Souls in Transition Christian Smith, Patricia Snell, 2009-09-14 How important is religion for young people in America today What are the major influences on their developing spiritual lives How do their religious beliefs and practices change as young people enter into adulthood Christian Smith's Souls in Transition explores these questions and many others as it tells the definitive story of the religious and spiritual lives of emerging adults ages 18 to 24 in the U S today This is the much anticipated follow up study to the landmark book Soul Searching The Religious and Spiritual Lives of American Teenagers Based on candid interviews with thousands of young people tracked over a five year period Souls in Transition reveals how the religious practices of the teenagers portrayed in Soul Searching have been strengthened challenged and often changed as they have moved into adulthood The book vividly describes as well the broader cultural world of today's emerging adults how that culture shapes their religious outlooks and what the consequences are for religious faith and practice in America more generally Some of Smith's findings are surprising Parents turn out to be the single most important influence on the religious outcomes in the lives of young adults On the other hand teenage participation in evangelization missions and youth groups does not predict a high level of religiosity just a few years later Moreover the common wisdom that religiosity declines sharply during the young adult years is shown to be greatly exaggerated Painstakingly researched and filled with remarkable findings Souls in Transition will be essential reading for youth ministers pastors parents teachers and students at church related schools and anyone who wishes to know how religious practice is affected by the transition into adulthood in America today

The Bible Reading of Young Evangelicals Ruth H. Perrin, 2016-10-04 Young evangelicals in Britain often find themselves at odds with an increasingly secular society and yet the tradition persists and in some places flourishes Sociological studies into the faith of this demographic group are rare yet there is much to be explored as to how their faith functions and how it compares to other groups globally Similarly given the privilege evangelicals afford the biblical text how young believers engage with the ancient Scriptures they understand to be the word of God is particularly significant This work addresses that core question How do young evangelicals make sense of the Bible today Based on qualitative data gathered from three diverse evangelical churches it compares the reading priorities ordinary hermeneutics and theological concerns of young adults Presenting age related focus groups with challenging biblical narratives the study compares strategies for negotiating the texts based on age gender and churchmanship It provides a

unique insight into the realities of Bible reading and the faith of Generation Y and gives food for thought not only to those with scholarly interests but also those with a pastoral concern to shape and sustain the Christian faith of young adults in Britain and beyond
