Reading The Gospels Today

**Catherine Cory, Elizabeth Nagel, Peter
O'Leary, Stephen S. Wilbricht**

Reading The Gospels Today:

Reading the Gospels Today Stanley E. Porter, 2004 As ancient documents the New Testament Gospels can seem distant from contemporary life or irrelevant to modern society Further complicating the task of reading the Gospels is the way they seem to introduce differing if not competing pictures of Jesus Reading the Gospels Today is meant to help Bible readers understand and move beyond the difficulties involved in interpreting Scripture in our current context In these insightful studies several biblical scholars explore the content of the Gospels while also discussing how to read these writings in relation to each other and in terms of today's world Some chapters consider issues that vex Gospel criticism others look at particular texts or Synoptic themes still others demonstrate how one's immediate interpretive context helps to raise the issues and shape the answers that are found when we read the Gospels Well organized thoughtfully written and widely accessible this volume will serve to draw readers into the exciting field of contemporary Gospels study Contributors Craig A Evans Michael Knowles Andrew T Lincoln Allan Martens Lee Martin McDonald Stanley E Porter Al Wolters Yong Eui Yang

Reading the Gospels Wisely Jonathan T. Pennington, 2012-07-01 This textbook on how to read the Gospels well can stand on its own as a guide to reading this New Testament genre as Scripture It is also ideally suited to serve as a supplemental text to more conventional textbooks that discuss each Gospel systematically Most textbooks tend to introduce students to historical critical concerns but may be less adequate for showing how the Gospel narratives read as Scripture within the canonical framework of the entire New Testament and the whole Bible yield material for theological reflection and moral edification Pennington neither dismisses nor duplicates the results of current historical critical work on the Gospels as historical sources Rather he offers critically aware and hermeneutically intelligent instruction in reading the Gospels in order to hear their witness to Christ in a way that supports Christian application and proclamation *How to Read the Gospels* Yung Suk Kim, 2024-05-29 This accessible introduction to the Gospels examines the distinctive messages offered by the texts giving students a better understanding of methods and interpretations It explores a close reading of each Gospel and encourages students to approach texts from their own perspectives from postcolonialism to environmentalism The discussion questions included will help students focus their reflections on the gospel narrative its theology and methods of reading it How to Read the Gospels is an ideal textbook for undergraduate and seminary classrooms The book aims to reach seminary and graduate students who study the Gospels critically and comprehensively It provides user friendly summaries such as the basics of each Gospel authorship history important parables etc the Jesus of each Gospel and notable interpretation and translation issues Without reading the entire story readers often focus on only specific passages This book aims to foster close reading of each entire text sensitizing students to historical and literary issues that commonly arise and helping them better understand various ways to interpret these formative stories What makes this book unique is that it also engages various readings of the Gospels from traditional to deconstruction approaches including womanist interpretation disability

interpretation ecological interpretation and many more For example how can readers understand the story of Jesus surprising conversation with the Samaritan woman in John 4 through the lens of feminism Or postcolonial criticism By providing alternative ways to think about these stories and various methods of approaching texts that may be new to the student the book opens up how such passages can be interpreted and appreciated

Reading the Gospels as Christian Scripture (Reading Christian Scripture) Joshua W. Jipp, 2024-03-19 This survey textbook offers an accessible introduction to the four Gospels in their literary canonical and theological contexts In part 1 respected New Testament scholar Joshua Jipp focuses on these two questions What are the Gospels How did we get four canonical Gospels In part 2 Jipp explores the role that history narrative and theology play in our reading of the Gospels Part 3 examines each of the four canonical Gospels from the perspectives of history narrative and theology particularly emphasizing the role the Gospels play in discipleship This is the third volume in a series of survey textbooks that will cover the Old and New Testaments Beautifully designed in full color with maps sidebars images and illustrations to hold interest and aid learning Reading the Gospels as Christian Scripture offers a faith friendly introduction to students of the Gospels Additional resources for instructors are available through Textbook eSources

Reading the New Testament Today Brian E. Beck, 1977 Why do we have to study the New Testament Is it not simply enough to read it Beginning with a reading of the Lord's Prayer Brian Beck sets out to show how even the most familiar passages may benefit from more detailed study He writes simply and directly about the problems which arise from translation not only for the student but for every Christian who cares enough about the New Testament to want to understand it better He then goes on to show the way in which the different books came to be written and how they were brought together Though he is ready to criticise a number of scholars when he thinks they are mistaken he nevertheless yields to nobody in his high regard for many of the fruits of contemporary New Testament scholarship

Reading the New Testament Mark J. Keown, 2024-04-26 This book is a follow up to Discovering the New Testament a three volume series introducing students to the New Testament published 2018 2022 It is a more basic introduction for those beginning their biblical study The book includes chapters on exegesis and hermeneutics the Jewish and Greco Roman background to the New Testament and each part of the New Testament is introduced It is a good basic primer for those setting out on biblical study

The Jesus of the Gospels Andreas Köstenberger, 2020-03-31 A reader friendly guide to the life and teachings of the Jesus of the Gospels The Jesus of the Gospels brings together the best elements of a survey of the Gospels and a commentary on the Gospels to help readers know Jesus and understand the good news Drawing on decades of experience teaching and writing on the Gospels Andreas Köstenberger presents a holistic portrait of Jesus by leading readers through an in depth study of Matthew Mark Luke and John Each chapter explores one gospel account beginning with a short introduction that highlights the gospel's individual distinctives followed by an outline of the book Köstenberger breaks each gospel into short sections explaining the meaning and how it sheds light on Jesus and His mission Numerous sidebars maps and diagrams

highlight supplemental information and regular Recap sections summarize key points For those interested in further study footnotes point to useful resources In addition to helping readers follow the storyline and theology of each gospel Kstenberger also emphasizes practical application showing readers how to apply what they re learning to their lives Ideal for those who are new to the study of the Gospels and for instructors looking for an accessible introduction based on solid scholarship The Jesus of the Gospels offers readers and students to the riches of the Gospels and a deeper knowledge of Jesus and the good news

Exploring the New Testament David Wenham, Steve Walton, 2021-03-30 Written by scholars with extensive experience teaching in colleges and universities the Exploring the Bible series has for decades equipped students to study Scripture for themselves Filled with classroom friendly features this first volume now in its third edition provides an accessible introduction for anyone studying Jesus the Gospels and Acts

Mark's Gospel: An Actological Reading Malcolm Torry, 2022-05-19 This might look like an ordinary commentary on Mark's Gospel but it isn't one It understands reality as Action actions change diversity movement and the dynamic rather than as Being beings the unchanging the unitary rest and the static and it reads Mark's Gospel in the light of that distinctive understanding of reality It is all about action change and diversity and it understands God Jesus and ourselves as action change and diversity The initial chapter introduces the action based understanding of reality as action in changing patterns an actology rather than an ontology Then follows a section by section close study of the Gospel The result is a unique and somewhat unexpected reading of the text and a distinctive theology to match

New Testament Foundations Ralph P. Martin, Carl N. Toney, 2018-09-12 Drawing upon over fifty years of scholarly experience of one of the most industrious contemporary scholars this work which was first published in 1975 has been revised updated and expanded to offer a fresh in depth introduction to the New Testament for today's students Students will be immersed into the world of the first century learning about both Greco Roman and Jewish backgrounds While discussing the fundamental questions surrounding the content of each book including its authorship audience and message this work also engages with the wider historical critical discussion helping students navigate the wider world of modern New Testament scholarship

The Four Gospels on Sunday Gordon W. Lathrop, 2012-06-01 Premier liturgical theologian Gordon Lathrop argues that far too often liturgy preaching and liturgical theology are informed by nave and outdated exegesis In another fully original and deeply reflective work Lathrop partners with newer biblical studies to see the Gospels anew He treats the Gospels as early witnesses to the meaning of Christian assembly and forces in the shaping and reshaping of liturgy Lathrop first probes each Gospel historically and exegetically to discern what it tells us about early Christian worship and Christians relationship to the Risen One Then Lathrop treats the Gospels together to draw out more of their contemporary importance especially ways in which they can enrich our reflection about the assembly itself ministry baptism the use of scripture in liturgy and unity within ecumenical diversity Taking seriously the origins of the New Testament as we understand them today Lathrop demonstrates that the Gospels can remain

a true catalyst for liturgical theology and liturgical renewal as well as an inspiring link to the faith and convictions of the earliest followers of the Christian way

New Testament Foundations, Vol. 1 Ralph P. Martin, 1999-11-19 The merits of this volume are many The author writes in a very readable and intelligible style making the book clear and easy to understand His evaluations are objective carefully weighing both strengths and weaknesses and doing so from the standpoint of liturgical principle rather than dogmatic assertion Despite the scholarly approach there is a practical emphasis not found in many introductions New Testament Foundations represents scholarship at its best The Theological Educator

How to Read the Gospels Daniel J. Harrington, 1996 Father Harrington gives remarkably clear and complete responses to many of today's most commonly asked Bible questions He explains among other things who wrote the Gospels who Jesus is why there are four Gospels and why they are sometimes different from each other

How to Read the Bible (Without Switching Off Your Brain) Simon Taylor, 2015-09-17 This clear and practical approach will enable anyone to read the Bible better Tackles the key questions that people ask about the Bible Courteous and humorous style helps break through preconceptions Explains all its references and indeed how the Bible is referred to Suitable for individual use or in study or book groups Bible reading for everyone that's what this book offers It will speak to those who already read the Bible but find themselves asking why and to those who don't read the Bible but would like to if only it weren't so strange It explains what the Bible offers an overview of what is found in it and addresses questions people ask such as Does science disprove the Bible Why is there so much violence in the Bible What does the Bible say about sex The author also presents an account of reading the Bible in the context of a life of faith and suggests how the Bible might be integrated with a life of prayer

Reading Mark's Gospel as a Text from Collective Memory Sandra Huebenthal, 2020-05-28 How did the Gospel of Mark come to exist And how was the memory of Jesus shaped by the experiences of the earliest Christians For centuries biblical scholars examined texts as history literature theology or even as story Curiously absent however has been attention to processes of collective memory in the creation of biblical texts Drawing on modern explorations of social memory Sandra Huebenthal presents a model for reading biblical texts as collective memories She demonstrates that the Gospel of Mark is a text evolving from collective narrative memory based on recollections of Jesus's life and teachings Huebenthal investigates the principles and structures of how groups remember and how their memory is structured and presented In the case of Mark's Gospel this includes examining which image of Jesus as well as which authorial self image this text as memory constructs Reading Mark's Gospel as a Text from Collective Memory serves less as a key to unlock questions about the historical Jesus and more as an examination of memory about him within a particular community providing a new and important framework for interpreting the earliest canonical gospel in context

Four Portraits, One Jesus Mark L. Strauss, 2007 To Christian believers the Gospels record the greatest story ever told the events of the life death and resurrection of Jesus the Messiah They narrate the climax and turning point in human history when God acted decisively to achieve salvation for people everywhere To study the Gospels is

to study the foundation of Christianity Gospel Reading and Reception in Early Christian Literature Madison N. Pierce, Andrew J. Byers, Simon Gathercole, 2022-02-17 Before the early Christian evangelists were Gospel writers they were Gospel readers Their composition process was more complex than simply compiling existing traditions about Jesus then ordering them into a narrative frame Rather these writers were engaged in a creative and dynamic act of theological reception Gospel reading refers to this innovative and often artistic use of source materials from Israel's Scriptures to pre-existing narratives of Jesus to produce updated expanded or even alternative renditions This volume explores that process The common thread running through each chapter is the conviction that the early Christian practice of writing gospel and the Gospels was one of the most hermeneutically creative exercises in ancient literary culture one that was prompted by the perceived theological significance of Jesus The contributors seek to demonstrate the intricate dynamics of this controversial figure's theological and textual reception through foundational essays on specific texts and themes **The Earliest Gospels** Charles Horton, 2010-06-15 Horton brings together the latest research on the origins of the gospels and their transmission and provides the only guide to the Chester Beatty Codex P45 Provides an introduction to the gospel genre and examining literacy among early Christians and all that is known about the origins and transmission of the gospels Also focuses on the significance of P45 its place as the earliest Christian gospel book its unique readings the earliest extant version of the gospel of Mark and how the manuscript was found piece by piece by an American collector **Reading the New Testament in the Church** Francis J. SDB Moloney, 2015-04-14 Internationally respected scholar Francis Moloney offers a Catholic introduction to the New Testament that shows how to read it both faithfully and critically The opening chapter and an epilogue directly address the theological requirements of and historical challenges for ecclesial reading The remaining chapters give exemplary readings of the figure of Jesus and of the various divisions of the New Testament canon Conceived as a resource for religious educators deacons and other ministers in the Catholic Church this book will serve Catholics and others as an ideal supplement to a conventional New Testament introduction or as a companion to reading the New Testament itself Workbook for Lectors, Gospel Readers, and Proclaimers of the Word® 2021 United States Edition Catherine Cory, Elizabeth Nagel, Peter O'Leary, Stephen S. Wilbricht, 2020-10-22 This e-book edition features a reflowable layout perfect for viewing on a tablet or mobile device The e-book edition is perfect in this time of social distancing when effective practice and proclamation of Scripture is essential As assembly members continue to experience Mass in a variety of ways they still encounter the Lord through the Word proclaimed at home through live streaming or in a church while socially distanced Whether preparing readings for live streamed or in person Masses Workbook for Lectors Gospel Readers and Proclaimers of the Word continues to help and inspire readers and provides the tools they need to proclaim the Word at Mass or simply reflect at home with a greater understanding of the readings Workbook provides The Sunday readings in large print for practice Proclamation suggestions for emphasis in bold text Commentaries that provide background and

explain the meaning of the reading The Responsorial Psalms for meditation and context For almost forty years Workbook for
Lectors Gospel Readers and Proclaimers of the Word has helped those who proclaim the Word of God at liturgy prepare for
their ministry We hope you find the e book edition helpful in your ministry
