually associated with warfare Nor for that matter are their rabbis And yet Jewish chaplains have played a significant and sometimes heroic role in our nation's defense The Fighting Rabbis presents the compelling history of Jewish military chaplains from their first service during the Civil War to the first female Jewish chaplain and the rabbinic role in Korea Vietnam and Desert Storm Rabbi Slomovitz himself a Navy chaplain opens a window onto the fieldwork religious services counseling and dramatic battlefield experiences of Jewish military chaplains throughout our nation's history From George Washington's early support for a religiously tolerant military to a Seder held in the desert sands of Kuwait these rabbis have had a profound impact on Jewish life in America Also striking are original documents which chronicle the ongoing care and concern by the Jewish community over the last 140 years for their fellow Jews including many new immigrants who entered the armed forces Slomovitz refutes the common belief that the U S military itself has been a hostile place for Jews in the process providing a unique perspective on American religious history      The Rabbi's Wife Shuly Rubin Schwartz, 2007-09-01 2006 National Jewish Book Award Modern Jewish Thought Long the object of curiosity admiration and gossip rabbis wives have rarely been viewed seriously as American Jewish religious and communal leaders We know a great deal about the important role played by rabbis in building American Jewish life in this country but not much about the role that their wives played The Rabbi's Wife redresses that imbalance by highlighting the unique contributions of rebbetzins to the development of American Jewry Tracing the careers of rebbetzins from the beginning of the twentieth century until the present Shuly

Rubin Schwartz chronicles the evolution of the role from a few individual rabbis wives who emerged as leaders to a cohort who worked together on behalf of American Judaism The Rabbi s Wife reveals the ways these women succeeded in both building crucial leadership roles for themselves and becoming an important force in shaping Jewish life in America

**Rabbinic Tales of Destruction** Julia Watts Belser,2018 Analyzing early Jewish accounts of the destruction of the Second Temple Julia Watts Belser illuminates the brutal body costs of Roman conquest Drawing on disability studies feminist theory and new materialist ecological thought Belser reveals how rabbinic discourses of gender sexuality and the body are shaped in the shadow of empire **The Chief Rabbi, the Pope, and the Holocaust** Wallace P. Sillanpoa,2017-07-05 In February 1945 Israele Zolli chief rabbi of Rome s ancient Jewish community shocked his co religionists in Italy and throughout the Jewish world by converting to Catholicism and taking as his baptismal name Eugenio to honor Pope Pius XII Eugenio Pacelli for what Zolli saw as his great humanitarianism toward the Jews during the Holocaust Almost a half a century after his conversion Zolli still evokes anger and embarrassment in Italy s Jewish community This book is the first authoritative treatment of this astonishing story What induced Zolli to embrace Catholicism will probably never be known Nonetheless by painstaking scholarly detective work through interviews in Italy and elsewhere through the unearthing of private papers not previous known to exist and through the study of previous inaccessible archival materials the authors have succeeded in explaining why Zolli left the Jewish fold and joined the Catholic Church Like Zolli s rabbinical career Pius XII s long pontificate tells us much about the Church of Rome and its relationship to the Jewish people particularly with reference to the issue of conversion The authors focus on the pontiff s World War II policies vis A vis the Jews a subject that has been heatedly debated since Rolf Hochhuth s The Deputy was performed in the early 1960s What Pacelli knew about the extermination of the Jews and when he knew it what he said and failed to say are given special attention in this book Through the examination of previous scholarship and primary materials including Pius XI s encyclical on race and anti Semitism Pacelli s behavior is evaluated to determine if Zolli accurately gauged the Holy Father s efforts to save Jews This saga of the two Eugenios will interest historians of the Second World War and the Holocaust and students of history alike

Journalism's Roving Eye John Maxwell Hamilton,2009 Journalisms Roving Eye isthedefinitive history of American foreign reporting Beginning with the colonial era it focuses on underlying factorssuch astechnology and public opinionas well as a cavalcade of personalities Here is Henry MortonStanley who began the spate of journalistic exploration in the 19th century Victor Lawson owner of the Chicago Daily News who invented the idea of a quality foreign news service for Americans and Jack Belden a forgotten brooding figure who exemplified the best in combat reporting Journalisms Roving Eye is essential for understanding the evolution of foreign news gathering and its future **Roving Through Southern China** Harry Alverson Franck,1925 *Roving Adventures, Or Lavengro* George Borrow,1852 Sacred Intentions Rabbi Lori Forman-Jacobi,Kerry M. Olitzky,2011-12-01 What a wonderful way to start each day An inspirational companion of comfort

reassurance and hope that helps you start each day of the year on a positive note with a powerful quote from a Jewish source and a brief striking reflection on it from an inspiring spiritual leader      **The Day They Kidnapped the Pope** João Bethencourt,1979 Length 2 acts      Rabbi Moses Jacob Neusner,2013-03-01 This book is an exercise in the systematic recourse to anachronism as a theological exegetical mode of apologetics Specifically Neusner demonstrates the capacity of the Rabbinic sages to read ideas attested in their own day as authoritative testaments to to them ancient times Thus Scripture was read as integral testimony to the contemporary scene About a millennium 750 B C E to 350 C E separates Scripture s prophets from the later sages of the Mishnah and the Talmud It is quite natural to recognize evidence for differences over a long period of time Yet Judaism sees itself as a continuum and overcomes difference The latecomers portray the ancients like themselves In our image after our likeness captures the current aspiration The sages accommodated the later documents in their canon by finding the traits of their own time in the record of the remote past They met the challenges to perfection that the sages brought about Of what does the process of harmonization consist To answer that question the author surveys the presentation of the prophets by the rabbis beginning with Moses To overcome the gap Rabbinic sages turn Moses into a sage like themselves The prophet performs wonders The sage sets forth reasonable rulings The conclusion expands on this account of matters to show the categorical solution that the sages adopted for themselves and that is the happy outcome of the study      *Year Book of the Central Conference of American Rabbis* Central Conference of American Rabbis,1991 Containing the proceedings of the convention      **Jesus in the Church's Gospels** John Henry Paul Reumann,1968      The Secular Rabbi Doris Kadish,2021-03-01 The Secular Rabbi is an intellectual biography of Philip Rahv co founder of Partisan Review which T S Eliot called the best American literary periodical It focuses on the ambivalent ties that Rahv a Russian immigrant retained to his Jewish cultural background Drawing on letters Rahv wrote to her mother from 1928 to 1931 when he was still named Philip Greenberg Doris Kadish delves into the complex and enigmatic character of a man admired by luminaries as diverse as George Orwell Mary McCarthy Saul Bellow Elizabeth Hardwick and William Styron Textual analyses of Rahv s works are woven together with other disparate materials historical accounts genealogical records memoirs by Rahv s colleagues friends and associates interviews with persons who knew him and the abundant body of secondary scholarship devoted to the New York intellectuals the history of Partisan Review and Jewish studies Kadish positions herself in relation to Rahv in attempting to understand her own Jewish identity In tracing Rahv s personal political and literary evolution Kadish sheds light on such literary movements as modernism proletarian literature and Jewish writing as well as movements that defined American political history in the 20th century immigration socialism communism fascism the cold war feminism and the New Left      *Rabbi Jesus* Bruce Chilton,2002-02-26 Beginning with the Gospels interpretations of the life of Jesus have flourished for nearly two millennia yet a clear and coherent picture of Jesus as a man has remained elusive In Rabbi Jesus the noted biblical scholar Bruce Chilton places Jesus within the context of his times to

present a fresh historically accurate and revolutionary examination of the man who founded Christianity Drawing on recent archaeological findings and new translations and interpretations of ancient texts Chilton discusses in enlightening detail the philosophical and psychological foundations of Jesus ideas and beliefs His in depth investigation also provides evidence that contradicts long held beliefs about Jesus and the movement he led Chilton shows for example that the High Priest Caiaphas as well as Pontius Pilate played a central role in Jesus execution It is however Chilton s description of Jesus role as a rabbi or master of Jewish oral traditions as a teacher of the Cabala and as a practitioner of a Galilean form of Judaism that emphasized direct communication with God that casts an entirely new light on the origins of Christianity Seamlessly merging history and biography this penetrating highly readable book uncovers truths lost to the passage of time and reveals a new Jesus for the new millennium

**A History of the Jewish People** Abraham Malamat,1976 First published in Hebrew in Tel Aviv in 1969 First English translation by Weidenfeld and Nicholson in 1976 **The Travelling Rabbi** Moshe Silberhaft,Suzanne Belling,2012 Annotation Tracing the journeys of the Travelling Rabbi this book highlights Rabbi Silberhafts invaluable work in Africa from caring for the graves of the forgotten and performing wedding ceremonies to providing kosher food and religious insight to various communities Including numerous stories some tragic others humorous but always fascinating this memoir is a celebration of the resilient people he encounters and a permanent record of the Jewish communities and personalities who would otherwise be forgotten *The Holocaust in 100 Histories* Paul R.

Bartrop,2024-07-25 This chronologically arranged collection of articles demonstrates the complex and multifaceted nature of the Holocaust From January 1933 and the ascent to office of Hitler and the Nazi Party in Germany through to October 1945 and the opening of the International Military Tribunal at Nuremberg *The Holocaust in 100 Histories* takes an episodic approach to consider some of the people ideas groups and events that characterized the genocide which unfolded against the backdrop of the Nazi period and the Second World War Paul R Bartrop shines a light on Nazi perpetrators Righteous Gentiles who helped save Jews during the Holocaust Jewish resisters as well as movements events and developments during the Third Reich and the war years The 100 entries included in the book provide both a series of snapshots and a pathway to understanding how the Holocaust was manifested or defied during the years between 1933 and 1945 Its structure enables readers to access the Holocaust in or out of sequence reading individual entries as appropriate while the book also contains key primary source documents further reading suggestions and discussion questions designed to prompt debate and further study *The Journey of Rabbi and Rachel Abramowitz* Mona Mandel Abramowitz,2012-04-11 Rabbi Mayer and Rachel

Abramowitz are beloved fixtures on the Miami scene They have that special quality when you meet you immediately respect them and consider them close friends But they only became fixtures in one place after they journeyed through many Their unique story begins in Rachel s Polish shtetl and Mayer s youth in British ruled Palestine The political climate and world events took Mayer to the United States and Rachel to Kazakhstan and Uzbekistan In the often strange but wondrous flow of

Jewish life it was in a camp for displaced Jews in Germany that their very different journeys merged into one There were other stops geographically but their journey is really about the life they made It s about surviving WW II through fortitude and fortune and then helping to smuggle Jews out of Europe to Israel It s about being the prime force in establishing the Cuban Jewish community in South Florida and building Jewish institutions in Miami Israel and throughout the world It s about creating a family that continues their legacy In reading the stories of Rabbi and Rachel Abramowitz you will travel through Jewish history As they touched the lives of so many on a personal level they found themselves on a historical journey These are their stories This is our history The journey continues

## Unveiling the Magic of Words: A Report on "**Rabbis Rovings**"

In a global defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their ability to kindle emotions, provoke contemplation, and ignite transformative change is actually awe-inspiring.
