When Russia Did Democracy Kenneth MacInnes,2023-01-15 Between the end of the Soviet Union in 1991 and the new millennium Russia went through a unique moment genuine democracy In this fascinating and absorbing book Kenneth MacInnes explores not just the 1990s when he lived and worked in Russia but the entire history of Russian democracy from the earliest days right up to President Putin **Water Capitalism** Walter E. Block,Peter L. Nelson,2015-10-30 Water covers some 75% of the earth s surface while land covers 25% approximately Yet the former accounts for less than 1% of world GDP the latter 99% plus Part of the reason for this imbalance is that there are more people located on land than water But a more important explanation is that while land is privately owned water is unowned with the exception of a few small lakes and ponds or governmentally owned rivers large lakes This gives rise to the tragedy of the commons when something is unowned people have less of an incentive to care for it preserve it and protect it than when they own it As a result we have oil spills depletion of fish stocks threatened extinction of some species e g whales shark attacks polluted and dried up rivers misallocated water unsafe boating piracy and other indices of economic disarray which if they had occurred on the land would have been more easily identified as the result of the tragedy of the commons and or government ownership and mismanagement The purpose of this book is to make the case for privatization of all bodies of water without exception In the tragic example of the Soviet Union the 97% of the land owned by the state accounted for 75% of the crops On the 3% of the land privately owned 25% of the crops were grown The obvious mandate requires that we privatize the land and prosper The present volume applies this lesson in detail to bodies of water **Historical Dictionary of the Russian Revolution** Jonathan Davis,2020-05-15 Historical Dictionary of the Russian Revolution focuses on the leading individuals ideas political parties and main events that were central to the transformation of Russia during the revolution The time period runs from January 1917 through to the Treaty of Brest Litovsk that took Russia out of the First World War in March 1918 It covers the main events ideas people and parties and takes the story of the revolution from the eve of the overthrowing of Tsar Nicholas II through to the Bolshevik seizure of power the first six months of Leninist rule and the Treaty of Brest Litovsk that ended Russia s involvement in the First World War Historical Dictionary of the Russian Revolution contains a chronology an introduction and an extensive bibliography The dictionary section has over 200 cross referenced entries on the revolutions the First World War political parties ideologies and individuals and the main events that defined the course of the Russian
