Real Anita Hill The Untold Story:

The Real Anita Hill David Brock, 1993 Millions of Americans were riveted to the spectacle of a Supreme Court nominee a black conservative charged with sexual harassment by a former female employee Not since the no holds barred assault on Robert Bork has the nation been so gripped by a political melodrama Now journalist David Brock argues that Hill s testimony was a desperate and cynical hoax

Real Anita Hill David Brock, 1994-03-07 Brock s thorough investigation of the evidence in the Thomas Hill hearings concluded that there was no reason to believe Anita Hill s accusations of sexual harassment against Clarence Thomas Brock s book a national sensation which landed on the New York Times bestseller list is the definitive rebuttal of Hill s charges

First Principles Scott Douglas Gerber, 1999 Clarence Thomas is one of the most vilified public figures of our day To date however his legal philosophy has received only cursory treatment First Principles provides a portrait of Thomas based not on the justice s caricatured reputation but on his judicial opinions and votes his scholarly writings and his public speeches The paperback edition includes a provocative new Afterword by the author bringing the book up to date by assessing Justice Thomas s performance and the reaction to his decisions during the last five years

Black Conservative Intellectuals in Modern America Michael L. Ondaatje, 2011-11-29 In the last three decades a brand of black conservatism espoused by a controversial group of African American intellectuals has become a fixture in the nation s political landscape its proponents having shaped policy debates over some of the most pressing matters that confront contemporary American society Their ideas though have been neglected by scholars of the African American experience and much of the responsibility for explaining black conservatism s historical and contemporary significance has fallen to highly partisan journalists Typically those pundits have addressed black conservatives as an undifferentiated mass proclaiming them good or bad right or wrong color blind visionaries or Uncle Toms In *Black Conservative Intellectuals in Modern America* Michael L. Ondaatje delves deeply into the historical archive to chronicle the origins of black conservatism in the United States from the early 1980s to the present Focusing on three significant policy issues affirmative action welfare and education Ondaatje critically engages with the ideas of nine of the most influential black conservatives He further documents how their ideas were received both by white conservatives eager to capitalize on black support for their ideas and by activists on the left who too often sought to impugn the motives of black conservatives instead of challenging the merits of their claims While Ondaatje s investigation uncovers the themes and issues that link these voices together he debunks the myth of a monolithic black conservatism Figures such as Supreme Court Justice Clarence Thomas the Hoover Institution s Thomas Sowell and Shelby Steele and cultural theorist John McWhorter emerge as individuals with their own distinct understandings of and relationships to the conservative political tradition

The Politics of Race Theodore Rueter, 2016-09-16 A study of the relationship between race and American politics organised around the institutions and processes of American government It includes readings by individuals like Bill Clinton Charles Hamilton and Carol Swain

across a wide variety of ideological perspectives Civility and Subversion Jeffrey C. Goldfarb, 1998-11-12 This 1998 book provides a sophisticated alternative to existing accounts of the role of the intellectual in modern democracy Arguing that society suffers from a systemic deliberation deficit Jeffrey Goldfarb explores the potential of the intellectual as democratic agent at once civilizing political contestation and subverting complacent consensus The sentimental Leftist view of the intellectual as guardian of democracy and the demonising Rightist view of the intellectual as obstructor of progress are both shown to be flawed Instead intellectuals are portrayed as special kinds of strangers who pay careful attention to their critical faculties equipping them uniquely to address the most pressing issues of today Professor Goldfarb deploys classical and contemporary social theory to analyse a diverse set of intellectuals in action from Socrates in fifth century Athens to Malcolm X and Toni Morrison in twentieth century America and drawing on personal acquaintance the political dissidents in Communist and post Communist Central Europe **Chaos and Society** A. Albert, 1995 This publication reflects on the discussion on using chaos theory for the study of society It explores the interface between chaos theory and the social sciences A broad variety of fields including Sociology Anthropology Economics Political Science Management Philosophy and Cognitive Sciences is represented in the book The leading themes are Conceptual and Methodological Issues Social Connectionism and the Connectionist Mind Social Institutions and Public Policy and Social Simulations The book includes the following topics the relevance of the complexity chaos paradigm for analyzing social systems the usefulness of nonlinear dynamics for studying the formation and sustainability of social groups the comparison between spontaneous social orders and spontaneous biological natural orders the building of Artificial Societies and the contribution of the chaos paradigm to a better understanding and formulation of public policies Closed Chambers Edward Lazarus, 2005-05-03 When Closed Chambers was first published it was met with a firestorm of controversy as well as a shower of praise for being the first book to break the code of silence about the inner workings of this country's most powerful court In this eloquent trailblazing account with a new chapter covering Bush v Gore Guantanamo and other recent controversial court decisions Edward Lazarus who served as a clerk to Justice Harry Blackmun presents a searing indictment of a court at war with itself and often in neglect of its constitutional duties Combining memoir history and legal analysis Lazarus reveals in astonishing detail the realities of what takes place behind the closed doors of the U S Supreme Court an institution that through its rulings holds the power to affect the life of every American Sexual Harassment V. P. Argos, 1999 The topic of sexual harassment is a real threat to society in spite of its downplaying by a large segment of society including the 42nd President of the United States This book presents analyses designed to help shed light on it and a bibliography sorted for ease of use **The Supreme Court of the United States: Carswell** United States. Congress. Senate. Committee on the Judiciary, 1977

Senator Dennis DeConcini Dennis DeConcini, Jack L. August, 2015-11-01 Dennis DeConcini a contemporary of Arizona greats like Sandra Day O'Connor Barry Goldwater and Rose Mofford is an Arizona icon in his own right Starting his public

career as the Pima County Attorney DeConcini orchestrated an unprecedented rise to a seat in the U S Senate which he held for eighteen years His political memoir co authored with historian Jack L August Jr reaches beyond typical reflections to provide the reader with penetrating and revealing insights into the inner workings and colorful characters of Arizona politics and the United States Senate A vigilant centrist who got results by building coalitions on both sides of the aisle Senator DeConcini s approach was not bound to strict party alliances but was deeply rooted in the independent political environment of Arizona During his career he sponsored legislation limiting the sale of assault weapons which provoked the National Rifle Association He confounded Democratic Party regulars by supporting Clarence Thomas during the controversial confirmation hearings and again split with his party in his support for William Rehnquist s nomination to Chief Justice In 1980 he voted for Ronald Reagan but in 1993 he cast the swing vote for President Bill Clinton s tax bill which was strongly opposed by Republicans in Arizona This political memoir will be of interest to anyone concerned with the inner workings of the U S Senate or Arizona politics and offers relevant insights into today s political climate

Compromising Positions Leslie Dorrough Smith, 2020 *Compromising Positions* argues that political sex scandals aren't really about sex Rather they are a form of cultural theater moments of highly visible public storytelling that use racial and gendered symbols to create a collective sense of national worth and strength The book shows that Americans condemn or excuse the sexual indiscretions of their politicians depending on the degree to which those politicians reinforce longstanding evangelical symbols associated with American values and a Christian nation

Global Criminology K. Jaishankar, Natti Ronel, 2013-04-25 Global criminology is an emerging field covering international and transnational crimes that have not traditionally been the focus of mainstream criminology or criminal justice *Global Criminology Crime and Victimization in a Globalized Era* is a collection of rigorously peer reviewed papers presented at the First International Conference of the South Asian Society of Criminology and Victimology SASCV that took place in Jaipur India in 2011 Using a global yardstick as the basis for measurement the fundamental goal of the conference was to determine criminological similarities and differences in different regions Four dominant themes emerged at the conference Terrorism In a topic that operates at the intersection of international law international politics crime and victimization some questions remain unanswered Is terrorism a crime issue or a national defense issue Should terrorists be treated as war criminals soldiers or civil criminals How can international efforts and local efforts work together to defeat terrorism Cyber Crimes and Victimization Cyber space provides anonymity immediate availability and global access Cyber offenders easily abuse these open routes As cyber space develops cyber crime develops and grows To achieve better cyber security global criminologists

must explore cyber crimes from a variety of perspectives including law the motivation of offenders and the impact on victims Marginality and Social Exclusion Globalization is manifest in the fast transition of people between places societies social classes and cultures Known social constructions are destroyed for new ones and marginalized people are excluded from important material social and human resources This section examines how we can provide inclusion for marginalized individuals in the global era and protect them from victimization Theoretical and Practical Models of Criminal Victimization The process of globalization as mentioned above creates new elements of victimization But globalization can also become an opportunity for confronting and defeating victimization through improved sharing of knowledge and increased understanding of the humanity of the weak The emerging global criminology comprises diversity of attitudes explanations and perspectives The editors of this volume recognize that in the global village there is room for solid contributions to the field of criminology and criminal justice This collection is a move in this direction It is hoped that these articles will help to expand the boundaries of criminology criminal justice and victimology with a view towards reducing crime worldwide
