Traces Hemingway's critical fortunes over the ninety years of his prominence telling us something about what we value in literature and why scholarly reputations rise and fall Hemingway burst on the literary scene in the 1920s with spare penetrating short stories and brilliant novels Soon he was held as a standard for modern writers Meanwhile he used his celebrity to create a persona like the stoic macho heroes of his fiction After a decline during the 1930s and 1940s he came roaring back with *The Old Man and the Sea* in 1952 Two years later he received the Nobel Prize While his popularity waxed and waned during his lifetime Hemingway's reputation among scholars remained strong as long as traditional scholarship dominated New approaches beginning in the 1960s brought a sea change however finding grave fault with his work and making him a figure ripe for vilification Yet during this time scholarship on him continued to appear His works still sell well and several are staples on high school and college syllabi A new scholarly edition of his letters is drawing prominent attention and there is a resurgence in scholarly attention to and approbation for his work Tracing Hemingway's critical fortunes tells us something about what we value in literature and why reputations rise and fall as scholars find new ways to examine and interpret creative work Laurence W Mazzeno is President Emeritus of Alvernia University Among other books he has written volumes on Austen Dickens Tennyson Updike and Matthew Arnold for Camden House's Literary Criticism in Perspective series      *Reading Hemingway* Miriam B. *The Influence of the European Culture on Hemingway's Fiction* , Silvia Ammary,2015-06-09 The Influence of the European Culture on Hemingway's Fiction is an essential companion to all those who study Hemingway The study deals with how Hemingway depicts Europe in his fiction not necessarily from a biographical point of view as most critical books have dealt with but how he assimilates to the culture of Europe how he portrays the different aspects of that culture in food music customs architecture and literature This study views Hemingway's stories and novels through a new lens by applying new critical developments emergent approaches and transnational studies to aid in a fuller understanding of Hemingway Europe for Hemingway was a land of discovery and one cannot study his major novels without analyzing this passion for these lands The Europe that Hemingway experienced and recorded in his writing serves as an important element in his fiction becoming the other an alien culture that was sufficiently different from his American roots Yet this otherness serves first to fulfill his psychological needs to learn and become one of the initiated through suffering whether it involves himself or the loss of other people around him      *The Critical Reception of Hemingway's The Sun Also Rises* Peter L. Hays,2011 This History of the criticism of *The Sun Also Rises* shows not only how Hemingway's first major novel was received over the decades but also how different critical modes have dominated different decades and what besides tenure critics of different eras looked for in

Autumn in Venice Andrea Di Robilant, 2019-05-14 The illuminating story of writer and muse which also examines the cost to a young woman of her association with a larger than life literary celebrity Autumn in Venice is an intimate look at Hemingway's final years In the fall of 1948 Ernest Hemingway and his fourth wife traveled for the first time to Venice which Hemingway called absolutely god damned wonderful A year shy of his fiftieth birthday Hemingway hadn't published a novel in nearly a decade when he met and fell in love with Adriana Ivancich a striking Venetian girl just out of finishing school Here Andrea di Robilant re-creates with sparkling clarity this surprising years long relationship during which Adriana inspired a man thirty years her senior to complete his great final work Hemingway used Adriana as the model for Renata in *Across the River and into the Trees* and continued to visit Venice to see her when the Ivancichs traveled to Cuba Adriana was there as he wrote *The Old Man and the Sea* **Intertext** Rama Kundu, 2008 Papers presented at a two day national seminar on Globalization a challenge to educational management Lacan and Literature Ben Stoltzfus, 1996-01-01 This book of literary criticism uses Lacanian psychoanalytic theory to explicate Roland Barthes Albert Camus Ernest Hemingway D H Lawrence and Alain Robbe Grillet **Hemingway's Fetishism** Carl Peter Eby, 1995 **New Essays on Hemingway's Short Fiction** Paul Smith, 1998-05-28 The introduction and four scholarly essays in this volume constitute an overview of Hemingway's career as a short story writer and offer an overview of practical problems involved in reading this work The early short story *Up in Michigan* is explained in relation to the short story cycle In *Our Time* Problems of narration are analysed in *Now I Lay Me* an integral part of the famous Nick Adams stories A detailed look at ecological and Native American backgrounds is presented in *Fathers and Sons* in the collection *Winner Take Nothing* and *Snows of Kilimanjaro* is examined from a postcolonial perspective Also included is a selected bibliography designed to direct readers to the most valuable resources for the study of Hemingway's short fiction Hemingway's Neglected Short Fiction Susan F. **From Fact to Fiction** Shelley Fisher Fishkin, 1988 This volume offers the first full length study to examine the tradition in American letters since the 1830s of great imaginative writers beginning their careers in journalism Fishkin focuses on the

lives and careers of Walt Whitman Mark Twain Theodore Dreiser Ernest Hemingway and John Dos Passos in order to discover the roots of their greatest imaginative works and the factors that led each writer to turn to fiction Her probing examination of the poetry and fiction that followed the newspaper and magazine work of these writers reveals how each transformed fact into art and how journalism has helped to give a distinctively American cast to American literature A *Cognitive Approach to Ernest Hemingway's Short Fiction* Gabriela Tucan, 2021-04-09 How do readers make sense of Hemingway s short stories How is it possible that the camera like quality of his narrative can appeal to our senses and arouse our emotions How does it capture us With reserved narrators and protagonists engaged in laconic dialogs his texts do not seem to say much This book consciously revisits our responses to the Hemingway story a belated response to his invitation to discover what lies beneath the surface of his iceberg What this pioneering critical endeavor seeks to understand is the thinking required in reading Hemingway s short fiction It proposes a cognitively informed model of reading which questions the resources of the reader s imaginative powers The cognitive demonstrations here are designed to have potentially larger implications for the short story s general mode of knowing Drawing from both cognitively oriented poetics and narratology in equal measure this book explains what structures our interaction with literary texts
