**Readings Plus with Weblinks** Linda Stonecipher, Richard Blonna, 1998      **News and the Net** Barrie

Gunter, 2015-07-16 Originally published in 2003 This book examines the growth of news provision on the internet and its implications for news presentation journalism practice news consumers and the business of running news organizations Much of the focus is placed on the migration of newspapers onto the internet but references are also made to the establishment of news websites by other organizations The book examines the growth of online technology as a source of information and entertainment and considers how this development can be framed within models of communication and comments on the apparent shortage of new models to explain the use role effectiveness and impact of online communications

**Media and Masculinities in Contemporary Russia** Olga Andreevskikh, 2023-12-01 Based on extensive original research this book examines the extent to which media in Russia upholds the Russian government's stance on sexuality It considers the Russian government's policies designed to uphold traditional sexuality reveals the strategies of resistance used by Russian media outlets to create positive portrayals of non heteronormative people and circumvent the restrictive 2013 legislation banning positive representations of non traditional sexual relations and highlights particular examples of subversive media practices Overall the book challenges the prevailing view that media in authoritarian regimes are completely compliant with their government's position      **A Dictionary of Journalism** Tony Harcup, 2014-05-08 A Dictionary of Journalism is an accessible and authoritative quick reference dictionary It covers over 1 400 wide ranging entries on the terms that are likely to be encountered by students of the subject and aims to offer a broad accessible point of reference on an ever topical and constantly changing field that affects everyone's knowledge and perception of the world Assuming little or no prior knowledge of the subject it covers terminology relating to the practice business and technology of journalism as well as its concepts and theories organizations and institutions publications and key events Related topic areas are covered where they impact on or offer explanations of journalism for example in law where legislation affects journalistic activity and where sociological studies seek to aid the understanding of journalism Appendices include a timeline of journalistic developments contextualising the ever evolving nature of journalism as well as an index of significant individuals in the field It is an essential companion to all students taking courses in Journalism and Journalism Studies as well as related subjects such as Communications Studies Media Studies and Television and Radio Production      **Contrastive Media**

**Analysis** Stefan Hauser, Martin Luginbuhl, Martin Luginbühl, 2012 Contrastive media analysis is a vast field of academic research that metaphorically speaking comes in many shapes and sizes and therefore is confronted by manifold theoretical and methodological challenges This contribution focuses on two interrelated aspects a the problem of equivalence as a prerequisite of comparison and b the comparative constellation and its effects on the interpretation of cultural variance It is important to mention that the discussion in this paper is set against the backdrop of a genre based approach Starting from

the initially rather unspectacular observ     **Resources in Education** ,1999-10     *The Common Core, an Uncommon Opportunity* Judith K. March,Karen H. Peters,2013-11-05 Because the Common Core requires bold action Why The Common Core an Uncommon Opportunity Why now Because it tackles a largely overlooked component of implementation how to redesign your instructional delivery system K 12 And you ll have to if you don t you ll be subject to the very same failure and frustration so many other districts and schools are experiencing What s more March and Peters describe how to integrate 21st Century Skills at the very same time It will help district leaders Develop structured consistent and organized teaching and learning practices Make district wide infrastructure adjustments for sustained reform Use best practices for sustained achievement and continuous curriculum review     **Content Analysis** Klaus Krippendorff,2018-05-09 What matters in people s social lives What motivates and inspires our society How do we enact what we know Since the first edition published in 1980 Content Analysis has helped shape and define the field In the highly anticipated Fourth Edition award winning scholar and author Klaus Krippendorff introduces readers to the most current method of analyzing the textual fabric of contemporary society Students and scholars will learn to treat data not as physical events but as communications that are created and disseminated to be seen read interpreted enacted and reflected upon according to the meanings they have for their recipients Interpreting communications as texts in the contexts of their social uses distinguishes content analysis from other empirical methods of inquiry Organized into three parts Content Analysis first examines the conceptual aspects of content analysis then discusses components such as unitizing and sampling and concludes by showing readers how to trace the analytical paths and apply evaluative techniques The Fourth Edition has been completely revised to offer readers the most current techniques and research on content analysis including new information on reliability and social media Readers will also gain practical advice and experience for teaching academic and commercial researchers how to conduct content analysis     **Handbook of Undergraduate Second Language Education** ,     *Books In Print 2004-2005* Ed Bowker Staff,Staff Bowker, Ed,2004     *The Working Press of the Nation* ,2001 V 1 Newspaper directory v 2 Magazine directory v 3 TV and radio directory v 4 Feature writer and photographer directory v 5 Internal publications directory     [The Computer as an Educational Tool](#) Richard C.
