Reading The Bible For The First Time:

Reading the Bible Again For the First Time Marcus J. Borg, 2009-10-13 One of the vital challenges facing thoughtful people today is how to read the Bible faithfully without abandoning our sense of truth and history Reading the Bible Again for the First Time provides a much needed solution to the problem of how to have a fully authentic yet contemporary understanding of the scriptures Many mistakenly believe there are no choices other than fundamentalism or simply rejecting the Bible as something that can bring meaning to our lives Answering this modern dilemma acclaimed author Marcus Borg reveals how it is possible to reconcile the Bible with both a scientific and critical way of thinking and our deepest spiritual needs leading to a contemporary yet grounded experience of the sacred texts This seminal book shows you how to read the Bible as it should be examined in an approach the author calls historical metaphorical Borg explores what the Scriptures meant to the ancient communities that produced and lived by them He then helps us to discover the meaning of these stories providing the knowledge and perspective to make the wisdom of the Bible an essential part of our modern lives The author argues that the conventional way of seeing the Bible's origin authority and interpretation has become unpersuasive to millions of people in our time and that we need a fresh way of encountering the Bible that takes the texts seriously but not literally even as it takes seriously who we have become Borg traces his personal spiritual journey describing for readers how he moved from an unquestioning childhood belief in the biblical stories to a more powerful and dynamic relationship with the Bible as a sacred text brimming with meaning and guidance Using his own experience as an example he reveals how the modern crisis of faith is itself rooted in the misinterpretation of sacred texts as historical record and divine dictation and opens readers to a truer more abundant perspective This unique book invites everyone whatever one's religious background to engage the Bible wrestle with its meaning explore its mysteries and understand its relevance Borg shows us how to encounter the Bible in a fresh way that rejects the limits of simple literalism and opens up rich possibilities for our lives

Kort,2010-11-01 This book deals with the role of the category of scripture within adequate theories of textuality and culture Wesley Kort is interested in the practice of reading a text as though it were scripture Beginning with John Calvin's theory of reading Kort shows that the theory and practice of reading as detailed by Calvin are applied to other texts that begin to be read as scripture and eventually in the modern period replace the reading of the Bible as scripture These alternative texts are beginning in the sixteenth century nature then in the early eighteenth century history and at the beginning of the nineteenth century literature Kort argues that what we take as modernity is based on a practice of reading not in what it means to read but in what texts are read as scripture He argues that the postmodernist attempt not to read anything at all as scripture is an illusion that the theories of reading of Maurice Blanchot and Julia Kristeva expose In conclusion Kort raises the question of what it might mean today to again read the Bible as though it were scripture that is to read the Bible with practices indicated by Blanchot and Kristeva **Reading the New Testament for the First Time** Ronald J. Catholic Christian Spirituality for NEW AGE DUMMIES Fr. Benjamin A. Vima, 2012-12-21 This book is about Catholic spirituality which the author christens it as Catholic Christian Spirituality which introduces this spirituality to those who dream about knowing it clearly and observing it validly and fruitfully but not fully realized their dream yet It is a compilation of the Catholic Christian Spirituality's Scriptural foundations its historical explications of the Church its multi dimensional applications and its inner and outer dynamics Definitely the sole difference of this book from others as the author writes is the fact that it is a book written with my red and warm blood as a personal journal of my experiential spirituality as a cradle New Age Catholic Though this post modern age is judged as one of the most secular ones even as many comment it is an age of irreligiosity there are actually millions of people around the globe being hungry for spirituality

and earnestly looking for help with their inner lives Too many self declared sages propose too many strategies as they like Fr Vima observes in those dealings many are too extreme or too sentimental or too conservative and liberal or too wordy and theoretical With a heart of pastor serving in many parishes in the States he offers this book to the Catholic Christian friends who live move in this turbulent period This book is supposed to join in that group of works In no way it seeks to be exhaustive or conclusive handbook or textbook on Catholic Christian spirituality or any sort of spiri tual guidance It consists of discussions on the basic elements of Catholic Christian spirituality its various types its motives and especially its dynamics The author underlines this book s uniqueness as he writes In human communication it is said one visual is worth thousand words *Reading in the Presence of Christ: A Study of Dietrich Bonhoeffer's Bibliology and Exegesis* Joel

Banman,2021-02-11 Bonhoeffer s writings include a significant amount of biblical interpretation but his potential contributions in the fields of biblical studies and theological exegesis of Scripture have not been sufficiently explored This study reassesses some of his key exegetical writings in light of his theology of revelation and bibliology unfolding the ways in which his reading of the Bible is determined by his theology of Scripture Through this analysis Joel Banman demonstrates that the uniting factor of Bonhoeffer s biblical interpretation is not methodological but bibliological he reads Scripture as the living word of the present Christ *Bible Stories for Grown-Ups* Josh Scott,2023-04-04 Read the Bible for the first time again In Bible Stories for Grown Ups Reading Scripture with New Eyes pastor Josh Scott looks at familiar Bible stories and reveals new details and interpretations for an adult audience This six week Bible study will consider stories many read as children including Noah s Ark the binding of Isaac Jonah and the big fish Jesus and Zacchaeus Jesus healing a blind man and the parable of the talents Scott reimagines these stories and opens new visions for readers to understand well known pieces of Scripture in our current cultural environment The book can be read alone or used by small groups and can be used anytime throughout the year Additional components include video teaching sessions featuring Josh Scott and a comprehensive leader guide making this perfect as a six week group study done throughout the year
