The Problem of Race-regeneration Havelock Ellis,1911 [The Problem of Race-Regeneration](#) Havelock Ellis,2015-07-21 Excerpt from The Problem of Race Regeneration These Tracts might have been called New Tracts for New Times since they interpret the signs and prophecies of a new world in the making demanding the application of loftier ideals more widely embracing principles and surer methods of advance than have hitherto prevailed They do not merely deplore and combat the manifest evils of the past and the present changing conditions but reveal the foundations of a richer civilisation The era of destructive criticism of improving material environment alone of lavish care for a short season of the unfit merely to turn them adrift at the critical age of reliance upon forms and drugs hospitals and penitentiaries police and prisons and upon unfettered liberty to correct its own abuses is mercifully passing away We are living in a transition period but nearer the future than the past The wonderful nineteenth century seems already to have become history and the first decade of the twentieth century has closed The new spirit of the age which appeared in wondrous guise on the horizon at the watch of the centuries is becoming articulate It is evident to all who possess the historic vision that we are living in the twilight before the dawn About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *RACE REGENERATION* Edward James Smith,2016-08-29 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **The Problem of Race-regeneration** Havelock Ellis,Douglas Crawford McMurtrie,1926 [Religion and Race-regeneration](#) Frederick Brotherton Meyer,1912
