Rabelais Et Les Lecons Du Rire Paraboles Evangeliques Et Neoplatoniciennes:

Rabelais et les leçons du rire Florence M. Weinberg, 2000 Cernant l'explicite traquant l'implicite chaque épisode du présent ouvrage révèle le sérieux ludique de Rabelais Derrière le risible il y a des codes hermétiques et ce que le monde nous restitue c'est l'ouvrant le merveilleux Tout l'inouï de Rabelais est ici donné à entendre pour le plus grand bénéfice du lecteur

The Cambridge Companion to Rabelais John O'Brien, 2011 An accessible readable account of Rabelais his work his thought and his world

Movement in Renaissance Literature Kathryn Banks, Timothy Chesters, 2017-12-27 This book investigates how writers and readers of Renaissance literature deployed kinesic intelligence a combination of pre-reflective bodily response and reflective interpretation Through analyses of authors including Petrarch Rabelais and Shakespeare the book explores how embodied cognition historical context and literary style interact to generate and shape responses to texts It suggests that what was reborn in the Renaissance was partly a critical sense of the capacities and complexities of bodily movement The linguistic ingenuity of humanism set bodies in motion in complex and paradoxical ways Writers engaged anew with the embodied grounding of language prompting readers to deploy sensorimotor attunement Actors shaped their bodies according to kinesic intelligence molded by theatrical experience and skill provoking audiences to respond to their most subtle movements An approach grounded in kinesic intelligence enables us to re-examine metaphor rhetoric ethics gender and violence The book will appeal to scholars and students of English French and Italian Renaissance literature and to researchers in the cognitive humanities cognitive sciences and theatre studies

The Rabelais Encyclopedia Elizabeth C. Zegura, 2004-09-30 The French humanist Rabelais ca 1483-1553 was the greatest French writer of the Renaissance and one of the most influential authors of all time His *Gargantua and Pantagruel* written in five books between 1532 and 1553 rivals the works of Shakespeare and Cervantes in terms of artistry complexity of ideas and expression and historical importance Rabelais is read in numerous courses in French Literature Renaissance Studies and Western Civilization and his writings continue to attract the attention of scholars and general readers alike The first work of its kind this encyclopedia is a comprehensive guide to his life and writings Included are several hundred alphabetically arranged entries by expert contributors These entries discuss his characters his overt and veiled references to historical and Renaissance figures and events his literary and philosophical allusions his major themes and the key events and influences that shaped his career The entries cover such topics as education religion censors and censorship humanism death and warfare Entries cite works for further reading and the encyclopedia closes with a selected general bibliography

A Companion to François Rabelais Bernd Renner, 2021-08-30 Winner of the 2022 SCSC Bainton Prize for Reference Works A Companion to François Rabelais offers the most comprehensive and up-to-date account of the works of François Rabelais one of the most influential writers of the Western literary tradition A monk medical doctor translator and editor Rabelais embodies the ideals of Renaissance humanism His genre-bending fiction combines vast erudition comic verve and critical observations of all spheres of

contemporary life that are relevant to this day Two sections of this volume situate Rabelais's work in the larger social political and literary context of his time A third section gives concise interpretations of each of the five books of the Pantagrueline Chronicles The contributors are eminent scholars of early modern literature They include Tom Conley François Cornilliat Marie Luce Demonet Diane Desrosiers Mireille Huchon Elsa Kammerer Jelle Koopmans Claude La Charit Nicolas Le Cadet Frank Lestringant Romain Menini Gérard Milhe Poutingon Marie Claire Thomine Jean Charles Monferran John Parkin Jeff Persels Anne Pascale Pouey Mounou Michael Randall Paul J Smith and Walter Stephens

Laughter in the Middle Ages and Early Modern Times Albrecht Classen, 2010-09-22 Despite popular opinions of the dark Middle Ages and a gloomy early modern age many people laughed smiled giggled chuckled entertained and ridiculed each other This volume demonstrates how important laughter had been at times and how diverse the situations proved to be in which people laughed and this from late antiquity to the eighteenth century The contributions examine a wide gamut of significant cases of laughter in literary texts historical documents and art works where laughter determined the relationship among people In fact laughter emerges as a kaleidoscopic phenomenon reflecting divine joy bitter hatred and contempt satirical perspectives and parodic intentions In some examples protagonists laughed out of sheer happiness and delight in others because they felt anxiety and insecurity It is much more difficult to detect premodern sculptures of laughing figures but they also existed Laughter reflected a variety of concerns interests and intentions and the collective approach in this volume to laughter in the past opens many new windows to the history of mentality social and religious conditions gender relationships and power structures

Bakhtinian Explorations of Indian Culture Lakshmi Bandlamudi, E. V. Ramakrishnan, 2018-02-11 This volume an important contribution to dialogic and Bakhtin studies shows the natural fit between Bakhtin's ideas and the pluralistic culture of India to a global academic audience It is premised on the fact that long before principles of dialogism took shape in the Western world these ideas though not labelled as such were an integral part of intellectual histories in India Bakhtin's ideas and intellectual traditions of India stand under the same banner of plurality open endedness and diversity of languages and social speech types and therefore the affinity between the thinker and the culture seems natural Rather than being a mechanical import of Bakhtin's ideas it is an occasion to reclaim reactivate and reenergize inherent dialogicality in the Indian cultural historical and philosophical histories Bakhtin is not an incidental figure for he offers precise analytical tools to make sense of the incredibly complex differences at every level in the cultural life of India Indian heterodoxy lends well to a Bakhtinian reading and analysis and the papers herein attest to this The papers range from how ideas from Indo European philology reached Bakhtin through a circuitous route to responses to Bakhtin's thought on the carnival from the philosophical perspectives of Abhinavagupta to a Bakhtinian reading of literary texts from India The volume also includes an essay on translation as dialogue an issue central to multilingual cultures and on inherent dialogicality in the long intellectual traditions in India

Shipwreck in French Renaissance Writing Jennifer H. Oliver, 2019-08-29 In the sixteenth century a period of

proliferating transatlantic travel and exploration and latterly religious civil wars in France the ship is freighted with political and religious as well as poetic significance symbolism that reaches its height when ships both real and symbolic are threatened with disaster The Direful Spectacle argues that in the French Renaissance shipwreck functions not only as an emblem or motif within writing but as a part or the whole of a narrative in which the dynamics of spectatorship and of co operation are of constant concern The possibility of ethical distance from shipwreck imagined through the Lucretian suave mari magno commonplace is constantly undermined not least through a sustained focus on the corporeal This book examines the ways in which the ship and the body are made analogous in Renaissance shipwreck writing bodies are described and allegorized in nautical terms and conversely ships themselves become animalized and humanized Secondly many texts anticipate that the description of shipwreck will have an affect not only on its victims but on those too of spectators listeners and readers This insistence on the physicality of shipwreck is also reflected in the dynamic of bricolage that informs the production of shipwreck texts in the Renaissance The dramatic potential of both the disaster and the process of rebuilding is exploited throughout the century culminating in a shipwreck tragedy By the late Renaissance shipwreck is not only the end but often forms the beginning of a story

Rabelais Et Les Lecons Du Rire Florence Weinberg, 2000

Le Problème de l'incroyance au XVIe siècle Lucien Febvre, Denis Crouzet, 2014-04-01

Le Problème de l'incroyance est un magnifique livre sur Rabelais un extraordinaire effort pour faire revivre sa singulière vitalité Mais c'est surtout un délicat discours de la méthode historique dans la mesure où il ne veut pas raconter qu'un Rabelais possible participant d'un temps difficile où la curiosité des hommes était immense les enthousiasmes et les inquiétudes tout à la fois mais engageant certains d'entre eux dans la voie d'un humanisme rationnel combattant pour défendre contre le sacrilège de l'anachronisme qui nie l'autre comme différence la liberté de Rabelais d'avoir eu sa vie en son temps et en son lieu En publiant ce livre durant les jours sombres de 1942 Lucien Febvre n'était-il pas animé de la même confiance dans la puissance de l'intelligence que celle qui fit inscrire Rabelais sur la grande porte de Thémis les mots interdisant l'entrée aux hypocrites bigots vieux matagots marmiteux boursoufflés Ne voulut-il pas écrire un livre plus haut sans un message d'espérance dans l'avenir de l'histoire

Le Livre des îles : Atlas et récits insulaires de la Genèse à Jules Verne Frank Lestringant, 2002

On appelle Insulaire en italien Isolario un atlas exclusivement composé de cartes d'iles Plus simplement l'Insulaire c'est le Livre des îles titre de l'atlas nautique rassemblé vers 1420 par le Florentin Buondelmonti Le genre connaît un essor ininterrompu du XVe au XVIIIe siècle Non seulement la terre entière est à guisa d'un Isola comme une île au milieu des océans mais la description en

archipel favorise aussi une appréhension progressive du monde mielleux et particularise l'infini. L'Insulaire va de pair avec l'loge de la variété. Il se rencontre une époque où fleurit la bigarrure, où celle-ci apparaît comme le signe du divin dans le monde. Les systèmes de l'âge moderne ont eu raison, semble-t-il, de l'esprit d'archipel. À l'ère de l'homme unidimensionnel et de la globalisation, il est urgent de renouer avec une configuration de la terre parcourue de lacunes et de blancs mais contenant une place pour chaque singularité, celle-ci la plus imprévisible. Si l'Insulaire est un atlas, il est aussi un récit. Un récit fragmenté, discontinu en archipel. Prolongeant l'histoire de l'Insulaire nautique et tirant de celui-ci un modèle descriptif, ce nouveau Livre des les conduit de la Genèse de Jules Verne et de l'Odyssée aux Îles Enchantées de Melville. Il a pour escales l'Histoire vraie de Lucien, la Navigation de saint Brandan, le Quart Livre de Pantagruel de Rabelais, les tours satiriques et amoureuses de l'âge classique, les Voyages de Gulliver de Swift, l'herbier des les du botaniste Tournefort et L'Archipel de la Manche de Victor Hugo.

Regards sur le locus horribilis. Manifestations littéraires des espaces hostiles Esperanza Bermejo Larrea, 2012-12-31. Le topos du locus horribilis a toujours été fini comme l'inversion du locus amoenus et cela explique le faible intérêt qu'il a suscité jusqu'à présent. Les contributions de ce volume analysent non seulement les lieux horribles de la tradition culturelle mais aussi ceux qui deviennent hostiles de par la relation que l'homme construit avec eux. Ainsi, travers les parages légendaires du Moyen Âge, la géographie imaginaire rabelaisienne, les grottes et les mines des Lumières, les espaces de souffrance intérieure de crime ou de dépaysement des récits contemporains, le topos originel devient l'expression d'un drame ou d'une tension qui touche aussi bien l'univers de la fiction que le processus même de la critique.
