**Beyond Faith & Reason: The Galanor Saga Volume IV** Frank M. Viollis, 2024-09-26 Beyond Faith Reason is the fourth and final chapter in the Galanor Saga Like its predecessors it begins exactly where the previous installment Beyond Flesh Spirit left off I hope that you enjoy reading it half as much as I enjoyed writing it FMV BOOK ONE Monsters And Madmen After learning of Lucifus Balador s treachery and his abandonment of hundreds of Atlantean survivors Galanor sets sail in his new vessel the Daedalus to discover their fate After several years and thousands of nautical miles he arrives at land encased with a thick jungle He might have passed it by if not for the discovery of a pyramid built along the lines of ancient Atlantis Leaving his crew behind in a protected cove he and Anubis venture into the jungle There they find a culture that after having been influenced by Azool in the distant past had turned to blood sacrifice and cannibalism Inside the pyramid he learns disturbing truths about the possible fate of the world and his critical part in it Book Two Reunions And Revelations With the affair at Sacsamu behind them Galanor Anubis and the crew of the Daedalus set sail eastward back to the world

they left years earlier A few days out to sea they encounter a massive hostile creature who during a battle with Galanor damages the Daedalus In need of repair they set sail for the duel island kingdom of Calaspara and Azarora highly praised for its skilled craftsmen Along the way they make a grisly discovery that reinforces Galanor s belief that a mad god from another universe has made inroads into our own in the hopes of devouring all life Once they reach their destination they find that a usurper king a victim of the plague of rage and despair created by the mad god has turned the island nation into a prison camp Bloody battles ensue Many lives are lost some precious most not And a few very precious lives are restored Book Three Beyond Faith And Reason Upon leaving Calaspara and Azarora Galanor is convinced that the world if not the entire universe is in peril On his way to Zeptepi while battling an old enemy he encounters the mad god Without his knowledge she insinuates her venomous tendrils into his soul Slowly they take hold As he fights their growing maddening influence he realizes that his destiny is at hand He sets out to engage her in the name of The One who governs all life for the final conflict Along the way finds a safe harbor for Barlusch meets one last time with those he loves remedies festering wrongs and saves as well as ends many lives And then at the appointed time and place he meets the mad god face to face And     *A Curious Faith* Lore Ferguson Wilbert,2022-08-02 God created us to be curious We innately wonder about the world one another ourselves and our Creator But fear of the unknown cultural taboos technology or even church leaders can smother our curiosity Popular writer Lore Ferguson Wilbert has belonged to Christian communities that discouraged curiosity The point of the Christian life was to have the right answers and asking questions reflected a wavering faith But Wilbert came to discover that the Bible is a permission slip to anyone who wants to ask questions Reflecting her own theological trajectory toward a more contemplative expansive faith Wilbert invites readers to foster curiosity as a spiritual habit This book explores questions God asks us questions we ask God and questions we ask each other Christianity is not about knowing good answers says Wilbert but about asking good questions ones that foster deeper intimacy with God and others *A Curious Faith* invites readers to go beyond pat answers and embrace curiosity rather than certainty as a hallmark of authentic faith Foreword by Seth Haines     **Daily Sword Sharpening** Joseph G. Misiaszek,2023-01-20 The Word of God is the sword with which we do spiritual battle You must study His Word regularly if you want to keep your spiritual sword sharp and wield it effectively In this book Joseph G Misiaszek embarks on a daily journey through Scripture challenging you to take your faith deeper and walk even closer to the Lord The title *Daily Sword Sharpening* comes from Proverbs 27 17 As Iron sharpens iron so one man sharpens another As you read it is the author s fervent hope that you not only keep your sword sharp but also utilize it to sharpen others encourage others and support others The author emphasizes that even though the Bible was written over several thousand years and completed about two thousand years ago truth is truth and is always applicable For truth to exist there can only be one source and that source is God Challenge yourself to read God s Word daily and open yourself to the Holy Spirit as He applies Scripture to your life and through you to the lives of others     *Keeping Faith* Hannah

**Real Faith in Action** Curl Oral Hazell,2009-09-01 In this day of increasing uncertainty and fear faith in God is needed more than ever before In addition to its incalculable other benefits faith in God brings peace comfort and overflowing joy to those who put their trust in God But not any kind of faith can procure these benefits only biblical faith can When understood in its biblical authenticity and then put into action faith always leads to triumph in that it enables us to experience what God ordained for us to obtain perform and become In light of this it is extremely important that we the people of God possess a comprehensive biblically based practical tool to aid us in achieving this understanding Real Faith in Action is that tool It presents an unconventional multi dimensional view of faith revealing many aspects usually not discussed in other works through nine principles that are clearly laid out by the Holy Spirit in what is unquestionably the most comprehensive reporting of the working of faith in all of Scripture the roll call of faith in Hebrews 11 The principles are thus illustrated through the real life experiences of fellow humans who dared to believe God for the impossible Accordingly the book goes beyond explaining faith to demonstrating faith It is designed to captivate and draw the reader into the world of the faith heroes of the past thus inspiring him or her to do likewise Furthermore in that real life experiences are discussed any thought of being incapable of doing the same should be vanquished knowing that others succeeded in their accomplishments by utilizing the same faith to which we also have access
