Real Country Humor, 2002 **Real Country Humor** Billy Edd Wheeler, 2005-12-15 The contributors comprise a Who's Who of country music in this book of anecdotes funny songs and a tribute to the late Chet Atkins Country Music Broke My Brain Gerry House, 2024-01-09 Nashville is filled with stars and lovers and writers and dreamers Nashville is also teeming with lunatics and grifters and dip wads and moochers Gerry House fits easily into at least half of those categories Someone would probably have to be brain damaged or really damn talented to try to entertain professional entertainers over a decades long radio show in Music City USA Fortunately House is little of both Host of the nationally syndicated top rated morning show Gerry House The Foundation for more than 25 years he has won virtually every broadcasting award there is including a place in the National Association of Broadcasters Hall of Fame Gerry also spent that time deep inside the songwriting and recording world in Nashville In *Country Music Broke My Brain* Gerry tells his stories from the other side of the microphone He reveals never aired never before published conversations with country music's biggest names Johnny Cash Brad Paisley and Reba McEntire to name a few and leaves you with his own crazy antics that will either have you laughing or shaking your head in disbelief With exclusive celebrity stories humorous trivia and anecdotes and broadcasting wisdom this book is a treat for country music fans or for anyone who wants a good laugh **Dolly Parton, Gender, and Country Music** Leigh H. Edwards, 2018-01-06 The Foreword Indies Gold Medal Winner that analyzes Dolly Parton as a performance art project designed to subvert gender and class expectations Shondaland Dolly Parton is instantly recognizable for her iconic style and persona but how did she create her enduring image Dolly crafted her exaggerated appearance and stage personality by combining two opposing stereotypes the innocent mountain girl and the voluptuous sex symbol Emerging through her lyrics personal stories stage presence and visual imagery these wildly different gender tropes form a central part of Dolly's media image and portrayal of herself as a star and celebrity By developing a multilayered image and persona Dolly both critiques representations of femininity in country music and attracts a diverse fan base ranging from country and pop music fans to feminists and gay rights advocates In *Dolly Parton Gender and Country Music* Leigh H. Edwards explores Dolly's roles as musician actor author philanthropist and entrepreneur to show how Dolly's gender subversion highlights the challenges that can be found even in the most seemingly traditional form of American popular music As Dolly depicts herself as simultaneously real and fake she offers new perspectives on country music's claims of authenticity A valuable contribution to studies of celebrity gender music media and popular culture that should be useful to scholars working in any of these areas *Celebrity Studies* A stellar exploration of how Parton deftly balanced traditional country aesthetics with her willingness to rebel against those same trappings by completely owning her image and how she performed her femininity *Bearded Gentlemen Music* In On the Joke Shawn Levy, 2022-04-05 A sensitive and vivid study of early female stand ups Levy is a painstaking knowledgeable guide New York Times Book Review A hilarious and moving account of the trailblazing women of

stand up comedy who broke down walls so they could stand before the mic perfect for fans of The Marvelous Mrs Maisel and Hacks Today women are ascendant in stand up comedy even preeminent They make headlines fill arenas spawn blockbuster movies But before Amy Schumer slayed Tiffany Haddish killed and Ali Wong drew roars the very idea of a female comedian seemed to most of America like a punch line And it took a special sort of woman indeed a parade of them to break and remake the mold In on the Joke is the story of a group of unforgettable women who knocked down the doors of stand up comedy so other women could get a shot It spans decades from Moms Mabley's rise in Black vaudeville between the world wars to the roadhouse ribaldry of Belle Barth and Rusty Warren in the 1950s and 60s to Elaine May's co-invention of improv comedy to Joan Rivers's and Phyllis Diller's ferocious ascent to mainstream stardom These women refused to be defined by type and tradition facing down indifference puzzlement nay saying and unvarnished hostility They were discouraged by agents managers audiences critics fellow performers even their families And yet they persevered against the tired notion that women couldn't be funny making space not only for themselves but for the women who followed them Meticulously researched and irresistibly drawn Shawn Levy's group portrait forms a new pantheon of comedy excellence In on the Joke shows how women broke into the boys club offered new ideas of womanhood and had some laughs along the way
