Daniel Bloom

Reading Platos Theaetetus:

Reading Plato's Theaetetus Timothy D. J. Chappell, 2005-01-01 This book intersperses philosophical commentary with a new translation of the whole dialogue to present an original case for thinking that Plato's aim in the Theaetetus is to further the cause of his own anti empiricist theory of knowledge by testing and destroying a series of empiricist theories of knowledge

The Unity of Oneness and Plurality in Plato's Theaetetus Daniel Bloom, 2015-07-16 The Unity of Oneness and Plurality in Plato's Theaetetus offers a reading of the Theaetetus that shows how the characters failure to give an acceptable account i.e. a logos of knowledge is really a success the failure being a necessary result of the dialogue's implicit proof that there can never be a complete logos of knowledge The proof of the incompatibility of knowledge and logos rests on the recognition that knowledge is always of what is and hence is always of what is one while logos is inherently multiple Thus any attempt to give a logos of what is known amounts to turning what is one into something multiple and hence that which is expressed by any logos must be other than that which is known In this way The Unity of Oneness and Plurality in Plato's Theaetetus provides its readers with developed sketches of both a Platonic epistemology and a Platonic ontology An account of the incompleteness of all accounts is obviously a very slippery undertaking Plato's mastery of his craft is on full display in the dialogue Besides offering a reading of Plato's epistemology and ontology The Unity of Oneness and Plurality in Plato's Theaetetus investigates the insights and difficulties that arise from a close reading of the dialogue through a sustained analysis that mirrors the movement of the dialogue offering a commentary on each of the primary sections and showing how these sections fit together to supply an engaged reader with a unified whole

The Unity of Oneness and Plurality in Plato's Theaetetus Daniel Bloom, 2015-07-16 The Unity of Oneness and Plurality in Plato's Theaetetus offers a reading of the Theaetetus that shows how the characters failure to give an acceptable account i.e. a logos of knowledge is really a success the failure being a necessary result of the dialogue's implicit proof that there can never be a complete logos of knowledge The proof of the incompatibility of knowledge and logos rests on the recognition that knowledge is always of what is and hence is always of what is one while logos is inherently multiple Thus any attempt to give a logos of what is known amounts to turning what is one into something multiple and hence that which is expressed by any logos must be other than that which is known In this way The Unity of Oneness and Plurality in Plato's Theaetetus provides its readers with developed sketches of both a Platonic epistemology and a Platonic ontology An account of the incompleteness of all accounts is obviously a very slippery undertaking Plato's mastery of his craft is on full display in the dialogue Besides offering a reading of Plato's epistemology and ontology The Unity of Oneness and Plurality in Plato's Theaetetus investigates the insights and difficulties that arise from a close reading of the dialogue through a sustained analysis that mirrors the movement of the dialogue offering a commentary on each of the primary sections and showing how these sections fit together to supply an engaged reader with a unified whole

Theaetetus Plato, Aeterna Press, 2015-09-01 SOME dialogues of Plato are of so

various a character that their relation to the other dialogues cannot be determined with any degree of certainty The Theaetetus like the Parmenides has points of similarity both with his earlier and his later writings The perfection of style the humour the dramatic interest the complexity of structure the fertility of illustration the shifting of the points of view are characteristic of his best period of authorship The vain search the negative conclusion the figure of the midwives the constant profession of ignorance on the part of Socrates also bear the stamp of the early dialogues in which the original Socrates is not yet Platonized Had we no other indications we should be disposed to range the Theaetetus with the Apology and the Phaedrus and perhaps even with the Protagoras and the Laches Aeterna Press **Plato's Theaetetus** Plato, 1986 Theaetetus the Sophist and the Statesman are a trilogy of Platonic dialogues that show Socrates formulating his conception of philosophy as he prepares the defense for his trial Originally published together as The Being of the Beautiful these translations can be read separately or as a trilogy Each includes an introduction extensive notes and comprehensive commentary that examines the trilogy's motifs and relationships Seth Benardete is one of the very few contemporary classicists who combine the highest philological competence with a subtlety and taste that approximate that of the ancients At the same time he has set himself the entirely modern hermeneutical task of uncovering what the ancients preferred to keep veiled of making explicit what they indicated and hence of showing the naked ugliness of artificial beauty Stanley Rose Graduate Faculty Philosophy Journal Seth Benardete 1930-2001 was professor of classics at New York University He was the author or translator of many books most recently The Argument of the Action Plato's Laws and Plato's Symposium all published by the University of Chicago Press **Plato's Parmenides Reconsidered** M. Tabak, 2015-05-13 Plato's Parmenides Reconsidered offers a very accessible detailed and historically sensitive account of Plato's Parmenides Against the prevailing scholarly wisdom he illustrates conclusively that Parmenides is a satirical dialogue in which Plato attempts to expose the absurd nature of the doctrines and method of his philosophical opponents **Theaetetus** Plato, Bernard Williams, M. J. Levett, Myles Burnyeat, 1992-01-01 M J Levett's elegant translation of Theaetetus first published in 1928 is here revised by Myles Burnyeat to reflect contemporary standards of accuracy while retaining the style imagery and idiomatic speech for which the Levett translation is unparalleled Bernard Williams's concise introduction illuminates the powerful argument of this complex dialogue and illustrates its connections to contemporary metaphysical and epistemological concerns *Plato: Theaetetus and Sophist*, 2015-11-24 Plato's Theaetetus and Sophist are two of his most important dialogues and are widely read and discussed by philosophers for what they reveal about his epistemology and particularly his accounts of belief and knowledge Although they form part of a single Platonic project these dialogues are not usually presented as a pair as they are in Christopher Rowe's new and lively translation Offering a high standard of accuracy and readability the translation reveals the continuity between these dialogues and others in the Platonic corpus especially the Republic The supporting introduction and notes help the reader to follow the arguments as they develop explaining their

structure context and interpretation This new edition challenges current scholarly approaches to Plato's work and will pave the way for fresh interpretations both of Theaetetus and Sophist and of Plato's writings in general

Readings of Plato's Apology of Socrates Oda E. Wiese Tvedt, Vivil Valvik Haraldsen, Olof Pettersson, 2017-12-28 In Plato's Apology of Socrates we see a philosopher in collision with his society a society he nonetheless claims to have benefited through his philosophic activity It has often been asked why democratic Athens condemned a philosopher of Socrates character to death This anthology examines the contribution made by Plato's Apology of Socrates to our understanding of the character of Socrates as well as of the conception of philosophy Plato attributes to him The 11 chapters offer complementary readings of the Apology which through their different approaches demonstrate the richness of this Platonic work as well as the various layers that can be discerned in its presentation of Socrates While the contributions display variety in both topics and angles they also share common features An awareness of the importance of the literary aspects of Plato's courtroom drama as well as a readiness to take into consideration the historical context of the work Thereby they provide contributions to a manifold understanding of the aims and impact of the work without losing sight of the philosophical questions that are raised by Socrates confrontational and unrepentant defense speech Allowing the character of Socrates to take center stage the chapters of this volume examine the philosopher in relation to ethics and to politics and democracy as well as to the ideology religion and virtue shared by the Athenians Readers will also find reflections on classical Platonic subjects such as the nature of Socratic philosophical inquiry and of philosophy itself as well as on the notoriously ambiguous relationships between philosophy sophistry and rhetoric and their several relationships to truth and justice The anthology emphasizes and explores the equivocal and sometimes problematic aspects of Socrates as Plato presents him in the Apology illuminating why the Athenians let the verdict fall as they did while drawing out problematic features of Athenian society and its reaction to Socrates philosophic activity thereby encouraging reflection on the role philosophy can play in our modern societies

The Oxford Handbook of Plato, 2019-10-07 Plato is the best known and continues to be the most widely studied of all the ancient Greek philosophers The updated and original essays in the second edition of The Oxford Handbook of Plato provide in depth discussions of a variety of topics and dialogues all serving several functions at once they survey the current academic landscape express and develop the authors own views and situate those views within a range of alternatives The result is a useful state of the art reference to the person many consider the most important philosophical thinker in history This second edition of the Oxford Handbook of Plato differs in two main ways from the first edition First six leading scholars of ancient philosophy have contributed entirely new chapters Hugh Benson on the Apology Crito and Euthyphro James Warren on the Protagoras and Gorgias Lindsay Judson on the Meno Luca Castagnoli on the Phaedo Susan Sauvé Meyer on the Laws and David Sedley on Plato's theology This new edition therefore covers both dialogues and topics in more depth than the first edition did Secondly most of the original chapters have been revised and updated some in small others in large ways

Plato Plato,2010-04-16 *Theaetetus* written by legendary author Plato is widely considered to be one of the greatest classic and historical texts of all time This great classic will surely attract a whole new generation of readers For many *Theaetetus* is required reading for various courses and curriculums And for others who simply enjoy reading timeless pieces of classic literature this gem by Plato is highly recommended Published by Classic Books International and beautifully produced *Theaetetus* would make an ideal gift and it should be a part of everyone's personal library **Framing the Dialogues: How to Read Openings and Closures in Plato** ,2020-12-07 *Framing the Dialogues How to Read Openings and Closures in Plato* is a collection of 14 chapters with an Introduction that focuses on the intricate and multifarious ways in which Plato frames his dialogues Its main aim is to explore both the association between inner and outer framework and how this relationship contributes to and sheds light upon the framed dialogues and their philosophical content All contributors to the volume advocate the significance of closures and especially openings in Plato arguing that platonic frames should not be treated merely as trimmings or decorative literary devices but as an integral part of the central philosophical discourse The volume will prove to be an invaluable companion to all those interested in Plato as well as in classical literature in general

Elements of Being Lucy Fay Manning,2023 **Knowledge and Truth in Plato** Catherine Rowett,2018-04-19 Several myths about Plato's work are decisively challenged by Catherine Rowett the idea that Plato agreed with Socrates about the need for a definition of what we know the idea that he set out to define justice in the *Republic* the idea that knowledge is a kind of true belief or that Plato ever thought that it might be something like that the idea that knowledge proper is propositional and that the *Theaetetus* was Plato's best attempt to define knowledge as a species of belief and that it only failed due to his incompetence Instead Rowett argues that Plato was replacing the failed methods of Socrates including his attempt to find a definition or single common factor and that he replaced those methods with methods derived from geometry including methods that involve inference from shadows to their originals a method which Rowett calls the iconic method As a result we should see that Plato is presenting the knowledge that is acquired as non propositional and pictorial in nature and that it is to be identified not with knowledge of facts nor of objects but of types qua types types that stand to the tokens that are used in our enquiry as original to shadow The book includes detailed studies of the *Meno* *Republic* and *Theaetetus* and argues that the insights that Plato brings about the nature of conceptual knowledge its importance in underpinning all other activities and about the notion of truth as it applies to conceptual competence are significant and should be taken seriously as a corrective to areas in which current analytic philosophy has lost its way [Plato's Parmenides](#) Arnold

Hermann,2010-09-01 Plato's *Parmenides* presents the modern reader with a puzzle Noted for being the most difficult of Platonic dialogues it is also one of the most influential This new edition of the work includes the Greek text on facing pages with an English translation by Arnold Hermann in collaboration with Sylvana Chrysakopoulou The Introduction provides an overview and commentary aimed at scholars and first time readers alike **The Oxford Handbook of Plato** Gail

Fine, 2008-08-13 Plato is the best known and continues to be the most widely studied of all the ancient Greek philosophers. The twenty-one commissioned articles in *The Oxford Handbook of Plato* provide in depth and up-to-date discussions of a variety of topics and dialogues. The result is a useful state-of-the-art reference to the man many consider the most important philosophical thinker in history. Each article is an original contribution from a leading scholar and they all serve several functions at once: they survey the lay of the land, express and develop the authors' own views, and situate those views within a range of alternatives. This Handbook contains chapters on metaphysics, epistemology, love, language, ethics, politics, art, and education. Individual chapters are devoted to each of the following dialogues: the Republic, Parmenides, Theaetetus, Sophist, Timaeus, and Philebus. There are also chapters on Plato and the dialogue form, on Plato in his time, and on the history of the Platonic corpus, on Aristotle's criticism of Plato, and on Plato and Platonism.

Protagoras and the Challenge of Relativism Ugo Zilioli, 2016-04-15 Protagoras was an important Greek thinker of the fifth century BC, the most famous of the so-called Sophists, though most of what we know of him and his thought comes to us mainly through the dialogues of his strenuous opponent Plato. In this book Ugo Zilioli offers a sustained and philosophically sophisticated examination of what is in philosophical terms the most interesting feature of Protagoras' thought for modern readers: his role as the first Western thinker to argue for relativism. Zilioli relates Protagoras' relativism with modern forms of relativism; in particular, the robust relativism of Joseph Margolis gives an integrated account both of the perceptual relativism examined in Plato's Theaetetus and the ethical or social relativism presented in the first part of Plato's Protagoras, and offers an integrated and positive analysis of Protagoras' thought rather than focusing on ancient criticisms and responses to his thought. This is a deeply scholarly work which brings much argument to bear to the claim that Protagoras was and remains Plato's subtlest philosophical enemy.

The Cratylus of Plato Francesco Ademollo, 2011-02-03 The Cratylus, one of Plato's most difficult and intriguing dialogues, explores the relations between a name and the thing it names. The questions that arise lead the characters to face a number of major issues: truth and falsehood, relativism, etymology, the possibility of a perfect language, the relation between the investigation of names and that of reality, the Heraclitean flux theory, and the Theory of Forms. This full-scale commentary on the Cratylus offers a definitive interpretation of the dialogue. It contains translations of the passages discussed and a line-by-line analysis which deals with textual matters and unravels Plato's dense and subtle arguments, reaching a novel interpretation of some of the dialogue's main themes as well as of many individual passages. The book is intended primarily for graduate students and scholars in both philosophy and classics but presupposes no previous acquaintance with the subject and is accessible to undergraduates.

Plato's Forms William A. Welton, 2002-01-01 The theory of forms, usually attributed to Plato, is one of the most famous of philosophical theories; yet it has engendered such controversy in the literature on Plato that scholars even debate whether or not such a theory exists in his texts. *Plato's Forms: Varieties of Interpretation* is an ambitious work that brings together in a single volume widely divergent approaches to the

topic of the forms in Plato's dialogues. With contributions rooted in both Anglo American and Continental philosophy the book illustrates the contentious role the forms have played in Platonic scholarship and suggests new approaches to a central problem of Plato studies.

Philosophos Mary Louise Gill, 2012-09-20. Plato famously promised to complement the *Sophist* and the *Statesman* with another work on a third sort of expert: the philosopher. But we do not have this final dialogue. Mary Louise Gill argues that Plato promised the *Philosopher* but did not write it in order to stimulate his audience and encourage his readers to work out for themselves the portrait it would have contained. The *Sophist* and *Statesman* are themselves members of a larger series starting with the *Theaetetus*. Plato's investigation of knowledge and the whole series relies on the *Parmenides*, the second part of which presents a philosophical exercise introduced as the first step in a larger philosophical program. Gill contends that the dialogues leading up to the missing *Philosopher*, though they reach some substantive conclusions, are philosophical exercises of various sorts designed to train students in dialectic, the philosopher's method, and that a second version of the *Parmenides* exercise, closely patterned on it, spans parts of the *Theaetetus* and *Sophist* and brings the philosopher into view. This is the exercise about being the subject matter studied by Plato's philosopher. Plato hides the pieces of the puzzle and its solution in plain sight, forcing his students and modern readers to dig out the pieces and reconstruct the project. Gill reveals how, in finding the philosopher through the exercise, the student becomes a philosopher by mastering his methods. She shows that the target of Plato's exercise is internally related to its pedagogical purpose.

Unveiling the Magic of Words: A Review of "**Reading Platos Theaetetus**"

In a world defined by information and interconnectivity, the enchanting power of words has acquired unparalleled significance. Their capability to kindle emotions, provoke contemplation, and ignite transformative change is really awe-inspiring. Enter the realm of "**Reading Platos Theaetetus**," a mesmerizing literary masterpiece penned by a distinguished author, guiding readers on a profound journey to unravel the secrets and potential hidden within every word. In this critique, we shall delve in to the book is central themes, examine its distinctive writing style, and assess its profound impact on the souls of its readers.

Reading Platos Theaetetus Introduction

Reading Platos Theaetetus Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Reading Platos Theaetetus Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Reading Platos Theaetetus : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Reading Platos Theaetetus : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Reading Platos Theaetetus Offers a diverse range of free eBooks across various genres. Reading Platos Theaetetus Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Reading Platos Theaetetus Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Reading Platos Theaetetus, especially related to Reading Platos Theaetetus, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Reading Platos Theaetetus, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Reading Platos Theaetetus books or magazines might include. Look for these in online stores or libraries. Remember that while Reading Platos Theaetetus, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Reading Platos Theaetetus eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Reading Platos Theaetetus full book , it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Reading Platos Theaetetus eBooks, including some popular titles.

FAQs About Reading Platos Theaetetus Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Reading Platos Theaetetus is one of the best book in our library for free trial. We provide copy of Reading Platos Theaetetus in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Reading Platos Theaetetus. Where to download Reading Platos Theaetetus online for free? Are you looking for Reading Platos Theaetetus PDF? This is definitely going to save you time and cash in something you should think about.
