Real Charlotte:

The Real Charlotte Somerville & Ross, 2024-11-21 The novel's dark energies concerned with histories of gender property desire and institutionalization carry it forth into our present moment. It remains indispensable reading. Claire Connolly from her preface to *The Real Charlotte*. In 1894 the London evening newspaper the *St James's Gazette* announced a real acquisition: a new novel from the publishers Ward and Downey. *The Real Charlotte* was the first collaborative success of many for Somerville and Ross, two Irish women who were second cousins, received as a fresh original and funny treatment of Irish life. It tells the story of clever, greedy Charlotte Mullen, an Irish spinster who takes in the beautiful Francie Fitzgerald. But soon after there are crossed lines of desire, money and land, and the two women quickly become rivals. **The Real**

Charlotte E. Oe. Somerville, Martin Ross, 2019-11-29 *The Real Charlotte* is a masterful anthology that brilliantly captures the multifaceted dimensions of human ambition, social maneuvering, and the intricacies of Irish society. This compelling collection effortlessly traverses a range of literary styles, from biting satire to poignant realism, providing a diverse array of narratives that illuminate the tensions and nuances of societal relationships. Within its pages, standout pieces offer profound insight into the motivations and aspirations that drive complex characters, resonating with universal themes of power and moral ambiguity. At the heart of this anthology are the works of E. Oe. Somerville and Martin Ross, whose collaborative efforts epitomize the rich tapestry of Irish literature. The authors skillfully explore the cultural and social dynamics of late 19th-century Ireland, deftly illustrating how personal interactions are shaped by wider historical and societal forces. Their writings are a noteworthy contribution to the canon of Realism, offering readers a window into the cultural amalgam of a transformative era enriched by the evocative portrayal of vividly drawn characters who encapsulate the zeitgeist of their time. For readers and scholars alike, *The Real Charlotte* offers a unique scholarly experience where the intersection of diverse perspectives and stylistic approaches invites a deeper understanding of its era and locale. This anthology is an essential addition to the library of anyone seeking to explore the breadth of Irish social narratives and the dialogues they engender. It provides an invaluable educational journey into the heart of human nature, marked by compelling insights and enduring relevance that stimulate thoughtful analysis and reflection. Women's Literary Collaboration, Queerness, and

Late-Victorian Culture Jill R. Ehnenn, 2017-05-15 The first full-length study to focus exclusively on nineteenth-century British women while examining queer authorship and culture. Jill R. Ehnenn's book is a timely interrogation into the different histories and functions of women's literary partnerships. For Vernon Lee, Violet Paget, and Kit Anstruther Thomson, Somerville and Ross, Edith Somerville and Violet Martin, Elizabeth Robins and Florence Bell, and Katharine Bradley and Edith Cooper, the couple who wrote under the pseudonym of Michael Field, collaborative life and work functioned strategically as sites of discursive resistance that critique Victorian culture in ways that would be characterized today as feminist, lesbian, and queer. Ehnenn's project shows that collaborative texts from such diverse genres as poetry, fiction, drama, the essay, and

autobiography negotiate many limitations of post Enlightenment patriarchy Cartesian subjectivity and solitary creativity industrial capitalism and alienated labor and heterosexism In so doing these jointly authored texts employ a transgressive aesthetic and invoke the potentials of female spectatorship refusals of representation and the rewriting of history Ehnenn's book will be a valuable resource for scholars and students of Victorian literature and culture women's and gender studies and collaborative writing

"*An Anarchy in the Mind and in the Heart*" Ellen M. Wolff, 2006 This is a study of some of Anglo Ireland's most compelling twentieth century attempts at self representation In contrast to formative studies that read Anglo Irish fiction as a predictably colonialist literature that nostalgically champions ruling class culture the author argues that novels by such authors as Molly Keane Elizabeth Bowen and Samuel Beckett are in fact richly textured narratives that sustain continuous debates with their own visions and revisions of history and culture The book contributes to the ongoing effort in Irish cultural studies to analyze myths and stereotypes that have been both symptom and cause of Irish troubles past and present and helps destabilize problematically binary terminologies toward which discourse about postcoloniality can tend In the process the author refines received ideas about literary modernism and post modernism and suggests failings in the prevailing theory and practice of ideology critique Ellen M Wolff is Eleanor Gwin Ellis Instructor in English at Phillips Exeter Academy

Irish Women Writers Ann Owens Weekes, 2021-10-21 From the legendary poet Oisín to modernist masters like James Joyce William Butler Yeats and Samuel Beckett Ireland's literary tradition has made its mark on the Western canon Despite its proud tradition the student who searches the shelves for works on Irish women's fiction is liable to feel much as Virginia Woolf did when she searched the British Museum for work on women by women Critic Nuala O Faolain when confronted with this disparity suggested that modern Irish literature is dominated by men so brilliant in their misanthropy that the self respect of Irish women is radically and paradoxically checkmated by respect for an Irish national achievement While Ann Owen Weekes does not argue with the first part of O Faolain's assertion she does with the second In *Irish Women Writers An Uncharted Tradition* she suggests that it is the critics rather than the writers who have allowed themselves to be checkmated Beginning with Maria Edgeworth's *Castle Rackrent* 1800 and ending with Jennifer Johnston's *The Railway Station* 1980 she surveys the best of the Ireland's female literature to show its artistic and historic significance and to demonstrate that it has its own themes and traditions related to yet separate from that of male Irish writers Weekes examines the work of writers like E OE Sumerville and Martin Ross pen names for cousins Edith Somerville and Violet Martin Elizabeth Bowen Kate O'Brien Mary Lavin and Molly Keane among others She teases out the themes that recur in these writers' works including the link between domestic and political violence and re-visioning of traditional stories such as Julia O Faolain's use of the Cúchulainn and Diarmuid and Grainne myths to reveal the negation of women's autonomy In doing so she demonstrates that the literature of Anglo and Gaelic Irish women presents a unified tradition of subjects and techniques a unity that might become an optimistic model not only for Irish literature but also for Irish people *The Cambridge*

Companion to the Irish Novel John Wilson Foster, 2006-12-14 This is the perfect overview of the Irish novel from the seventeenth century to the present day *A History of the Irish Novel* Derek Hand, 2011-03-10 Derek Hand's *A History of the Irish Novel* is a major work of criticism on some of the greatest and most globally recognisable writers of the novel form. Writers such as Laurence Sterne, James Joyce, Elizabeth Bowen, Samuel Beckett and John McGahern have demonstrated the extraordinary intellectual range, thematic complexity and stylistic innovation of Irish fiction. Derek Hand provides a remarkably detailed picture of the Irish novel's emergence in the seventeenth and eighteenth centuries. He shows the story of the genre is the story of Ireland's troubled relationship to modernisation. The first critical synthesis of the Irish novel from the seventeenth century to the present day, this is a major book for the field and the first to thematically, theoretically and contextually chart its development. It is an essential, entertaining and highly original guide to the history of the Irish novel.

Women Coauthors Holly A. Laird, 2000 Until recently collaborative authorship has barely been considered by scholars when it has the focus has been on discovering who contributed what and who dominated whom in the relationship and in the writing. In *Women Coauthors* Holly Laird reads coauthored texts as the realization of new kinds of relationship. Through close scrutiny of literary collaborations in which women writers have played central roles, *Women Coauthors* shows how partnerships in writing between two women or between a woman and a man provide a paradigm of literary creativity that complicates traditional views of both author and text and makes us revise old habits of thinking about writing. Focusing on the social dynamics of literary production including the conversations that precede and surround collaborative writing, *Women Coauthors* treats its coauthored texts as representations as well as acts of collaboration. Holly A. Laird discusses a wide array of partial and full coauthorships to reveal how these texts blur or remap often uncanny boundaries of self, status, race, reason and culture that of the Delany sisters and Amy Hill Hearth on *Having Our Say*, lesbian couples whose lives and writings were intertwined including Katherine Bradley and Edith Cooper, Michael Field and Gertrude Stein and Alice B. Toklas and the Native American wife and husband authors Louise Erdrich and Michael Dorris. Framed in time by the feminist and abolitionist movements of the mid nineteenth century and the ongoing social struggles surrounding gender, race and sexuality in the late twentieth century, the partnerships and texts observed in *Women Coauthors* explore collaboration as a path toward equity, both socioliterary and erotic. For the authors here, who collaborate most fully with each other, two are much better than one.

The Real Charlotte Edith C. Enone Somerville, Martin Ross, 1919 **The Real Charlotte** Martin Ross, 2019-01-29 **Late Victorian Literary Collaboration** Annachiara Cozzi, 2024-07-22 An exciting new contribution to the expanding but still largely uncharted territory of collaboration studies, *Late Victorian Literary Collaboration* is the first book-length study of the trend for collaborative writing that emerged in the last decades of the nineteenth century. As a result of the rapidly growing literary market, the years between 1870 and the turn of the century witnessed an unprecedented flow of collaboratively written novels. In the 1890s co-authorship became a craze with literary partnerships multiplying and fiction

co written by twenty and more authors appearing in the pages of popular magazines By 1900 however the trend had already reversed and it quickly slipped into oblivion Late Victorian Literary Collaboration investigates the factors that made the period so conducive to collaboration tracing the reasons for its success and subsequent decline Drawing on a vast range of original sources the book discusses and compares different models of collaboration from life long exclusive partnerships to one time widely advertised collaborative ventures between best selling novelists It deals with authors such as Walter Besant Somerville and Ross Andrew Lang H R Haggard and Rhoda Broughton all favourites of the Victorian public but subsequently neglected and only recently reevaluated By unpacking the debate that developed around co authorship in the periodical press of the time the book also sheds light on how collaborative authorship was imagined by the general public and illustrates how the trend effectively if temporarily challenged Victorian assumptions about the author as a solitary genius *Irish Memories*, 1925 Irish Memories Edith Somerville, 1919 *Memoirs* mainly of Martin Ross Violet Florence Martin by E Somerville *The Real Charlotte*, 1894 *The American Catalogue*, 1905 The Westminster Review, 1878 **The Westminster review [afterw.] The London and Westminster review [afterw.] The Westminster review [afterw.] The Westminster and foreign quarterly review [afterw.] The Westminster review [ed. by sir J.
