## Racing To Ruin:

Racing to Ruin Tim Hitchcock, 2010-10-05 In their lightless sanctuary an army of serpentfolk gathers to bring the world above to its knees The skull of the dead god Ydersius has fallen into the hands of his worshipers once more and fanged fanatics now commence the rites to resurrect their slain deity Back cover **Virginia Horse Racing** Virginia C. Johnson, Barbara Crookshanks, 2008-08-29 Virginia mother of presidents is also the mother of American horse racing From the very beginning Virginians have risked it all on the track as eagerly as on the battlefield Follow the bloodlines of three foundation sires of the American Thoroughbred through generations of rollicking races and larger than life grandees wagering kingly stakes sometimes on horses not yet born How did the horse nicknamed Damn His Eyes get protection money from other horse owners What did it mean to tap the claret to break a neck and neck tie Why was Confederate cavalry so much better than Union was it the riders or was it the mounts All these and many more stories of horsemanship on and off the track fill the pages of *Virginia Horse Racing Triumphs of the Turf* The Racing Calendar, 1875 **Racing the Great White Way** Katie N. Johnson, 2023-07-19 The early drama of Eugene O'Neill with its emphasis on racial themes and conflicts opened up extraordinary opportunities for Black performers to challenge racist structures in modern theater and cinema By adapting O'Neill's dramatic writing changing scripts to omit offensive epithets inserting African American music and dance or including citations of Black internationalism theater artists of color have used O'Neill's texts to raze barriers in American and transatlantic theater Challenging the widely accepted idea that Broadway was the white hot creative engine of U.S. theater during the early 20th century author Katie N. Johnson reveals a far more complex system of exchanges between the Broadway establishment and a vibrant Black theater scene in New York and beyond to chart a new history of American and transnational theater In spite of their dichotomous and at times problematic representation of Blackness O'Neill's plays such as *The Emperor Jones* and *All God's Children Got Wings* make ideal case studies because of the way these works stimulated traffic between Broadway and Harlem and between white and Black America These investigations of O'Neill and Broadway productions are enriched by the vibrant transnational exchange found in early to mid 20th century artistic production Anchored in archival research *Racing the Great White Way* recovers not only vital lost performance histories but also the layered contexts for performing bodies across the Black Atlantic and the Circum Atlantic *Drag Racing's Warren "The Professor"* Johnson Kelly Wade, 2021-04-15 Go behind the scenes for a look at Warren Johnson's path to becoming The Professor of Pro Stock This new book illuminates the life and career of one of the most prolific engine builders and racers ever to compete in the ultra competitive Pro Stock category drag racing's most technologically advanced class Warren Johnson navigated the world of factory hot rods for more than 45 years devoting himself to full time racing in 1975 and relentlessly pursuing horsepower and victory from the driver's seat and the engine room Johnson's devotion to research and development opened the door to a long standing relationship with Oldsmobile and GM Performance beginning with the birth

of the Drag Racing Competition Engine DRCE that is still used by every competitive team in the class He excelled when it came to outthinking the competition and was outspoken on matters that he deemed vital Johnson embraced thinking outside the box and pushed boundaries to affect change in terms of both safety and the advancement of the class but he also knew when it was appropriate and necessary to put on a good show for the fans Through his tireless efforts and with the support of a small crew that included his wife Arlene and son Kurt Johnson claimed two IHRA championships and six NHRA world titles along with an astounding 97 national event wins that placed him in the position of being the most winning driver of all time in the Pro Stock category This book complete with photos from the family archive and striking professional images of Johnson s many race cars dives into it all beginning with his childhood and early days of match racing when he developed the stern frugality and fierce resourcefulness that was the foundation of a tremendously successful though sometimes controversial career
