Readings In Cost And Managerial Accounting:

Readings in Cost and Managerial Accounting Louis Geller, Jae K. Shim, 1980-01-01 **Information for Decision Making** Alfred Rappaport, 1982 **Readings in Management Accounting** S. Mark Young, 2001 A supplementary reader for all levels of Cost and Management Accounting courses This reader contains thirty nine recent business press and academic articles all representing state of the art thinking and examples on a wide variety of management accounting topics in many types of service and manufacturing contexts The articles parallel the contents of Management Accounting 3 e Atkinson et al but can be used with any core management and cost accounting text While this book can be used to supplement any management or cost accounting text the readings have been designed to accompany Anthony Atkinson Rajiv Banker R S Kaplan and S Mark Young s textbook Management Accounting 3rd Edition Prentice Hall 2001 In addition the Instructor s Manual keys the readings to other textbooks so that the casebook can also be used with these entries

Information for Decision Making Alfred Rappaport, 1982-01-01 An overview of management accounting Cost estimation and allocation Cost price and output decisions Standard costs and analysis of variances Budgeting and financial models Capital budgeting Decentralization and performance evaluation Decentralization and transfer pricing Designing managerial incentives Behavioral aspects of information **Readings in Cost Accounting, Budgeting & Control** William Edgar Thomas, 1973 *Readings in Cost Accounting, Budgeting, and Control* William Edgar Thomas, 1978 *The Design of Cost Management Systems* Robin Cooper, Robert S. Kaplan, 1991 During the past years the limitations of traditional cost accounting systems in today s competitive environment have been widely documented This text provides material that enables the reader to analyze the defects of existing traditional systems and offers advice on designing systems *Readings in Accounting for Management Control* David Otley and Kenneth Merchant Clive Emmanuel, 2013-12-19 This collection contains the main journal articles necessary to complement and support the established second edition of Accounting for Management Control The success of the text stems from the authors commitment to examining management accounting in an organizational and behavioural context Only in this way can the contribution to the management control system be evaluated The articles contained in this volume follow the structure and content of the main book providing deeper insights into those fundamental issues of accounting control systems design and indicating the direction of future developments in research The collection contains articles with a variety of perspectives and range from as early as the 1950s through to the present The inclusion of all these papers in one volume gives the student easier access to the body of work upon which the main text is based A teacher s manual to be used in conjunction with the main text is also available This book should be of interest to senior undergraduate students of accounting and finance and university and polytechnic libraries

A

History of Management Accounting Trevor Boyns, J. R. Edwards,2013 There is growing interest in the history of accounting amongst both accounting practitioners and accounting academics This interest developed steadily from about 1970 and

really took off in the 1990s However there is a lack of texts dealing with major aspects of accounting history that can be used in classrooms to inform new researchers and to provide a source of reference for established researchers The great deal of research into cost and management accounting in Britain published in academic journals over the last twenty years including the authors own contributions makes The History of Cost and Management Accounting an essential contribution to the field
