The Feminist Architecture of Postmodern Anti-Tales Kendra Reynolds,2019-10-23 This monograph aims to counter the assumption that

the anti tale is a subversive twin or dark side of the fairy tale coin instead it argues that the anti tale is a genre rich in complexity and radical potential that fundamentally challenges the damaging ideologies and socializing influence of fairy tales The Feminist Architecture of Postmodern Anti Tales Space Time and Bodies highlights how anti tales take up timely debates about revising old structures opening our minds up to a broader spectrum of experience or ways of viewing the world and its inhabitants They show us alternative architectures for the future by deconstructing established spatio temporal laws and structures as well as limited ideas surrounding the body and ultimately liberate us from the shackles of a single minded and simplistic masculine reality currently upheld by dominant social forces and patriarchal fairy tales themselves It is only when these masculine fairy tales and social architectures are deconstructed that new more inclusive feminine realities and futures can be brought into being **Women's Studies on Its Own** Robyn Wiegman, 2002-11-13 The future of a retheorized women s studies in an increasingly institutionalized context
