Writers Read Better: Nonfiction M. Colleen Cruz, 2018-06-29 We know that writing skills reinforce reading skills, but what's the best way to capitalize on this beneficial relationship? By flipping the traditional reading lesson first, writing lesson second, sequence Colleen Cruz ingeniously helps you make the most of the writing to reading connection with carefully matched, conceptually connected lesson pairs. The result is a healthy reciprocity that effectively and efficiently develops students' literacy skills. Backed by long-term academic and field research, *Writers Read Better* presents a series of 50 tightly interconnected lesson pairs that can be implemented either as supplement to existing curriculum or as a stand-alone module. Each pairing leads with a writing lesson used as a springboard for the reading lesson that will follow. Throughout the book's four sections, organized to cover distinct and complementary phases of working with non-fiction texts, you'll discover helpful insights on preparing for the section's overarching goals. Clear guidance on the intention of each lesson, what materials are required and step-by-step plans for leading the activity. Sample teacher language for leading the lesson. Tips on building and organizing your classroom library and how you can incorporate the tools, technology and media available in your classroom to make each lesson most effective. Sample student work, online videos and other supporting resources. Complete with practical suggestions on adapting the lessons to suit the particular needs of your classroom as well as individual students. *Writers Read Better* offers a solid foundation for giving your students the advantage of powerful, transferable literacy skills

Learning to Teach in the Primary School James Arthur, Teresa Grainger, David Wray, 2006 This new textbook provides support to student teachers on primary ITT, BEd and PGCE courses. It supplies a practical introduction to the teaching skills as well as the theory underpinning them.
