Reading Women's Lives, 1999

**Women's Fiction** Rebecca Vnuk, Nanette Donohue, 2013-09-17

Offering a fresh perspective on women's fiction for a broad reading audience fans as well as librarians this book defines and maps the genre and describes hundreds of relevant titles **Women's Fiction A Guide to Popular Reading Interests** celebrates the books in this broad genre titles that explore the lives of female protagonists with a focus on their relationships with family friends and lovers After a brief introductory history and a chapter that defines the characteristics of women's fiction the author showcases annotations and suggestions of approximately 300 titles by more than 100 authors She explains how women's fiction differs from romance fiction enabling readers to appreciate this rich body of literature that encompasses titles as diverse as Meg Cabot's lighthearted chick lit to the more serious novels of Elizabeth Berg and Maeve Binchy The book identifies some of the most popular and enduring women's fiction authors and titles and provides invaluable reading lists and readalike suggestions that will be appreciated by both librarians and general readers

## **Danish Cookbooks**

Carol Gold, 2007 Cookbooks tell stories They open up the worlds in which the people who wrote and read them once lived In the hands of a good historian cookbooks can be shown to contain the markings of political social and ideological changes that we conventionally locate outside the kitchen Cookbooks allow us to trace the course of empires of social roles and of new nations over time **DANISH COOKBOOKS** draws from three hundred years of Danish cookbooks to trace the growth of a bourgeois consciousness the development of domesticity and gendered spheres and the evolution of nationalism and a specific Danish identity from the early seventeenth to the beginning of the twentieth century Like all prescriptive literature cookbooks do not merely reflect the changes of the day but also constitute them Historian Carol Gold reads recipes and cooking instructions for what they can tell us about literacy levels division of labour in the kitchen and in society and changes in the gendered aspects of publishing and using cookbooks Gold explores the authors instructions for economic and hygienic housekeeping and their sentiments about Danish identity as spelled out in dishes and spices Just as the Danish nation would manage the body politic so women were exhorted to manage the house and ensure the family's physical and moral health Through the pages of cookbooks in recipes menus and table settings we can chart the growth of a nationalist Denmark and track the development of what it means to be a Dane Written with the ease of a veteran historian and in an accessible and engaging style **DANISH COOKBOOKS** will appeal to scholars in Scandinavian studies as well as in gender and women's studies It will also appeal to non academic readers interested in historical aspects of Danish nationalism and identity women's social history and cookbooks and cooking

*Critical Reading and Writing in the Digital Age* Andrew Goatly, Preet

Hiradhar, 2016-03-17 *Critical Reading and Writing in the Digital Age* is a fully introductory interactive textbook that explores the power relations at work in and behind the texts we encounter in our everyday lives Using examples from numerous genres such as fiction poetry advertisements and newspapers this textbook examines the language choices a writer must

make in structuring texts representing the world and positioning the reader Assuming no prior knowledge of linguistics Critical Reading and Writing in the Digital Age offers guidance on how to read texts critically and how to develop effective writing skills Extensively updated key features of the second edition include a radically revised and repackaged section that highlights the theme of discourses of power and authority and the new possibilities for resisting them a revamped analysis of the art of communication which has changed due to the advent of new media including Facebook and Wikipedia fresh examples exercises and case studies including fan fiction articles from the BBC Daily Mail and South China Morning Post and a selection of international ads for a variety of products a brand new companion website at [www.routledge.com/cw/goatly](http://www.routledge.com/cw/goatly) featuring projects quizzes and activities for each chapter a glossary and further reading Written by two experienced teachers Critical Reading and Writing in the Digital Age is an ideal coursebook for students of English language

**Victorian Culture and Experiential Learning** Kevin A. Morrison, 2022-03-14 This book is a crucial resource for instructors interested in bringing the past alive for their students through hands on immersive educational experiences While sharing a common historical field the contributors hail from multiple disciplines including art history human biology biological anthropology and English literature Ranging from assignments that involve students editing and annotating a primary work to producing an array of digital projects and from participating in study abroad programs to taking part in service learning initiatives the chapters will furnish readers with strategies for creating engaged and dynamic classrooms Although the focus of the book is on Victorian Britain the pedagogical approaches outlined in each chapter will be useful to instructors of any historical field

*Reading the Thread* Lesley Millar, Alice Kettle, 2024-12-26 Reading the Thread brings together artists theorists and designers to explore the nature and use of cloth as a means of record and communication Cloth is constructed from threads and in acknowledging its qualities of recording or communicating a story we are reading the threads the read thread There is also however an East Asian myth that when you are born you are linked by an invisible red thread to your soul mate no matter what you do this red thread connects you to your fate and although the thread may become tangled or infinitely long it will never break Exploring histories of making and cultural practices a multidisciplinary team of international scholars use the metaphorical thread to link the experiences of cloth production lineage practices contemporary challenges and sustainable futures and to explore through imagery and ideas the agency of cloth to shape and communicate the sensations and emotions connected with human experience Divided into four sections on reading cloth challenging the stories it tells following the thread of its narrative and finally anticipating its future The Read Thread allows a variety of viewpoints and a diversity of voices without favouring theory or specific cultural approaches to interrogate cloth as a record of experience within its social historical psychological and cultural context the authors explore our encounters with cloth and its role in the exploration of identity and biography representative of passage exchange life and death Provocative and timely and beautifully illustrated with over 50 color images it is vital reading for students and scholars of textiles fashion material

culture art and anthropology     Eating the Ocean Brian Payne,2022-12-02 During the first half of the twentieth century Canadian fisheries regularly produced more fish than markets could absorb driving down profits and wages To address this both industry and government sought to stimulate domestic consumption via increased advertising In Eating the Ocean Brian Payne explores how government funded marketing called upon Canadian housewives to prepare more seafood meals to improve family health and aid an industry central to Canadian identity and heritage The goal was first to make seafood a central element of a wholesome diet as a solution to a perceived nutritional crisis and second to aid industry recovery and growth while decreasing Canadian fisheries dependency on foreign markets But fishery managers and policymakers fundamentally miscalculated consumer demand wrongly assuming that Canadians could and would eat more seafood Fisheries continued to extract more fish than the environment and the market could sustain and the collapse of the nation s fisheries that we are now seeing has as much to do with failed assessments of market demand as it does with faulty extraction practices Using internal communications between industry leaders and Ottawa bureaucrats as well as advertising and promotional material published in the nation s leading magazines national and local newspapers and radio programming Eating the Ocean traces the flawed understanding of not only supply but demand a misguided gamble that caused fisheries to become the most mismanaged resource economy in early twentieth century Canada     **Readers, Reading, and Librarians**

**Preserving Family Recipes** Valerie J. Frey,2015-11-01 Heirloom dishes and family food traditions are rich sources of nostalgia and provide vivid ways to learn about our families past yet they can be problematic Many family recipes and food traditions are never documented in written or photographic form existing only as unwritten know how and lore that vanishes when a cook dies Even when recipes are written down they often fail to give the tricks and tips that would allow another cook

to accurately replicate the dish Unfortunately recipes are also often damaged as we plunk Grandma s handwritten cards on the countertop next to a steaming pot or a spattering mixer shortening their lives This book is a guide for gathering adjusting supplementing and safely preserving family recipes and for interviewing relatives collecting oral histories and conducting kitchen visits to document family food traditions from the everyday to special occasions It blends commonsense tips with sound archival principles helping you achieve effective results while avoiding unnecessary pitfalls Chapters are also dedicated to unfamiliar regional or ethnic cooking challenges as well as to working with recipes that are orphans surrogates or terribly outdated Whether you simply want to save a few accurate recipes help yesterday s foodways evolve so they are relevant for today s table or create an extensive family cookbook this guidebook will help you to savor your memories

**Gift Upon Gift** Dr. Sherri Brown,2010-08-11 This study builds upon recent scholarship exploring the significance of the Old Testament covenant metaphor in the Johannine writings By examining the Gospel of John as a whole through a narrative lens and focusing on several key dialogues the author sheds light on the dialogical nature of the revelatory process and the central role of covenant for the Fourth Evangelist Also incorporating recent scholarship that suggests the evangelist understood himself to be writing Scripture based upon fulfillment language present in summary statements across the Gospel and demonstrating a relationship between the Fourth Gospel and ancient drama that renders speech as action this work attempts to construct a new paradigm for reading John against the background of the Old Testament covenant metaphor The claim is twofold the Johannine story of Jesus Christ is a carefully crafted literary treatise theologically underpinned by discourse on covenant and Scripture and the Fourth Evangelist provides catechesis to a believing community on the nature of its faith in the God of Israel s ongoing covenant with the created order By grasping the theological fabric of the evangelist the richness of the dialogue and imagery of his Gospel is allowed to have its full voice in terms of covenant fulfillment and the ongoing commitment of God to a believing people *Doing Research/Reading Research* Paul Dowling,Andrew

Brown,2012-12-06 This bestselling text enables beginning researchers to organise and evaluate the research they read and to plan and implement small scale research projects of their own It gives structured practical guidance on the development of a research question techniques of data collection qualitative and quantitative forms of analysis the writing and dissemination of research The authors present research as a principled activity that begins with the establishing and structuring of theoretical and empirical fields and research findings as serving to ask questions of educational practice rather than directing it This revised and updated second edition includes a new chapter dealing with the complex issue of research ethics It also includes consideration of digital technologies and new media both as settings of research and research tools the chapters on qualitative and quantitative analysis have been expanded and the annotated bibliography updated The authors have been active researchers in educational studies for more than twenty years They have also supervised numerous doctoral and masters dissertations and taught research methods programmes in various higher education institutions around the world as

well as in the Institute of Education University of London

**Reading Canadian Women's and Gender History** Nancy Janovicek, Carmen Nielson, 2019-01-01 Inspired by the question of what's next in the field of Canadian women's and gender history this broadly historiographical volume represents a conversation among established and emerging scholars who share a commitment to understanding the past from intersectional feminist perspectives It includes original essays on Quebecois Indigenous Black and immigrant women's histories and tackles such diverse topics as colonialism religion labour warfare sexuality and reproductive labour and justice Intended as a regenerative retrospective of a critically important field this collection both engages analytically with the current state of women's and gender historiography in Canada and draws on its rich past to generate new knowledge and areas for inquiry

**Hear Her Voice** Christine Redwood, 2024-08-01 How does our gender impact our preaching Can women express anger in a sermon Why use a first person narrative sermon structure After preaching for several years Christine Redwood realized both her preaching role models and her theology had come predominantly from men so she spent the next six years researching feminist scholars and their readings of stories from the book of Judges In this accessible book she shares what she has learnt including sample sermons and exercises for preachers wanting to grow in their craft This is essential reading for preachers wanting to amplify marginal voices

**Tasteful Domesticity** Sarah Walden, 2018-04-25 *Tasteful Domesticity* demonstrates how women marginalized by gender race ethnicity and class used the cookbook as a rhetorical space in which to conduct public discussions of taste and domesticity Taste discourse engages cultural values as well as physical constraints and thus serves as a bridge between the contested space of the self and the body particularly for women in the nineteenth century Cookbooks represent important contact zones of social philosophies cultural beliefs and rhetorical traditions and through their rhetoric we witness women's roles as republican mothers sentimental evangelists wartime fundraisers home economists and social reformers Beginning in the early republic and tracing the cookbook through the publishing boom of the nineteenth century the Civil War and Reconstruction the Progressive era and rising racial tensions of the early twentieth century Sarah W Walden examines the role of taste as an evolving rhetorical strategy that allowed diverse women to engage in public discourse through published domestic texts

Esler,2011-06-09 Why and how should we read Old Testament narrative This book provides fresh answers to these questions First it models possible readers of the Bible religious and nonreligious professional and nonprofessional and the reasons that might attract them to it Second with the aid of Mediterranean anthropology it sets out an approach that helps us to interpret a selection of narratives with a cultural understanding close to that of an ancient Israelite Powerful stories such as those of Tamar and Judah in Genesis 38 Hannah in 1 Samuel 1 2 Saul and David in 1 Samuel David and Bathsheba in 2 Samuel 10 12 and Judith burst into new light when understood in closer relation to their original audience Interpreted in this way these narratives allow us to refresh the memory that links us with pivotal stories in Jewish and Christian identities they disclose more ample possibilities for being human they foster our capacity for intercultural understanding and they provide aesthetic pleasure from their embodying plots of great imaginative power      Reading the Bible outside the Church David G.

Ford,2018-07-12 In many places in the Western world churchgoing is in decline and it cannot be assumed that people have a good grasp of the Bible s content In this evolving situation how would the person on the street read the Bible Reading the Bible Outside the Church begins to answer this question David Ford spent ten months at a chemical industrial plant providing non churchgoing men with the opportunity to read and respond to five different biblical texts Using an in depth qualitative methodology he charts how their prior experiences of religion sense of non religious identity attitudes towards the Bible and beliefs about the Bible all shaped the readings that occurred
