Readings In American History I

**United States. Superintendent of
Documents**

Readings In American History I:

Readings in American History David Saville Muzzey, 1915 Readings in US History (First Edition) Wladimir Miszczenko, 2020-07-27 The selections in Major Events and Daily Lives Readings on United States History Since 1865 introduce students to new perspectives on history and major historical events by exploring everyday issues that have impacted the American people's daily lives. The readings address familiar and relatable topics while shedding light on the events, culture, and consciousness of times past. Topics include the myth and the reality of the Wild West, women's roles in the 1890s, advertising in the Golden Age of radio, popular music during World War II, and the invention of mass-produced baby food. The second edition features new articles that address the rise of baseball as an American pastime, golf during the Great Depression, xenophobia in the 1920s, comic books and propaganda during World War II, and more. These windows into the lives of average Americans enhance readers' understanding of not only the effects of history but the part each of us plays in making it enjoyable and informative. Major Events and Daily Lives demonstrates the power of often overlooked details in the historical story. It is an ideal supplemental reader for courses in post-Civil War American history and society. Reading American History Bruce A. VanSledright, 1996 **Readings in American History**, 1963 **Reading the American Past: Volume I: To 1877** Michael P. Johnson, 2012-01-05 With five carefully selected documents per chapter, this two-volume primary source reader presents a wide range of documents representing political, social, and cultural history in a manageable, accessible way. Thirty-two new documents infuse the collection with the voices of an even wider range of historical actors. Expertly edited by Michael P. Johnson, one of the authors of *The American Promise*, the readings can be used to spark discussion in any classroom and fit into any syllabus. Headnotes and discussion questions help students approach the documents, and comparative questions encourage students to make connections across documents. *Reading the American Past* is FREE when packaged with *The American Promise: A Compact History* and *Understanding the American Promise*. For more information on the reader or on package ISBNs, please contact your local sales representative or click here. Selected Readings in American History Robert D. Becker, 1977 **Readings in American History** James Alton James, 2015-10-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps, as most of these works have been housed in our most important libraries around the world and other notations in the work. This work is in the public domain in the United States of America and possibly other nations. Within the United States, you may freely copy and distribute this work as no entity, individual, or corporate has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of

the preservation process and thank you for being an important part of keeping this knowledge alive and relevant

Readings in American History John Samuel Ezell, Robert Crawford Cotner, 1964 Success with Reading: 10 Easy-To-Read American History Plays That Reach All Kinds of Readers Sarah Glasscock, 2001 All students love learning history with these exciting easy to read plays The plays are all written on a 3rd grade reading level so even your most challenged readers will be successful Topics covered include Columbus's explorations Jamestown the Pilgrims the Boston Tea Party the Underground Railroad the Civil War Immigration and more Also includes creative activities Web and literature links background information and vocabulary lists For use with Grades 4-8 *Readings in American History* Herbert Jacob Bass, Glyndon Garlock Van Deusen, 1963 **Readings in American History** Glyndon Garlock Van Deusen, 1968

Readings in American History Harp Press, James James Alton 1864-1962, 2013-06 Unlike some other reproductions of classic texts 1 We have not used OCR Optical Character Recognition as this leads to bad quality books with introduced typos 2 In books where there are images such as portraits maps sketches etc We have endeavoured to keep the quality of these images so they represent accurately the original artefact Although occasionally there may be certain imperfections with these old texts we feel they deserve to be made available for future generations to enjoy Reading the American Past: Volume II: From 1865 Michael P. Johnson, 2012-01-05 With five carefully selected documents per chapter this two volume primary source reader presents a wide range of documents representing political social and cultural history in a manageable accessible way Thirty two new documents infuse the collection with the voices of an even wider range of historical actors Expertly edited by Michael P Johnson one of the authors of *The American Promise* the readings can be used to spark discussion in any classroom and fit into any syllabus Headnotes and discussion questions help students approach the documents and comparative questions encourage students to make connections across documents *Reading the American Past* is FREE when packaged with *The American Promise: The American Promise A Compact History and Understanding the American Promise* For more information on the reader or on package ISBNs please contact your local sales representative or click here **Readings in American History** Harp Press, 1999-08-01 Readings in Latin American History: To 1810 Lewis Hanke, 1966 The author has chosen articles which have made permanent contributions on significant topics sometimes embodying new approaches to the study of Latin American history and in general representing a balance between the work of veteran historians and younger scholars in the field The text of each article appears in its entirety minus the footnotes but with a brief introductory note to identify the author and to suggest the relation of his article to the relevant literature on the topic he treats Preface **Speaking of America** Laura A. Belmonte, 2003-11 Designed to expose students to a variety of sources on United States history from the colonial era to the present day The collection includes speeches letters paintings artifacts poems short stories photographs lyrics book excerpts articles and news accounts encompassing multicultural and regional perspectives The selected readings address important episodes in politics economics and foreign policy as well as

social and cultural changes and come from both famous and ordinary Americans Strategic Reading in U. S. History Social Studies School Service,2006 **Games and Strategies for Teaching U.S. History** Marvin B. Scott,1998 Developed by an acclaimed history teacher in Iowa this popular resource includes 14 simulations debates quiz games and strategy games It covers key topics from the first explorers to the 2000 presidential elections Convene a constitutional convention re fight the Civil War relive the Crash of 29 and much more Use this ingenious text to reinvigorate your history classes *The Reintegration of American History* William W. Freehling,1994 A collection of essays on slavery in the Old South including Denmark Vesey **Municipal Government and Administration: Administration** William Bennett Munro,1923
