Biddle, Toby Fulwiler, 1994 reading, writing and the study of literature w.biddle toby fulwiler, 1989 **English Studies** Toby Fulwiler, William A. Stephany, 2002 This work offers an introduction to the study of literature for both potential majors and non majors The opening section of the text outlines both traditional and alternative genres of literary study the middle section demystifies and discusses critical theory and the third section guides students through the rigorous but rewarding process of writing about literature critically creatively and with research **Handbook of College Reading and Study Strategy Research** Rona F. Flippo, 2008-08-15 This Handbook is the most comprehensive and up to date source available for college reading and study strategy practitioners and administrators In response to changing demographics politics policy issues and concerns in the field of college reading and study strategies since publication of the first edition in 2000 this new edition has been substantially revised and fully updated to reflect the newest research in the field including six new chapters and a more user friendly structure to make it easier for researchers program administrators college instructors and graduate students to find the information that they need In this thorough and systematic examination of theory research and practice college reading teachers will find information to make better instructional decisions administrators will find justification for programmatic implementations and professors will find in one book both theory and practice to better prepare graduate students to understand the parameters and issues of this field The Handbook is an essential resource for professionals researchers and students as they continue to study research learn and share more about college reading and study strategy issues and instruction Reading, Writing, and Talking Gender in Literacy Learning Barbara J. Guzzetti, Josephine Peyto Young, Margaret M. Gritsavage, Laurie M. Fyfe, Marie Hardenbrook, 2013-10-08 Until now there has been no systematic analysis or review of the research on gender and literacy With all the media attention and research surveys surrounding gender bias and the inequities that continue to flourish in education a synthesis of the research studies was needed to raise awareness of gender issues in learning and literacy to provide successful interventions and recommendations to educators and to point out the direction for future inquiries by examining the unanswered questions of the existing research For the convenience of readers the studies are organized by genre gender and discussion reading writing electronic text and literacy autobiography Published by International Reading Association The Handbook of English for Specific Purposes Brian Paltridge, Sue Starfield, 2014-09-15 Featuring a collection of newly commissioned essays edited by two leading scholars this Handbook surveys the key research findings in the field of English for Specific Purposes ESP Provides a state of the art overview of the origins and evolution current research and future directions in ESP Features newly commissioned contributions from a global team of leading scholars Explores the history of ESP and current areas of research including speaking reading writing technology and business legal and medical English Considers perspectives on ESP research such as genre intercultural rhetoric multimodality English as a

lingua franca and ethnography *Resources in Education* ,1998-07 **Studying English Literature** Tory Young,2008-05-22 Studying English Literature is a unique guide for undergraduates beginning to study the discipline of literature and those who are thinking of doing so Unlike books that provide a survey of literary history or non subject specific manuals that offer rigid guidelines on how to write essays Studying English Literature invites students to engage with the subject s history and theory whilst at the same time offering information about reading researching and writing about literature within the context of a university The book is practical yet not patronizing for example whilst the discussion of plagiarism provides clear guidelines on how not to commit this offence it also considers the difficulties students experience finding their own voice when writing and provokes reflection on the value of originality and the concepts of adaptation appropriation and intertextuality in literature Above all the book prizes the idea of argument rather than insisting upon formulaic essay plans and gives many ways of finding something to say as you read and when you write in chapters on Reading Argument Essays Sentences and References **Children's Literature** Barbara Stoodt,1996 **Exam Secrets in Literature-in-English: What JAMB, WAEC and NECO Want from Candidates** Mazi Basil Nwokorie, Exam Secrets in Literature in English What JAMB WAEC NECO and NABTEB Want from candidates is specifically crafted for students and candidates who are preparing to take the examinations in Literature in English as administered by esteemed bodies such as Joint Admission And Matriculation Board JAMB West African Examination Council WAEC National Examination Council NECO and other similar institutions across Nigeria and Anglophonic West Africa With clear guidance and focused insights it equips candidates with the knowledge and strategies needed to succeed in these examinations confidently **Reading, Writing, and Bookish Circles in the Ancient Mediterranean** Jonathan D.H. Norton,Garrick Allen,Lindsey A. Askin,2022-06-30 By integrating conversations across disciplines especially focusing on classical studies and Jewish and Christian studies this volume addresses several imbalances in scholarship on reading and textual activity in the ancient Mediterranean Contributors intentionally place Jewish Christian Roman Greek and other reading circles back into their encompassing historical context avoiding subdivisions along modern subject lines divisions still bearing marks of cultural and ideological interests In their examination contributors avoid dwelling upon traditional methodological debates over orality vs literacy and social classifications of literacy instead turning their attention to the social historical groups of people circles and networks strata and class scribal culture material culture epigraphic and papyrological evidence functions and types of literacy and the social relationships that all of these entail Overall the volume contributes to an emerging and important interdisciplinary collaboration between specialists in ancient literacy encouraging future discussion between two currently divided fields *A Classification of Secondary School Courses* ,1982 Studying Literature in English Dominic Rainsford,2014-06-27 Studying Literature in English provides the ideal point of entry for students of English Literature This book is an accessible guide for Literature students around the world This book Grounds literature and the study of literature
