God-Man And It Just Had to Be Dr. Tony G. Minyard, 2024-04-30 This book took some great thought to write but And It Just Had to Be is paramount to everything that Christianity stands for The work of Jesus Christ His death and resurrection is crucial to our faith The key factor is the oneness of Christ in us This book highlights the factor of what Christ really did for us to appease the wrath of God The choice is freewill The truth is we have been translated from darkness to light We are all sinners saved by the grace of God but we have to accept this gift to have eternal life However if you reject this gift then the wrath of God is on you my friend There were elements that were very personal that happened during my rebellious years in unbelief and it happens to many people It's sad but it does right Trust me learn from my mistakes please repent really quick You don't know what the price is I talk about surrender being the first step to accepting Jesus as Lord and Savior Salvation is a onetime event if it's genuine but throughout your life it's an everyday deal the real one Sometimes we ride the fence and think everything is A OK but it's not Please have intimacy with God He loves us very much The Christian life ends when we're at the Judgment Seat of Christ I hope no one appears at the Great White Throne Judgment I covered many topics in this book to illustrate biblical concepts for you to grasp the truth This is very serious stuff in the eyes of God The purpose of this book is for you to make the right choice repent or not Remember God believes in you You might be in that rebellious life but just surrender back to God
