BLACKWELL COMPANION TO THE Sociology of Religion I enjoyed reading this book for its in depth examination of the
complexities of the social forces that are shaping and are being shaped by religious groups around the world I certainly see
this being of theoretical value for researchers engaging the new religious realities of our world Sociology of Religion A
Quarterly Review The new companion is a timely and valuable work validly updating the original companion and a good
addition to the reference shelves of any academic or specialist library Reference Reviews Reflecting recent developments in
the field this companion provides a comprehensive introduction to the sociology of religion with a clear emphasis on
comparative and historical approaches Covering all the areas relevant to undergraduate courses in this area the Companion
