Reading Sappho Contemporary Approaches Classics And Contemporary Thought :

Reading Sappho Ellen Greene, 2023-07-28 Reading Sappho considers Sappho's poetry as a powerful influential voice in the Western cultural tradition. Essays are divided into four sections: Language and Literary Context, Homer and Oral Tradition, Ritual and Social Context, and Women's Erotics. Contributors focus on literary history, mythic traditions, cultural studies, performance studies, recent work in feminist theory, and more. A legendary literary figure, Sappho has attracted readers, critics, and biographers ever since she composed poems on the island of Lesbos at the close of the seventh century B.C. Bringing together some of the best recent criticism on the subject, this volume together with *Re-Reading Sappho* represents the first anthology of Sappho scholarship drawing attention to Sappho's importance as a poet and reflecting the diversity of critical approaches in classical and literary scholarship during the last several decades. Reading Sappho considers Sappho's poetry as a powerful influential voice in the Western cultural tradition. Essays are divided into four sections: Language and Literary Context, Homer and Oral Tradition, Ritual and Social Context, and Women.

Re-Reading Sappho Ellen Greene, 1996 The essays in this volume review the seemingly endless permutations wrought on Sappho through centuries of readings and rewritings. *Reader's Guide to Lesbian and Gay Studies* Timothy Murphy, 2013-10-18 The Reader's Guide to Lesbian and Gay Studies surveys the field in some 470 entries on individuals, Adrienne Rich, arts and cultural studies, Dance, ethics, religion, and philosophical issues, Monastic Traditions, historical figures, periods, and ideas, Germany between the World Wars, language, literature, and communication, British Drama, law and politics, Child Custody, medicine and biological sciences, Health and Illness, and psychology, social sciences, and education, Kinsey Report. *The Cambridge Companion to Sappho* P. J. Finglass, Adrian Kelly, 2021-04-29 A detailed up-to-date survey of the most important woman writer from Greco-Roman antiquity. Examines the nature and context of her poetic achievement, the transmission, loss, and rediscovery of her poetry, and the reception of that poetry in cultures far removed from ancient Greece, including Latin America, India, China, and Japan.

Ancient Roman Literary Gardens K. Sara Myers, 2024 Beginning with Cicero and Varro and ending with Statius and Pliny the Younger, this chapter offers a chronological investigation of the ways in which real and literary gardens developed from the first century BCE to the first century CE as a means of elite masculine self-representation and the reactions of elite Roman men to the increased social and cultural power of villa and horti estates and their grounds. Gardens served as powerful symbols of wealth and as creative displays of the cultural aspirations of their owners in ways that challenged traditional definitions of gardens and of Roman manliness. Since these large-scale gardens are primarily associated with leisure (otium), authors are concerned with describing and justifying their activities in these sites as befitting Roman masculine ideals. We can trace a change in attitude towards leisure and the private display of wealth and consequently gardens largely attributed to changes in the socio-political circumstances of the Roman elite in the works of Statius and his contemporary Pliny the Younger, who use laudatory descriptions of extensive villas and grounds as a means of expressing social and literary

power *Catullan Provocations* William Fitzgerald, 2023-04-28 Restoring to Catullus a provocative power that familiarity has tended to dim this book argues that Catullus challenges us to think about the nature of lyric in new ways Fitzgerald shows how Catullus's poetry reflects the conditions of its own consumption as it explores the terms and possibilities of the poet's license Reading the poetry in relation to the drama of position played out between poet poem and reader the author produces a fresh interpretation of almost all of Catullus's oeuvre Running through the book is an analysis of the ideological stakes behind the construction of the author Catullus in twentieth century scholarship and of the agenda governing the interpreter's position in relation to Catullus This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1996 Restoring to Catullus a provocative power that familiarity has tended to dim this book argues that Catullus challenges us to think about the nature of lyric in new ways Fitzgerald shows how Catullus's poetry reflects the conditions of its own consumption

Tragedy and Enlightenment Christopher Rocco, 2023-04-28 This title is part of UC Press's Voices Revived program which commemorates University of California Press's mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1997

Imperial Ideology and Provincial Loyalty in the Roman Empire Clifford Ando, 2013-08-29 The Roman empire remains unique Although Rome claimed to rule the world it did not Rather its uniqueness stems from the culture it created and the loyalty it inspired across an area that stretched from the Tyne to the Euphrates Moreover the empire created this culture with a bureaucracy smaller than that of a typical late twentieth century research university In approaching this problem Clifford Ando does not ask the ever fashionable question Why did the Roman empire fall Rather he asks Why did the empire last so long Imperial Ideology and Provincial Loyalty in the Roman Empire argues that the longevity of the empire rested not on Roman military power but on a gradually realized consensus that Roman rule was justified This consensus was itself the product of a complex conversation between the central government and its far flung peripheries Ando investigates the mechanisms that sustained this conversation explores its contribution to the legitimation of Roman power and reveals as its product the provincial absorption of the forms and content of Roman political and legal discourse Throughout his sophisticated and subtle reading is informed by current thinking on social formation by theorists such as Max Weber Jürgen Habermas and Pierre Bourdieu

Horace and the Gift Economy of Patronage Phebe Lowell Bowditch, 2001-03-02 This innovative study explores selected odes and epistles by the late first century poet Horace in light of modern anthropological and literary theory Phebe Lowell Bowditch looks in particular at how the relationship between Horace and his patron Maecenas is reflected in these poems themes and rhetorical figures Using

anthropological studies on gift exchange she uncovers an implicit economic dynamic in these poems and skillfully challenges standard views on literary patronage in this period Horace and the Gift Economy of Patronage provides a striking new understanding of Horace's poems and the Roman system of patronage and also demonstrates the relevance of New Historicist and Marxist critical paradigms for Roman studies In addition to incorporating anthropological and sociological perspectives Bowditch's theoretical approach makes use of concepts drawn from linguistics deconstruction and the work of Michel Foucault She weaves together these ideas in an original approach to Horace's use of golden age imagery his language concerning public gifts or munera his metaphors of sacrifice and the rhetoric of class and status found in these poems Horace and the Gift Economy of Patronage represents an original approach to central issues and questions in the study of Latin literature and sheds new light on our understanding of Roman society in general **The Gift of the Nile** Phiroze Vasunia,2001-12-04 What the ancient Greeks thought and believed about Egypt and what this tells us about them

Warriors Into Traders David W. Tandy,2000-11-27 A look at the shift in the economic model of ancient Greece at the brink between what we consider to be the dark ages and the golden age The newly emerged economic elite of this period introduced or reemphasized a variety of tools of exclusion *Arion* ,1998 **American Journal of Philology** Charles William Emil Miller,Benjamin Dean Meritt,Tenney Frank,Harold Fredrik Cherniss,Henry Thompson Rowell,2000 Each number includes Reviews and book notices **The Classical Review** ,1919 **Psychology and the Classics** Jeroen Lauwers,Hedwig Schwall,Jan Opsomer,2018-06-25 While the field of classics has informed and influenced the early developments of the field of psychology these two disciplines presently enjoy fewer fruitful cross fertilizations than one would expect This book shows how the study of classics can help psychologists anchor their scientific findings in a historical literary and philosophical framework while insights of contemporary psychology offer new hermeneutic methods and explanations to classicists This book is the first to date to offer a wide ranging overview of the possibilities of marrying contemporary trends in psychology and classical studies Advocating a critical dialogue between both disciplines it offers novel reflections on psychotherapy ancient philosophy social psychology literature and its theory historiography psychoanalysis tragedy the philosophy of mind linguistics and reception With twenty contributions by specialists in different fields it promotes the combination of classical and psychological perspectives and demonstrates the methods and rewards of such an endeavour through concrete case studies This pioneering book is thus intended for all readers who seek inspiration for their readings research or therapeutic practice **Women's Political and Social Thought** Hilda L. Smith,Berenice A. Carroll,2000 a wide array of time periods cultures and formats Library Journal The first collection of source readings of women's important writings in political and social theory from ancient times to the twentieth century From Sappho of Lesbos to Mary Wollstonecraft and from Jane Addams to Simone Weil these works fill a major gap in materials available for teaching the history of political thought and opens paths for exploring the rich and diverse contributions of women as creators of theory

The Power of Glamour Virginia Postrel, 2013-11-05 An exploration of glamour a potent cultural force that influences where people choose to live which careers to pursue where to invest and how to vote offers empowerment to be smarter about engaging with the world

The Routledge Handbook of Classics and Queer Theory Ella Haselswerdt, Sara H. Lindheim, Kirk Ormand, 2023-09-29 New directions in queer theory continue to trouble the boundaries of both queerness and the classical leading to an explosion of new work in the vast and increasingly uncharted intersection between these disciplines which this interdisciplinary volume seeks to explore This handbook convenes an international group of experts who work on the classical world and queer theory The discipline of Classics has been involved with and implicated in queer theory from the start By placing front and center the rejection of heteronormativity queer theory has provided Classics with a powerful tool for analyzing non normative sexual and gender relations in the ancient West while Classics offers queer theory ancient material such as literature visual arts and social practices that challenges a wide range of modern normative categories The collection demonstrates the vitality of this particular moment in queer classical studies featuring an expansive array of methodologies applied to the interdisciplinary field of Classics Embracing the indeterminacy that lies at the core of queer studies the essays in this volume are organized not by chronology or genre but rather by overlapping categories under the following rubrics queer subjectivities queer times and places queer kinships queer receptions and ancient pasts queer futures The Routledge Handbook of Classics and Queer Theory offers an invaluable collection for anyone working on queer theory especially as it applies to premodern periods it will also be of interest to scholars engaging with the history of sexuality both in the ancient world and more broadly

Contemporary Management of Innovation J. Sundbo, A. Gallina, G. Serin, J. Davis, 2005-12-14 Both society and markets have changed and the art of innovation has changed with them becoming increasingly complex The book comprises the chapters of twenty two European innovation researchers The authors challenge existing innovation theory and management dogma and present new theoretical perspectives Beginning with theoretical analyses of the innovation management field the book turns to the institutional and geographic factors underlying innovation and the potential posed by a soft or organizational view of innovation management before concluding with a section on the management of knowledge information and appropriability

Jeux de voix Florence Bertholet, 2009 Pourquoi et comment un auteur fait il entendre sa voix dans son oeuvre ou s y met il en sc ne Quelles sont ces voix qui disent je et qui discourent face un tu Refl tent elles la personnalit de l auteur et son individualit ou s inscrivent elles en cho dans une tradition litt raire Qui sont les destinataires et les interlocuteurs de ces dialogues de papier Quelle est l influence du contexte dans cette construction litt raire Telles sont parmi d autres les questions soulev es dans ce volume qui rassemble les actes d un colloque international organis l Universit de Lausanne en mai 2006 Centr es sur les questions de la communication du discours et de sa r ception dix huit tudes examinent des textes grecs et latins appartenant des genres vari s et issus d poques diff rentes pour confronter les concepts de litt rarit et d esth tique avec ceux d historicit et de sinc rit et pour affronter finalement la
