adaptation of Frankenstein by Mary Shelley to debunk the common farcical movie monster interpretation by returning to Shelley's original serious commentary on the Industrial Revolution. However, after the night of the dress rehearsal, Victoria loses control over the production and her drama begins to take a strange course. On that night, the eight-year-old boy playing the part of Frankenstein's young brother disappears, and before a search can begin, a killer strikes. The Vineyard's police forces mobilize for an island-wide search. In the original story of Frankenstein, the boy is the first victim of the monster, and Victoria fears that a copycat killer is following her playscript. She determines to find the missing boy and track down the killer before more deaths occur. Along with familiar Island characters from her previous books, the author introduces a cast of new and often eccentric players.

**Shooting Star**, the seventh book in the Martha's Vineyard mystery series, explores the rich setting of the Island that author Cynthia Riggs knows well, from the rose-covered Dukes County jail on Edgartown's Main Street to the quaint ferry terminal in Oak Bluffs. It's a delightful read that both fans and newcomers to the series will be sure to enjoy.

**Mystery Movie Series of 1930s Hollywood** Ron Backer, 2012-08-01 This companion volume to *Mystery Movie Series of 1940s Hollywood* (McFarland, 2010) focuses on 22 series and 167 individual films primarily released during the 1930s. It was a decade that featured some of the most famous cinema detectives of all time, among them Charlie Chan, Nick and Nora Charles, Philo Vance, Nancy Drew, and such lesser-known but equally entertaining figures as Hildegard Withers, Torchy Blane, Mr. Moto, Mr. Wong, and Brass Bancroft. Each mystery movie series is placed within its historical context, with emphasis on its source material and the changes or developments within the series over time. Also included are reviews of all the series' films, analyzing the quality and cohesiveness of the mystery plotlines. For titles based on literary sources, a comparison between the film and the written work is provided.

**On Bloody Sunday** Julieann Campbell, 2022-01-20 **SHORTLISTED FOR THE PEN HESSELL TILTMAN PRIZE** There have been many books written about the events of Bloody Sunday, however, none has wrenched the reader as violently back to those CS gas-choked streets, dumping them right in the heart of the screaming, running, shooting, and crying as Julieann Campbell's *On Bloody Sunday*. A powerful chronicle of one of the darkest episodes of modern times, *Sunday Times* calls it "Powerful and moving." The strength of this important new book lies in the artistry the author brings to the task of portraying both the community upon which the massacre was perpetrated and the individuals within it. *Irish Times* says, "Meticulous *On Bloody Sunday* possesses a veracity and cumulative power that sets it apart from previous accounts." *Observer* calls it "A momentous chronicle, timely and vital, which highlights that the burden of change rests as always upon the shoulders of those who suffered and yet have nurtured the desire that lessons be learned." Michael Mansfield QC, who represented a number of families during the Bloody Sunday Inquiry, says, "It is a vital record of the time, the city, and its people, and more impressive still, it does so almost entirely in their own words: their heartbreak, their anger, their resilience, their humour." Julieann Campbell has given their voices, so long silenced, the dignity they deserve. It is a staggering achievement.

Samas O'Reilly: "It's a wonderful book. The technique used, multiple voices speaking directly to us, is very simple."

but it has a profound effect It puts us into the middle of the chaos of Bloody Sunday and keeps us there throughout the grief and anger that follow A wonderful wonderful book Jimmy McGovern BAFTA winning screenwriter creator of Sunday 2002 In January 1972 a peaceful civil rights march in Northern Ireland ended in bloodshed Troops from Britain s 1st Battalion Parachute Regiment opened fire on marchers leaving 13 dead and 15 wounded Seven of those killed were teenage boys The day became known as Bloody Sunday The events occurred in broad daylight and in the full glare of the press Within hours the British military informed the world that they had won an IRA gun battle This became the official narrative for decades until a family led campaign instigated one of the most complex inquiries in history In 2010 the victims of Bloody Sunday were fully exonerated when Lord Saville found that the majority of the victims were either shot in the back as they ran away or were helping someone in need The report made headlines all over the world While many buried the trauma of that day historian and campaigner Juliann Campbell whose teenage uncle was the first to be killed that day felt the need to keep recording these interviews and collecting rare and unpublished accounts aware of just how precious they were Fifty years on in this book survivors relatives eyewitnesses and politicians shine a light on the events of Bloody Sunday together for the first time As they tell their stories the tension confusion and anger build with an awful power ON BLOODY SUNDAY unfolds before us an extraordinary human drama as we experience one of the darkest moments in modern history and witness the true human cost of conflict Exodus to the Virtual World Edward Castronova,2007-11-27 Virtual worlds have exploded out of online game culture and now capture the attention of millions of ordinary people husbands wives fathers mothers workers retirees Devoting dozens of hours each week to massively multiplayer virtual reality environments like World of Warcraft and Second Life these millions are the start of an exodus into the refuge of fantasy where they experience life under a new social political and economic order built around fun Given the choice between a fantasy world and the real world how many of us would choose reality Exodus to the Virtual World explains the growing migration into virtual reality and how it will change the way we live both in fantasy worlds and in the real one **SRM 2460/2461 Standard Bullets and Casings Project** ,

**War Culture and the Contest of Images** Dora Apel,2012-10-19 *War Culture and the Contest of Images* analyzes the relationships among contemporary war documentary practices and democratic ideals Dora Apel examines a wide variety of images and cultural representations of war in the United States and the Middle East including photography performance art video games reenactment and social media images Simultaneously she explores the merging of photojournalism and artistic practices the effects of visual framing and the construction of both sanctioned and counter hegemonic narratives in a global contest of images As a result of the global visual culture in which anyone may produce as well as consume public imagery the wide variety of visual and documentary practices present

realities that would otherwise be invisible or officially off limits In our digital era the prohibition and control of images has become nearly impossible to maintain Using carefully chosen case studies such as Krzysztof Wodiczko's video projections and public works in response to 9 11 and the wars in Iraq and Afghanistan the performance works of Coco Fusco and Regina Galindo and the practices of Israeli and Palestinian artists Apel posits that contemporary war images serve as mediating agents in social relations and as a source of protection or refuge for those robbed of formal or state sanctioned citizenship While never suggesting that documentary practices are objective translations of reality Apel shows that they are powerful polemical tools both for legitimizing war and for making its devastating effects visible In modern warfare and in the accompanying culture of war that capitalism produces as a permanent feature of modern society she asserts that the contest of images is as critical as the war on the ground
