Good thing the head designer is a sweetheart and the Twelfth Order wizards sent one of her favorite people to be her assistant or she'd be tempted to turn on her heels and head back out the door. As if trying to find out why the dark elves are in the garment business in the first place isn't impossible enough. Can Avalon walk the tight rope of keeping her junior design job and proving she is a good spy for the Order or will she be forced to use witch magic knowing she will be banned from her coven forever?
