## **Real H P Blavatsky:**

The Real H.P. Blavatsky. A Study in Theosophy, and a Memoir of a Great Soul. [With Portraits.]. William KINGSLAND (M.I.E.E.), Helena Petrovna BLAVATSKY, 1928      *The Real H. P. Blavatsky* William Kingsland, 2017-04-09 The present biography was written by Wm Kingsland a student and close associate of H P Blavatsky founder of the Theosophical Society Blavatsky s theosophical teachings based on what she herself was taught by Eastern adepts paint a grand picture of who and what we are as human beings where we come from and what is our shared destiny These ideas are so inseparable from the way in which she viewed the world and herself that to attempt any biography of her one must also understand to some degree those teachings In this regard Kingsland s biography is second to none From the Preface In speaking of the Real H P Blavatsky I use the term first of all as correcting the false representations and misconceptions which have been so commonly and so lightly accepted by the world at lar and secondly as signifying what in fact each of us possesses an inner Self a real Self as distinguished from the fluctuating changing personality a Self which in the majority of us is only very feebly active in or through the temporary personality This distinction between the higher and the lower Self is a fundamental one not merely in Theosophy but also in all Mysticism both philosophical and devotional Yet even when we have done this the fact remains that it is not the personality of H P Blavatsky that matters at all either in its outer or its inner aspects What really matters is the message which she gave to the world And perhaps the giver of that message can only be appreciated in proportion as the message itself is received Where it is not received where it runs counter to hard and fast conventions prejudices beliefs or dogmas one can hardly expect in the present state of society or the present characteristics of human nature that the moral law Judge not that ye be not judged will be respected any more in the case of H P Blavatsky than it is in other cases Nevertheless I may possibly hope in the following pages to do something towards correcting many of the misrepresentations and slanders to which the detractors of Theosophy have so freely lent themselves This work is therefore as much a study of Theosophy as a Memoir of H P Blavatsky William Kingsland      **The Real H.P. Blavatsky** William Kingsland, 1928      **Real H. P. Blavatsky** William Kingsland, Helena Petrovna Blavatsky, 1985      The Real H.P. Blavatsky. A Study in Theosophy, and a Memoir of a Great Soul. books and articles remain in print The freshness and wit of her letters make them seem as if they were written yesterday Though controversial she s withstood time s test Madame Blavatsky Revisited tells H P B s remarkable story in an entertaining manner

**The Sacred Life of Modernist Literature** Allan Kilner-Johnson,2022-06-16 Probing the relationship between modernist literary experimentation and several key strands of occult practice which emerged in Europe from roughly 1894 to 1944 this book sets the work of leading modernist writers alongside lesser known female writers and writers in languages other than English to more fully portray the aesthetic and philosophical connections between modernism and the occult Although the early decades of the twentieth century the era of cocktails motorcars bobbed hair and war are often described as a period of newness and innovation many writers of the time found inspiration and visionary brilliance by turning to the mysterious occult past This book s principle intervention is to reimagine the contours and boundaries of literary modernism by welcoming into the conversation a number of significant female writers and writers in languages other than English who are often still relegated to the fringes of modernist studies Well remembered poets and novelists such as Ezra Pound W B Yeats and Aleister Crowley were tied to occult beliefs and this book sets these leading figures alongside less well remembered but equally splendid modernists including Paul Brunton Mary Butts Alexandra David Neel Florence Farr Dion Fortune Hermann Hesse and Rudolf Steiner From the little magazines where occultism and Fabianism were comfortable companions to consulting rooms of psychoanalysts where archetypes were revealed to be both mystical and mundane to the forbidden mountain trails that led to formidable spiritual teachers the conditions of modernism were invariably those conditions which inspired a return to the occult traditions that many thinkers believed had long evaporated Indeed in many ways these traditions were the making of the modern world By uncovering hidden hopes and anxieties that faced a newly modern Western Europe this book demonstrates how literary modernists understood occultism as a universal form of cultural expression which has inspired creative exuberance since the dawn of civilisation

*The Human Spirit* Rudolf Steiner,2016-03-21 To live in truth to wish to be true in one s whole being will be the watchword of the future Rudolf Steiner In the midst of the lies and propaganda of the Great War Rudolf Steiner struggled to convey the truths of the human spirit The truth asserted by partisan interests he suggested was invariably tinged with dishonesty whether the outright mendacities of politicians and rulers Steiner refers here to the machinations of the British Empire or the manipulative techniques of secret societies intent on securing and shoring up their own power In relation to the latter Rudolf Steiner highlights how whilst we tend to reject overt authority nowadays we succumb more easily to its covert forms in the received wisdoms we

often unthinkingly adopt In seeking to help his audiences discern the spiritual struggle unfolding behind outer events Steiner describes how the intrigues that led to the war were based on intentional deceit which served hidden aims of which the public was mostly kept in the dark In contrast to the divisiveness of untruth truth is based on a realization of the interconnectedness of all things of interdependence between the realms below and above us The I upon which all evolution on earth is predicated signifies an overcoming of egotism and narrow interests together with the imaginative embrace of all beings Its spiritual reality that descends to us from non material worlds and towards which we evolve through earthly lives is the epitome of truth Amidst many other topics covered here Rudolf Steiner speaks about The Qur an and the Mystery of Golgotha Henry VIII Thomas More and the Church of England the Jesuits and their State in Paraguay Freemasons esoteric symbols and handshakes Madame Blavatsky s occult imprisonment by Anglo Saxon brotherhoods Dostoyevsky s The Brothers Karamazov and the occult literature of Papus and L vi

**Real life thrills in the seven brains of the heart, not in the whims and wobbles of the mind** William Quan Judge, Julia Wharton Lewis Campbell Ver Planck, 2021-08-07 Do not think too much of me direct your thoughts to the Eternal Truth For only he who is free from the heresy of separateness brought forth by false self identity and self importance can rise above the trappings of personal life and live for others Never seek knowledge or power for any other purpose than to sacrifice it on the altar of the Great Heart which is humanity at large Do not fear nor fail because you feel dark and heavy After a while the very rage you feel will break the shrine that covers the mystery No one can really help you till then The moment of choice between good and evil between white and black magic is neither in space nor in time it is the momentum of all those moments in the battle between unselfish and selfish impulses taking place in those who try to follow the higher purposes of Nature I am my friends and my enemies I feel them all I am the poor the wicked the ignorant Those moments of gloom are the moments when I am influenced by those ignorant ones who are myself Duty lies in the act itself Our duty is to never consider our ability but to do what needs to be done in whatever way we can no matter how inadequate the work may appear to others We are not the only ones to suffer upon the path Like ourselves Masters have wept though They do not weep any longer Sadness comes from an appreciation of the difficulties in our way and of the unspeakable wickedness of the human heart The Divine Spirit which overshadows the soul of every man is the throne of the Invisible and Unknown God If you reflect on That little room will be left for sorrow or delusion Please don t be anxious Insist on Carelessness Anxiety obscures and deters Fear and anxiety are a formidable barrier against progress by perturbation and straining harshly Anxiety densifies and perturbs our magnetic sphere aura thus rendering us less permeable to the efflux of inner life and love Immediate rebirth is for those who are working with their heart on Master s work and are free from self interest Nothing foreign to Master can pollute the pure heart our faults are not there The heart reaches Him always and He replies He needs not to stoop to see our devotion for devotional love being of a supernal quality reaches anywhere Even in the most menial sorts of labour the moment a man begins working his soul enters into a state of

harmony and peace On the plane of social intercourse words are things but soulless and dead because that convention in which they have their birth has made abortions of them Let us then choose with care those living messengers called words When the soul turns its attention to the astral plane its energy is transferred from the gross material plane to a more subtle plane composed of imponderable matter and we then have an influx of many confused dreams and strange experiences whether awake or asleep Clairvoyants and untrained seers cannot distinguish between psychic and spiritual perceptions The age is black as hell hard as iron Yet noble hearts keep fighting the ancient fight They seek each other and help each other We will not fail them To fail would be nothing but to stop working for Humanity and the Brotherhood of Man would be awful we cannot and will not The student of Occultism must either reach the goal or perish Those who rush unprepared and before the ripe moment risk insanity But then that insanity is their safety for the next life or for their return to sanity The road to heavens is dark and difficult because we do not live up to our highest ideals And as we hamstrung by our own weaknesses it is no use blaming others for our own shortcomings Egoism is a sign of shameful cowardice The egocentric man is insignificant and helpless All our obstructions are of our own making All our power is drawn from the storehouse of the past Let us love and worship humanity instead of self and all shall be well Even selfishness is love though tainted and misdirected Let us live for each other forgetting ourselves in the midst of so many selves who as formerly and forever are but our own phantasms of thinking throbbles and all shall be well Drink the cup of life without a murmur to the last drop whatever Karma may have in store for you The lesson in your present life is sweet Patience that nothing can ruffle Higher Patience is a fine line between pride and humility Both are extremes and mistakes How shall we be proud when we are so small How dare we be humble when we are so great In both we blaspheme Regret is productive only of error Regret is a thought hence an energy If we turn its tide upon the past it plays upon the seeds of that past and vivifies them it causes them to sprout and grow in the mind and from thence expression in action is but a step Evil is the infernal end of the polarity of spirit matter Evil devil is the dark side of good yet a mighty motor on the eternal struggle of the two ever Opposing Forces Light versus Darkness Buddhi versus Kama Manas dual aspects of the One Manifested Creative Power which keeps building worlds and thinks through man Like Ormuzd and Ahriman good and evil are inseparable and interdependent We cannot murder Life but we can destroy a vehicle of the divine Principle of Life and impede the course of a soul using that vehicle We far more injured by this atrocious deed than by any other It is the man of clay that sins not the innocent Higher Ego self imprisoned within us and spectator of our life who suffers and weeps silently at our cruelty Condemn the sin not the Sinner Higher as within us all the divine spirit looks down in the secure knowledge that when the lower nature has subsided into its spiritual source all this struggle and play of force and will this waxing and waning of forms this progression of consciousness that throws up clouds and fumes of illusion before the eye of the soul will have come to an end But the real test of a man is his motive which we neither see nor do his acts always represent it If acts of valour are motivated by self interest they are still virtuous acts but they will not

elevate the actor and will throw his calculations off kilter Nature strives to contain spirit and spirit strives to be free Despondency doubt fear vanity pride self satisfaction are traps used by Nature to detain us on earth The kind of thoughts that appeal to our senses and which fascinate and transfix us is another snare set by Nature lest we discover her inmost secret and rule her Spirituality is no virtue it is divine impersonality Spirituality is the rootless root of all things unborn exempt from dissolution eternal and beyond the condition of spirit In essence and substance It is the Whole of this Universe Death disappoints the Self for it is neither productive of real knowledge nor of service to the living Death is the sudden lowering of a stage curtain only to be raised again at the beginning of the next act The living have a greater part in the dead than the dead have in the living Rise then from this despondency With the sword of Knowledge and with Love you can become one with the great tides of being and reach the peaceful place of safe self forgetfulness at last In dreams we see the truth and taste the joys of heaven In waking life we gradually distil that dew into our consciousness Let thy pulses beat to heaven s own music Despise the life that only seeks its own Listen to the words of the Great Teachers Good company removes the dullness of intellect infuses truth into speech bestows great honour removes sin purifies the heart and spreads fame in all directions Evil company should be shunned because it gives rise to lust anger delusion memory loss discrimination loss and at long last total loss of one s Infinite Potency born from the concealed Potentiality Spreading like ripples at first evil company swells vices to large scale waves in an ocean of misery Is there any hope for the aspirant who has no heredity of psychical development to call upon who is not introspective by nature and with no access to chelas for guidance reach There is if he purifies his motive and cultivates an ardent and unwavering faith and devotion to the Masters who are Truth personified though They are not yet known to him They are generous and honest debtors and always repay Beyond the Hall of Learning is the Great White Lodge the magnificent hierarchy of Masters Gurus and Chelas all over the world Every aspirant to chelaship has a Guru although he many not be aware of it Guru is chela s benefactor If we have revered our teacher we will now revere our unknown Guru We must place our hand in his hand with all love and trust and confidence for it is to mighty Karma we have appealed and the Guru is an agent of Karma Madame Blavatsky sacrificed all that mankind holds dear to bring the glad tidings of Theosophy to the West through the Theosophical Society which thereby stands to her as a chela to his Guru She is our next higher link in the Guruparampara chain of which no link can be missed or by passed Those who try to reach The Masters by other means while disregarding or underrating scornfully her high services violate an occult rule that cannot be broken with impunity The limitations of self impede progress Unless the intention is entirely unalloyed the spiritual will transform itself into the psychic and by acting on the astral plane dire results may be produced by it The highest aspirations for the welfare of humanity will become sullied with selfishness if in the mind of the philanthropist there lurks the shadow of a desire for self benefit or a tendency to do injustice even when these exist unconsciously to himself The powers of evil revenge themselves upon the ignorant man and his friends and not upon those who are beyond

their reach As long we hope and desire we shall remain apart from the Self We are rich in hope knowing the prize at the end of time and are not deterred by the clouds the storms the miasmas and the dreadful beasts of prey that line the road Let us then at the very outset wash out of our souls all desire for reward all hope that we may attain what we sought We may perhaps have found one spot we may call our own and possess no other qualification for the task That spot is enough it is our wholly unshaken belief in Self and the Masters That spot is our Higher Ego symbolised by Homer as the wild fig tree which Odysseus took hold of it and clung to it like a bat in order to escape falling into the whirlpool of passions below Beware of the dreadful lures the great causes of misery inflamed by the malignant fever of scepticism They keep us ensnared in our earthy prison Compassion is the Divine Law of Universal Sympathy and Sacrifice Overseen by Spiritual Intelligences above Compassion is enacted by the Intelligence of Nature and Her dual forces below Deity is Unerring Karma or Abstract Nature the Mind and Soul of the Universe     *The Theosophical Quarterly* ,1917     *True and False Paths of Spiritual Research*
