**Vintage American Road Racing Cars 1950-1969** Harold Pace Mark R. Brinker, **International Sport: A Bibliography, 1995-1999** Richard William Cox, 2004-04-22 There has been an explosion in the quantity of sports history literature published in recent years making it increasingly difficult to keep abreast of developments The annual number of publications has increased from around 250 to 1 000 a year over the last decade This is due in part to the fact that during the late 1980s and 90s many clubs leagues and governing bodies of sport have celebrated their centenaries and produced histories to mark this occasion and commemorate their achievements It is also the result of the growing popularity and realisation of the importance of sport history research within academe This international bibliography of books articles conference proceedings and essays in the English language is a one stop for the sports historian to know what is new *British Sport: Biographical studies of British sportsmen, sportswomen, and animals* Richard William Cox, 2003 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **British Sport - a Bibliography to 2000** Richard Cox, 2013-12-16 Volume three of a bibliography documenting all that has been written in the English language on the history of sport and physical education in Britain It lists all secondary source material including reference works in a classified order to meet the needs of the sports historian **Scottish Sporting Legends** Robert Philip, 2011-09-01 Scotland may not have

won a World Cup yet but many of the country's sportsmen and women are revered as global legends including Olympic and US Open champion Andy Murray and winner of six Olympic gold medals Sir Chris Hoy. In football the likes of Denis Law, Slim Jim Baxter and Jimmy Johnstone would not have looked out of place in the canary yellow of Brazil while managers Sir Matt Busby, Bill Shankly and Jock Stein have become part of football folklore as has Sir Alex Ferguson in more recent times. Amazingly Scots have reached the top in just about every major sport. Jim Clark and Sir Jackie Stewart in Formula One, Andy Murray in tennis, Ken Buchanan and Benny Lynch in the boxing ring, Chris Hoy in cycling, sprinters Allan Wells and Eric Liddell on the Olympic track and as befits a nation renowned as the home of golf, Sandy Lyle was recognised as the greatest player on the planet upon winning the Masters in 1988. Scottish sport is the richest of tapestries and in Scottish Sporting Legends the cream of the crop are entertainingly profiled in a revealing collection of pen portraits of stars past and present.
