interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 I'll Be Watching You Charles de Lint, 2024-08-06 In the early 1990s Charles de Lint wrote and published three dark fantasy novels under the pen name Samuel M Key Now beginning with *Angel of Darkness* and *From a Whisper to a Scream* and concluding with *I ll Be Watching You* Orb presents them for the first time under de Lint's own name Rachael Sorenson feared she would never escape her ex husband's abuse Then a passing stranger came to her rescue a stranger who had watched her from afar He was a photographer and Rachael was his perfect subject He lived only to make her happy and eliminate those who didn't Now he wants more than her beauty She owes him her life and he means to collect De Lint is not only a skillful storyteller but also a chronicler of women's issues in this sensitive if politically correct thriller Publishers Weekly At the Publisher's request this title is being sold without Digital Rights Management Software DRM applied *Murder on Greyhound Beach: A Rachel Chance and Will Keller Mystery* Randall Wisehart, 2025-06-05 Rachel Chance is looking forward to a relaxing vacation and a delayed honeymoon at the beach with her husband Will Keller and their two greyhounds Abby and Zane However when Rachel meets with friend and former colleague Kim O'Brien she discovers that Kim is having issues with her boyfriend Jack and one issue involves a substantial inheritance Kim will soon be receiving When Jack disappears Kim comes to Rachel for help Rachel balances supporting her friend with continuing to make a delayed honeymoon a priority Suddenly Jack reappears but has no memory of where he has been for the past two days When a woman appears who says she is Jack's sister Kim is shocked to discover that Jack has been hiding things about his past Rachel and Will help Kim look for answers but the more they find out the more secrets they uncover Rachel and Will meet a group working with Kim to establish a dog therapy program using Greyhounds When the money raised for the program disappears Rachel and Will take their Greyhounds Abby and Zane to Turtle Bay Retirement Community where Jack works to promote the dog therapy program They find both suspects and more questions While Rachel is trying to help Kim
