Race And Politics In North Carolina 1872 1901

Matthew Lynch

Race And Politics In North Carolina 1872 1901:

Race and Politics in North Carolina, 1872-1901 Eric Anderson, 1980-12-01 Eric Anderson studies one of the most remarkable centers of black political influence in the late nineteenth century North Carolina's second congressional district. From its creation in 1872 as a result of gerrymandering to its collapse in the extremism of 1900, the black second produced increasingly effective black leaders in public office from postmasters to prosecuting attorneys and congressmen. *Race and Politics in North Carolina* illuminates the complex effects upon whites of the rise of black leadership both within the Republican party and in the larger community. Although many white Republicans found it difficult to accept an increasing role for blacks, they worked in acceptable if awkward partnership with Negro Republicans. By 1900, strident appeals for white solidarity had cracked the fragile biracial unit of the Republican second district. With the emergence of such Democratic leaders as Furnifold Simmons, Josephus Daniels, Charles B. Aycock, and Claude Kitchin, second district men all a restrictive notion of the Negro's place in society had triumphed in North Carolina and the nation. Eric Anderson's study examines regional and national history. His record clarifies a confusing, uneven period of promise from the emancipation to the disfranchisement of black Americans.

Race and Politics in North Carolina, 1872-1901 Eric Anderson, 1981 Eric Anderson clarifies a confusing, uneven period of promise from the emancipation to the disfranchisement of black Americans. He examines regional and national history in his record of one of the most remarkable centers of black political influence in the late nineteenth century North Carolina's second congressional district. From its creation in 1872 as a result of gerrymandering to its collapse in the extremism of 1900, the black second produced increasingly effective black leaders in public office from postmasters to prosecuting attorneys and congressmen.

Race and Politics in North Carolina, 1872-1901 Eric Anderson, 1978 *North Carolina Through Four Centuries* William Stevens Powell, 1989 A history of North Carolina covers the social, economic, and political forces that shaped it. *Southern News, Southern Politics* Rob Christensen, 2025-02-28 Newspapers are a tough business, and no one knows that better than Rob Christensen, who was chief political reporter at North Carolina's capital newspaper, the *News and Observer*, for decades. Here he tells the story of the *N O* and how it helped shape modern North Carolina in complicated ways. It's also the story of a family dynasty: four generations of the Daniels family owned and ran the *N O*. They not only helped elect governors but also played an influential role in national American politics; family members served as political lieutenants to William Jennings Bryan, Woodrow Wilson, Franklin Roosevelt, and Harry Truman. Christensen takes readers from the *N O*'s early days at the turn of the twentieth century as the militant voice of white supremacy to its denunciation by segregationist Jesse Helms for selling out the South in the 1960s and finally to its current dwindling fortunes. By telling the story of one important regional newspaper, Christensen shows how influence and messaging affect the politics of a state and a region for generations.

Schooling the Movement Derrick P. Alridge, Jon N. Hale, Tondra L. Loder-Jackson, 2023-04-20 A fresh examination of teacher activism during the civil

rights movement Southern Black educators were central contributors and activists in the civil rights movement They contributed to the movement through their classrooms schools universities and communities Drawing on oral history interviews and archival research *Schooling the Movement* examines the pedagogical activism and vital contributions of Black teachers throughout the Black freedom struggle By illuminating teachers activism during the long civil rights movement the editors and contributors connect the past with the present contextualizing teachers longstanding role as advocates for social justice *Schooling the Movement* moves beyond the prevailing understanding that activism was defined solely by litigation and direct action forms of protest The contributors broaden our conceptions of what it meant to actively take part in or contribute to the civil rights movement

A Companion to the Gilded Age and Progressive Era Christopher McKnight Nichols, Nancy C. Unger, 2022-06-15 *A Companion to the Gilded Age and Progressive Era* presents a collection of new historiographic essays covering the years between 1877 and 1920 a period which saw the U S emerge from the ashes of Reconstruction to become a world power The single definitive resource for the latest state of knowledge relating to the history and historiography of the Gilded Age and Progressive Era Features contributions by leading scholars in a wide range of relevant specialties Coverage of the period includes geographic social cultural economic political diplomatic ethnic racial gendered religious global and ecological themes and approaches In today's era often referred to as a second Gilded Age this book offers relevant historical analysis of the factors that helped create contemporary society Fills an important chronological gap in period based American history collections

A Companion to the American South John B. Boles, 2004-03-12 *A Companion to the American South* surveys and evaluates the most important and innovative writing on the entire sweep of the history of the southern United States Contains 29 original essays by leading experts in American Southern history Covers the entire sweep of Southern history including slavery politics the Civil War race relations religion and women's history Surveys and evaluates the best scholarship on every important era and topic Summarizes current debates and anticipates future concerns

Black Americans in Congress, 1870-2007, 2008 From the publisher Provides a comprehensive history of the more than 120 African Americans who have served in the United States Congress Written for a general audience this book contains a profile of each African American Member including notables such as Hiram Revels Joseph Rainey Oscar De Priest Adam Clayton Powell Shirley Chisholm Gus Hawkins and Barbara Jordan Individual profiles are introduced by contextual essays that explain major events in congressional and U S history Illustrated with many portraits photographs and charts

Gendered Strife & Confusion Laura F. Edwards, 1997 Exploring the gendered dimension of political conflicts Laura Edwards links transformations in private and public life in the era following the Civil War Ideas about men's and women's roles within households shaped the ways groups of southerners elite and poor whites and blacks Democrats and Republicans envisioned the public arena and their own places in it By using those on the margins to define the center Edwards demonstrates that Reconstruction was a complicated process of conflict and negotiation that lasted long beyond 1877 and involved all

southerners and every aspect of life **The Making of a Confederate** William L. Barney, 2008 Despite the advances of the civil rights movement many white southerners cling to the faded glory of a romanticized Confederate past In *The Making of a Confederate* William L Barney focuses on the life of one man Walter Lenoir of North Carolina to examine the origins of southern white identity alongside its myriad ambiguities and complexities Born into a wealthy slaveholding family Lenoir abhorred the institution opposed secession and planned to leave his family to move to Minnesota in the free North But when the war erupted in 1860 Lenoir found another escape route he joined the Confederate army an experience that would radically transform his ideals After the war Lenoir like many others embraced the cult of the Lost Cause refashioning his memory and beliefs in an attempt to make sense of the war its causes and its consequences While some Southerners sank into depression aligned with the victors or fiercely opposed the new order Lenoir withdrew to his acreage in the North Carolina mountains There he pursued his own vision of the South's future one that called for greater self sufficiency and a more efficient use of the land For Lenoir and many fellow Confederates the war never really ended As he tells this compelling story Barney offers new insights into the ways that selective memory informs history through Lenoir's life readers learn how individual choices can transform abstract historical processes into concrete actions **Forgotten Legacy** Benjamin R. Justesen, 2020-12-16 In *Forgotten Legacy* Benjamin R Justesen reveals a previously unexamined facet of William McKinley's presidency an ongoing dedication to the advancement of African Americans including their appointment to significant roles in the federal government and the safeguarding of their rights as U S citizens During the first two years of his administration McKinley named nearly as many African Americans to federal office as all his predecessors combined He also acted on many fronts to stiffen federal penalties for participation in lynch mobs and to support measures promoting racial tolerance Indeed Justesen's work suggests that McKinley might well be considered the first civil rights president especially when compared to his next five successors in office Nonetheless historians have long minimized trivialized or overlooked McKinley's cooperative relationships with prominent African American leaders including George Henry White the nation's only black congressman between 1897 and 1901 Justesen contends that this conventional one sided portrait of McKinley is at best incomplete and misleading and often severely distorts the historical record A Civil War veteran and the child of abolitionist parents the twenty fifth president committed himself to advocating for equity for America's black citizens Justesen uses White's parallel efforts in and outside of Congress as the primary lens through which to view the McKinley administration's accomplishments in racial advancement He focuses on McKinley's regular meetings with a small and mostly unheralded group of African American advisers and his enduring relationship with leaders of the new National Afro American Council His nomination of black U S postmasters consuls midlevel agency appointees military officers and some high level officials including U S ministers to Haiti and Liberia serves as perhaps the most visible example of the president's work in this area Only months before his assassination in 1901 McKinley toured the South visiting African American colleges to praise black achievements

and encourage a spirit of optimism among his audiences Although McKinley succumbed to political pressure and failed to promote equality and civil rights as much as he had initially hoped Justesen shows that his efforts proved far more significant than previously thought and were halted only by his untimely death Gender and Jim Crow, Second Edition Glenda Elizabeth Gilmore, 2019-01-09 This classic work helps recover the central role of black women in the political history of the Jim Crow era Glenda Elizabeth Gilmore explores the pivotal and interconnected roles played by gender and race in North Carolina politics from the period immediately preceding the disfranchisement of black men in 1900 to the time black and white women gained the vote in 1920 Gilmore argues that while the ideology of white supremacy reordered Jim Crow society a generation of educated black women nevertheless crafted an enduring tradition of political activism In effect these women served as diplomats to the white community after the disfranchisement of their husbands brothers and fathers Gilmore also reveals how black women s feminism created opportunities to forge political ties with white women helping to create a foundation for the emergence of southern progressivism In addition Gender and Jim Crow illuminates the manipulation of concepts of gender by white supremacists and shows how this rhetoric changed once women black and white gained the vote

Encyclopedia of U.S. Political History Andrew Whitmore Robertson, 2010 Annotation st1 behavior url ieouui Unparalleled coverage of U S political development through a unique chronological framework Encyclopedia of U S Political History explores the events policies activities institutions groups people and movements that have created and shaped political life in the United States With contributions from scholars in the fields of history and political science this seven volume set provides students researchers and scholars the opportunity to examine the political evolution of the United States from the 1500s to the present day With greater coverage than any other resource the Encyclopedia of U S Political History identifies and illuminates patterns and interrelations that will expand the reader s understanding of American political institutions culture behavior and change Focusing on both government and history the Encyclopedia brings exceptional breadth and depth to the topic with more than 100 essays for each of the critical time periods covered With each volume covering one of seven time periods that correspond to key eras in American history the essays and articles in this authoritative encyclopedia focus on the following themes of political history The three branches of government Elections and political parties Legal and constitutional histories Political movements and philosophies and key political figures Economics Military politics International relations treaties and alliances Regional histories Key Features Organized chronologically by political eras Reader s guide for easy topic searching across volumes Maps photographs and tables enhance the text Signed entries by a stellar group of contributors VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying

independence

VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system

VOLUME 1 Colonial Beginnings through Revolution 1500 1783 Volume Editor Andrew Robertson Herbert H Lehman College The colonial period witnessed the transformation of thirteen distinct colonies into an independent federated republic This volume discusses the diversity of the colonial political experience a diversity that modern scholars have found defies easy synthesis as well as the long term conflicts policies and events that led to revolution and the ideas underlying independence

VOLUME 2 The Early Republic 1784 1840 Volume Editor Michael A Morrison Purdue University No period in the history of the United States was more critical to the foundation and shaping of American politics than the early American republic This volume discusses the era of Confederation the shaping of the U S Constitution and the development of the party system

VOLUME 3 Expansion Division and Reconstruction 1841 1877 Volume Editor William Shade Lehigh University emeritus This volume examines three decades in the middle of the nineteenth century which witnessed the emergence of the debate over slavery in the territories which eventually led to the Civil War the military conflict itself from 1861 until 1865 and the process of Reconstruction which ended with the readmission of all of the former Confederate States to the Union and the withdrawal of the last occupying federal troops from those states in 1877

VOLUME 4 From the Gilded Age through the Age of Reform 1878

1920 Volume Editor Robert Johnston University of Illinois at Chicago With the withdrawal of federal soldiers from Southern states the previous year 1878 marked a new focus in American politics and it became recognizably modern within the next 40 years This volume focuses on race and politics economics labor and capitalism agrarian politics and populism national politics progressivism foreign affairs World War I and the end of the progressive era VOLUME 5 Prosperity Depression and War 1921 1945 Volume Editor Robert Zieger University of Florida Between 1921 and 1945 the U S political system exhibited significant patterns of both continuity and change in a turbulent time marked by racist conflicts the Great Depression and World War II The main topics covered in this volume are declining party identification the Roosevelt Coalition evolving party organization congressional inertia in the 1920s the New Deal Congress during World War II the growth of the federal government Franklin D Roosevelt s presidency the Supreme Court s conservative traditions and a new judicial outlook VOLUME 6 Postwar Consensus to Social Unrest 1946 1975 Volume Editor Thomas Langston Tulane University This volume examines the postwar era with the consolidation of the New Deal the onset of the Cold War and the Korean War It then moves into the 1950s and early 1960s and discusses the Vietnam war the era of John F Kennedy the Cuban Missile Crisis the Civil Rights Act Martin Luther King and the Voting Rights Act antiwar movements The War Powers Act environmental policy the Equal Rights Amendment Roe v Wade Watergate and the end of the Vietnam War VOLUME 7 The Clash of Conservatism and Liberalism 1976 to present Volume Editor Richard Valelly Swarthmore College The troubled Carter Administration 1977 1980 proved to be the political gateway for the resurgence of a more ideologically conservative Republican party led by a popular president Ronald Reagan The last volume of the Encyclopedia covers politics and national institutions in a polarized era of nationally competitive party politics and programmatic debates about taxes social policy and the size of national government It also considers the mixed blessing of the change in superpower international competition associated with the end of the Cold War Stateless terrorism symbolized by the 9 11 attacks the continuing American tradition of civil liberties and the broad change in social diversity wrought by immigration and the impact in this period of the rights revolutions are also covered

Before Obama Matthew Lynch, 2012-10-22 This book introduces America to the Black Reconstruction politicians who fought valiantly for the civil rights of all people important individuals who have been ignored by modern historians as well as their contemporaries Between 1865 and 1876 about 2 000 blacks held elective and appointive offices in the South but these men faced astounding odds They were belittled as corrupt and inadequate by their white political opponents who used legislative trickery libel bribery and brutal intimidation of their constituents to rob these black lawmakers of their base of support Before Obama A Reappraisal of Black Reconstruction Era Politicians comprises two volumes that examine the leadership and contributions of black politicians during the Reconstruction era diverse men whose efforts during Reconstruction should not be overlooked Each biographical essay examines how each individual contributed to the Reconstruction Era and fostered the development of a parallel civil society within black communities what influence his

actions had on the future of blacks in politics and why he has been ignored This work also serves to set the record straight about these black politicians who are often scapegoated for the overall failure of the Reconstruction **Reconstructing Democracy** Justin Behrend,2015 Within a few short years after emancipation freedpeople of the Natchez District created a new democracy in the Reconstruction era replacing the oligarchic rule of slaveholders and Confederates with a grassroots democracy that transformed the South after the Civil War *African Americans and the Politics of Congressional Redistricting* Dewey M. Clayton,2004-11-23 This book provides a detailed analysis of the politics of racial redistricting a topic of particular concern in light of recent federal court cases The book is divided into two parts Part one examines the historical exclusion of blacks from the American political process and the politics behind congressional redistricting The text focuses on partisan manoeuvring and assesses whose interests were being served In particular the book chronicles the legislative action creation of majority black districts in North Carolina and around the South Part two shifts the focus to the myriad of legal battles that ensued as a result of the newly created districts in North Carolina and around the South Majority black districts have been dismantled in the Supreme Court This has been due to the criticism of their arbitrary shape and the notion that race was considered a predominant fact or in their design Yet irregularly shaped majority white districts have not been accused of violating districting principles This book purports that blacks were not elected to national office in large numbers prior to the creation of majority black districts indicating the continuing need for race conscious districting as a temporary solution to a complex problem **Gender and Jim Crow** Glenda Elizabeth Gilmore,2013-04-01 Glenda Gilmore recovers the rich nuances of southern political history by placing black women at its center She explores the pivotal and interconnected roles played by gender and race in North Carolina politics from the period immediately preceding the disfranchisement of black men in 1900 to the time black and white women gained the vote in 1920 Gender and Jim Crow argues that the ideology of white supremacy embodied in the Jim Crow laws of the turn of the century profoundly reordered society and that within this environment black women crafted an enduring tradition of political activism According to Gilmore a generation of educated African American women emerged in the 1890s to become in effect diplomats to the white community after the disfranchisement of their husbands brothers and fathers Using the lives of African American women to tell the larger story Gilmore chronicles black women s political strategies their feminism and their efforts to forge political ties with white women Her analysis highlights the active role played by women of both races in the political process and in the emergence of southern progressivism In addition Gilmore illuminates the manipulation of concepts of gender by white supremacists and shows how this rhetoric changed once women black and white gained the vote North Carolinians in the Era of the Civil War and Reconstruction Paul D. Escott,2012-09-01 Although North Carolina was a home front state rather than a battlefield state for most of the Civil War it was heavily involved in the Confederate war effort and experienced many conflicts as a result North Carolinians were divided over the issue of secession and changes in race and gender relations

brought new controversy Blacks fought for freedom women sought greater independence and their aspirations for change stimulated fierce resistance from more privileged groups Republicans and Democrats fought over power during Reconstruction and for decades thereafter disagreed over the meaning of the war and Reconstruction With contributions by well known historians as well as talented younger scholars this volume offers new insights into all the key issues of the Civil War era that played out in pronounced ways in the Tar Heel State In nine essays composed specifically for this volume contributors address themes such as ambivalent whites freed blacks the political establishment racial hopes and fears postwar ideology and North Carolina women These issues of the Civil War and Reconstruction eras were so powerful that they continue to agitate North Carolinians today Contributors David Brown Manchester University Judkin Browning Appalachian State University Laura F Edwards Duke University Paul D Escott Wake Forest University John C Inscoe University of Georgia Chandra Manning Georgetown University Barton A Myers University of Georgia Steven E Nash University of Georgia Paul Yandle West Virginia University Karin Zipf East Carolina University

Race And Politics In North Carolina 1872 1901 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Race And Politics In North Carolina 1872 1901 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Race And Politics In North Carolina 1872 1901 has opened up a world of possibilities. Downloading Race And Politics In North Carolina 1872 1901 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Race And Politics In North Carolina 1872 1901 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Race And Politics In North Carolina 1872 1901. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Race And Politics In North Carolina 1872 1901. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Race And Politics In North Carolina 1872 1901, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Race And Politics In North Carolina 1872 1901 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so,

individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Race And Politics In North Carolina 1872 1901 Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
