Readings In Her Story Women In Christian Tradition:

Her Story Barbara J. MacHaffie, 2006 The Bible has been written translated and interpreted for centuries by men in cultures that were patriarchal In patriarchy women are subordinated within the gradations of a hierarchical society Material on women therefore has often been misinterpreted or overlooked In some instances generic nouns and pronouns in the original languages have been translated into English as masculine words A careful textual study must be made using all the available tools of biblical scholarship An accurate understanding of the meaning of words must be sought Also readers must try to discern the intentions of the author and try to gain a knowledge of the historical and social background of the biblical material The demands of God must be distinguished from the demands of a particular culture The bible as a whole makes it clear that God's people are to bring justice and wholeness to all human beings the injunctions that degrade women do not provide principles valid for every age of Christianity but instead reflect cultural situations in which men related to women through dominance The standard for the Christian community today should be the glimmers of female dignity and leadership that shine through the pages of the Bible

Readings in Her Story Barbara J. MacHaffie, A unique anthology Barbara MacHaffie has collected into one volume 74 of the most important Christian documents and passages by and about women Ranging from Genesis to now these primary sources put the reader directly in touch with the most significant and influential events personalities and issues of women's religious history Often lamentably and sometimes gloriously these voices ancient and modern female and male Roman Catholic and Protestant feminist and patriarchal bear decisively on women's identities today

Feminism and Christian Tradition Mary-Paula Walsh, 1999-05-30 This annotated bibliography a volume in the Greenwood series Bibliographies and Indexes in Religious Studies provides access to the numerous writings from the 1960s through the 1990s on feminism and Christian tradition Major feminist theologians and sociologists are represented As a guide to further research this cross disciplinary approach presents themes and issues in both a historical and a topical framework An extensive overview of feminism in relation to the women's movement women's studies sociology and American religion introduces the literature and provides a historical context for the nearly one thousand entries that follow Cross referenced throughout the literature is presented in six thematic categories that include introductory and background materials feminism and the development of feminist theology topical literatures in feminist theology feminism and womanist theology religious leadership of women and responses and recent developments Separate author subject and title indexes complete the volume

Women in Christian History Carolyn DeArmond Blevins, 1995 For much of Christian history the role of women in the life of the church both local and universal has been downplayed overlooked or simply denied Such a state of affairs of course also denies the testimony of the church's Scriptures regarding the key role women played in Jesus' own ministry and that of the early church It denies or deliberately overlooks the significant role of women in the life of the church throughout the church's history down to and including the present day In recent years such denial of the significant place of

women in Christian history of course has been addressed But nowhere is there available a more comprehensive bibliography than the present one compiled by Carolyn Blevins The reach of Blevins s bibliography is wide from the earliest church to present times across every ethnic and national boundary and throughout virtually every segment of the church Catholic and Protestant and stripes in between or beyond This is in many ways but a beginning place Yet with the help of Blevins s good work students teachers researchers historians and all other seekers after the significant place of women in Christian history have indeed a place to make a good beginning *Encyclopedia of Women in Today's World* Mary Zeiss Stange,Carol K.

Oyster,Jane E. Sloan,2011-02-23 This work includes 1000 entries covering the spectrum of defining women in the contemporary world *Encyclopedia of Women in American History* Joyce Appleby,Eileen Chang,Joanne

Goodwin,2015-07-17 This illustrated encyclopedia examines the unique influence and contributions of women in every era of American history from the colonial period to the present It not only covers the issues that have had an impact on women but also traces the influence of women s achievements on society as a whole Divided into three chronologically arranged volumes the set includes historical surveys and thematic essays on central issues and political changes affecting women s lives during each period These are followed by A Z entries on significant events and social movements laws court cases and more as well as profiles of notable American women from all walks of life and all fields of endeavor Primary sources and original documents are included throughout **An Introduction to Theology in Global Perspective** Stephen B. Bevans,2009

A Women's History of the Christian Church Elizabeth Gillan Muir,2019-05-06 Tracing two thousand years of female leadership influence and participation Elizabeth Gillan Muir examines the various positions women have filled in the church From the earliest female apostle and the little known stories of the two Marys the Virgin Mary and Mary Magdalene to the enlightened duties espoused by the nun the abbess and the anchorite and the persecutions of female witches Muir uncovers the rich and often tumultuous relationship between women and Christianity Offering broad coverage of both the Catholic and Protestant traditions and extending geographically well beyond North America *A Women s History of the Christian Church* presents a chronological account of how women developed new sects and new churches such as the Quakers and Christian Science The book includes a timeline of women in Christian history over 25 black and white illustrations a glossary and a list of primary and secondary sources to complement the content in each chapter **Introducing Feminist Theology** Anne M.

Clifford,2001 *Introducing Feminist Theology* responds to the questions What is feminist theology and Why is it important by considering the perspectives of women from around the globe who have very diverse life experience and relationships to God Church and creation Clifford introduces the major forms of feminist theology radical reformist and reconstructionist and highlights some of their specific characteristics *Confronting Sexism in the Church* Heather Matthews,2024-08-27 Despite real progress women continue to be silenced wounded and relegated to the sidelines in our churches But we can learn to do better Exploring the history and culture of sexism in our contemporary evangelical world Heather Matthews offers simple

practical steps for how Christians can actively fight sexism in its many forms *A Study Companion to Introduction to the History of Christianity* Beth Wright,2013-11-01 The Study Companion is a valuable additional resource for introductory courses in church history that use Tim Dowleys popular Introduction to the History of Christianity Packed with the essential primary readings for introductory courses in the history of Christianity the Study Companion also provides biographical information thematic explorations of historical themes that are important today as well as a host of other pedagogical tools that will enrich the students experience **Christina Rossetti's Feminist Theology** L. Palazzo,2002-03-13 This volume disputes the assumption that Rossetti was a follower of Keble and Pusey and shows how her dissatisfaction with the male dominated call to celibacy led her to reject their notions of worldliness and to form a closer bond with the physical world and the body Women in World Christianity Gina A. Zurlo,2023-08-07 A groundbreaking comprehensive and interdisciplinary analysis of women s experiences in World Christianity Women in World Christianity Building and Sustaining a Global Movement is the first textbook to focus on women s experiences in the founding spread and continuation of the Christian faith Integrating historical theological and social scientific approaches to World Christianity this innovative volume centers women s perspectives to illustrate their key role in Christianity becoming a world religion including how they sustain the faith in the present and their expanding role in the future Women in World Christianity features findings from the Women in World Christianity Project a groundbreaking study that produced the first quantitative dataset on gender in every Christian denomination in every country of the world Throughout the text special emphasis is placed on women in the twentieth and twenty first centuries the period of Christianity s shift from the global North to the global South Easily accessible chapters organized by continent tradition and select topics introduce students to the wide variety of Christian belief and practice around the world The book also discusses issues specifically relevant to women in the church gender based violence ecology theological education peacebuilding and more This textbook Provides a balanced view of women s involvement in Christianity as a world religion and how they sustain the faith today Introduces students to female theologians around the world whose scholarship is generally overlooked in Western theological education Discusses women s essential contributions to Christian mission leadership education relief work healthcare and other social services of the church Complements the growing body of literature about Christian women from different continental regional national and ecclesiastical perspectives Explores the contributions of contemporary Christian women of all major denominations in Africa Asia Europe Latin America North America and Oceania Helps students become more aware of the unique challenges women face worldwide and what they are doing to overcome them Women in World Christianity Building and Sustaining a Global Movement is an excellent primary textbook for introductory courses on World Christianity History of Christianity World Religions Gender in Religion as well as undergraduate and graduate courses specifically focused on women in World Christianity Women and Christianity Cheryl A. Kirk-Duggan,Karen Jo Torjesen,2009-12-22 This work explores the impact of Christian women as scholars and leaders

representing the ethnic national racial and denominational diversity of Christianity today on all aspects of life Women and Christianity explores the experiences of women and how their daily lives interface with their spirituality and faith Beginning with a historical overview the book presents essays grouped under five broad headings women family and environment socioeconomics politics and authority body mind and spirit sex power and vulnerability and women world view and religious practice These essays focus on multiple aspects of women s experiences and contemporary Christian realities involving the interrelatedness of faith thought and activism across many strata of global society They wrestle with the daily experiences and challenges women face integrating their lives as women of faith as they are advocates experience agency and work for mutuality It shows how in all these roles women must negotiate power injustice and the impact of sexism as they work within systemic oppression amid a patriarchal system nevertheless championing change and refusing to be severely compromised

Creative Living Series Catherine D. Weathers, 2013-04-24 Marriage is a holy union created by God to assist men in taking dominion and nurturing the planet earth However every man is not full grown men manhood comes in stages not in age Women mature faster than men yet the Cinderella complex must be removed to allow reality to set in what you see is what you get So far man has done a lousy job Satan has not been stopped from creating havoc throughout the world the earth atmosphere is deteriorating our weather pattern is sporadic and our waterways are polluted the divorce rate is over 50% whether they are in the church or not Many of our youth are afraid to wed and lead a single parent lifestyle Many children are out of control and our killing rate is over the top If we continue in this manner we are faced with future extinction We need a new way of doing things yesterday is not fast enough the fiber of humanity weighs on the outcome of husbands and wives being able to mutually work out their differences in a mature manner This book is spiritually based to assist male and female grow in relation that keeps them together before and after they are wed Marriage is a union of three the husband the wife and God or your higher power whatever that maybe It is a three strand cord that keeps the union entwined and helps defeat the spiritual enemy Satan that hides

This Is Our Story Janet Wootton, 2013-01-07 The story of women s ministry is longer and far more varied than most people imagine This book tells the story of women s ministry in the Free Churches and looks at its impact on the ways we worship and live out our Christian lives Women have ministered in garrets and gutters at home and on the mission field Today women are fully engaged in ministry within our multicultural society bringing a diversity of voices to match the diversity of the world in which we live Six well known contributors who are themselves involved in the story of women s ministry explore issues of leadership and authority preaching and worship global perspectives the relation to feminist theology and the ecumenical setting Their contributions are complemented by the voice of experience Women from varied backgrounds tell their own stories of being called to a ministry that sometimes doesn t fit of wrestling with the traditions that have nurtured their faith and that can put obstacles in their way Here we see something of the variety and of the rich texture of women s ministries in the contemporary church Some of the women represented here

have found their journey to ministry uncomplicated Others have traveled long and painful roads meeting opposition and hostility Many have moved from trying to be one of the boys to the recognition that their gender can have an influence on their ministry The stories interact with the articles bringing many lively and dramatic voices to the telling of our story

Women and the Christian Story Jennifer Hornyak Wojciechowski, 2022-10-18 This is a story about Christian women It is a story of martyrs mystics missionaries leaders preachers theologians saints and prophets For most of its two thousand year history Christianity has told its stories from the perspective of men mostly powerful men and almost always men in control of the official narrative These masculine narratives tell only part of the story because they obscure the rich and essential contributions large and small of Christian women throughout time If the stories of women have been overlooked generally stories of women from outside the Western tradition have been even more seriously overlooked In this exciting readable and fresh new history of Christianity Jennifer Hornyak Wojciechowski foregrounds the story of Christian women for a new era Be they powerful or nameless saintly or flawed women across two millennia and six continents are lifted up and allowed to speak fully to their part in the spread of the faith Wojciechowski's book works perfectly as a classroom text while welcoming general readers of all backgrounds and interest levels

Daughters of Sarah, 1992 *Evangelical Identity and Gendered Family Life* Sally K. Gallagher, 2003 *Evangelical Identity and Gendered Family Life* provides a sociological and historical analysis of gender family and work among evangelical Protestants In this innovative study Sally Gallagher traces two lines of gender ideals one of husbands authority and leadership the other of mutuality and partnership in marriage from the Puritans to the Promise Keepers into the lives of ordinary evangelicals today Rather than simply reacting against or accommodating themselves to secular society Gallagher argues that both traditional and egalitarian evangelicals draw on longstanding beliefs about gender human nature and the person of God The author bases her arguments on an analysis of evangelical family advice literature data from a large national survey and personal interviews with over 300 evangelicals nationwide No other work in this area draws on such a range of data and methodological resources *Evangelical Identity and Gendered Family Life* establishes a standard for future research by locating the sources strategies and meaning of gender within evangelical Protestantism
