The Public Relations Strategic Toolkit Alison Theaker, Heather Yaxley, 2012-08-21 The Public Relations Strategic Toolkit provides a structured approach to understanding public relations and corporate communications. The focus is on professional skills development as well as approaches that are widely recognised as best practice. Original methods are considered alongside well established procedures to ensure the changing requirements of contemporary practice are reflected. Split into four parts covering the public relations profession, campaign planning, corporate communication and stakeholder engagement, this textbook covers everything involved in the critical practice of public relations in an accessible manner. Features include definitions of key terms, contemporary case studies, insight from practitioners, handy checklists, practical activities and assignments. Covering the practicalities of using traditional and social media as well as international considerations, ethics and PR within contexts from politics to charities, this guide gives you all the critical and practical skills you need to introduce you to a career in public relations.

Strategic Management Marios Katsioloudes, Arpi K Abouhanian, 2009-11-04 Strategic Management has a unique approach, goes beyond the traditional application for the for-profit sector to address issues for the non-profit sector. It is the only graduate level text that approaches strategic management from a global cultural perspective.

Strategic Management Richard Lynch, 2018-05-09 Strategic Management is a core strategy textbook covering all the major topics, particularly from a global perspective. It delivers comprehensive coverage of the subject in an easy-to-read style with extensive examples and a range of free support material that will help you learn actively and effectively. This eighth edition of Strategic Management builds on proven strengths over 70 short case studies to provide easily accessible illustrations of strategy in practice and additional cases available online to provide more in-depth examples of recent strategic decisions involving Sony, Apple and industry sectors. A continuous contrast between prescriptive and emergent views of strategy to highlight the key debates within the discipline. Emphasis on practice throughout with features to help you turn theory into practice. Major international strategy cases from Europe, Africa, China, India, Middle East and the Americas. Clear exploration of the key concepts, comprehensive logical structure to guide you through this complex subject. Specialist chapters on public third sector strategy, green strategy and sustainability, entrepreneurial strategy and international and global strategy. New for the eighth edition: Dynamic capabilities and resource renewal explored in a revised and updated chapter. Emergent strategy completely revised in two new chapters, one focusing on innovation and technology and the other exploring knowledge and learning. New material on innovation and strategy in uncertain environments. Case studies from large and small organisations from Google, Spotify and Cadbury to Snapchat, Uber and green energy companies with 14 new cases and many cases updated. This new edition also includes a wealth of free online open access learning resources. Use these materials to enhance and test your knowledge to improve your grades. Online resources include web-based cases with indicative answers, chapter-based support material, long cases and multiple choice questions. Richard Lynch is Emeritus.

Global Strategic Management Philippe Lasserre, Felipe Monteiro, 2022-11-03 Seamlessly blending academic rigour and practicality, this textbook provides an introduction to global business strategy. Assuming a born global perspective, Global Strategic Management is supported by ample pedagogical features including numerous case studies and examples featuring both established multinationals and unknown SMEs from across the globe. The book takes an applied approach to global business strategy, emphasising functional parts of international business: managing marketing operations, HR and finance. The text has been widely updated to incorporate the impacts of the Covid 19 pandemic such as work from anywhere and deglobalization. New to this fifth edition is increased material on sustainability and corporate social responsibility, including discussion of climate change, NGOs and sustainable development goals. Subjects such as the impact of technology, cryptocurrency and global strategy in the digital space are discussed in more detail, while the conflict in Ukraine is also considered.

Strategic Communication James Mahoney, 2023-06-20 Strategic Communication deals with the principles behind strategic communication planning. It covers the professional practice steps involved in researching, planning, writing, evaluating and implementing a communication strategy. This book links strategic communication campaign planning to medium and long term business activity and to how organisations deal with issues. This thoroughly revised third edition includes new international cases and professional exercises that will enable students to work through the cases and apply theory to real life situations. New discussion questions on important aspects of campaign planning. Chapter exercises that encourage students to think more broadly about communication strategy and work through the particular aspects of a strategy. In Theory panels that highlight key theories and demonstrate important links between theory and practice. Accessible and comprehensive, this is an essential text for students of professional communication and professionals transitioning into the field of Strategic Communication.
